

Red Lion Court

Monday 18th February
1852

Dear Maith. I called upon
Drofen, and have a word about
things in general. I am now going
to stroll up (on the St Brides side
of the way, except in St Dunls
churchyard) as far as Cornhill, and
back. If I don't meet you, I will
repeatedly call here, on my return.

affectionately
yours

Ed.
