Duncan Motor Corporation
1500 South Western Avenue
Chicago, Illinois

Gentlemen:

We understand from your installation man that an exchange of parts is possible to make our six meters operate-1 cent for 12 min.- 5 cents for 60 minutes, and 2 nickels for 120 minutes.

If this is correct, kindly forward, without delay, the necessary parts for exchange.

Will it be necessary for your man to make this change? If so, what would it cost, also will there be a charge for the exchange parts?

Yours very truly,

L. S. Becker, Supt.
Buildings & Grounds
