Arlington House 23 April

My D<sup>r</sup> Mr Gurley

I send over my humble produc-  
tion - I think it as good as gone. I have  
seen in the Rotundo. Will you have the kind-  
ness my Des<sup>r</sup> to have it put up on one of the  
cant niches in the Rotundo. You are acquainted  
with the size of the Rotundo, & can readily obtain  
permission. I believe it is never refused.  
Charles will wait upon you leisure, & carry the  
picture up to the Capitol.

I am your obed<sup>t</sup> serv<sup>t</sup>

George W. P. Custis.
