

Hurstpierpoint.

Oct^r 14. 1879

My dear Sir, I hold you you should
have a present when I settled
matters with Mr F Chapman.
I now enclose you a
cheque for One Guinea.

Unless Mess W. H. Smith
print their own books, I feel quite
certain Mr F Chapman can
obtain for you the printing of all
the volumes from Mr Sandifer,
who is the Manager.

By this post I write to
Mr Sandifer, saying he will
personally oblige me, if he
will give you the printing of any of

the volumes. I have already
written to Mr. J. O. to the
same effect.

I shall like you may
get the printing.

Yours truly

W. Harris Ainsworth
