

Gads Hill Place,

Higham by Rochester, Kent.

Thursday Second August 1860.

3 Dear Sir,

I have remembered that when I wrote you last, I inadvertently omitted to say that I accepted your kind offer of getting me the particulars of a school at Reading. If it be not too late, or putting you too far out of the way, will you kindly let me repair the mistake.

Yours truly

Marionne W. D.
