Wheelerwright, Kentucky

Dear Mr. Becker,

I am leaving attached hereto some specifications that I should like to have included in the Gym. work specifications.

You can readily see that they are crude, but I had planned to discuss them with you.

As to the plan or drawing, I would be no help there, and looks as tho I will have to be out of town Sunday & possibly Monday. You go ahead with the plan and I'll be satisfied.

Will see you Tuesday if not before.

P.S. Should you want to contact me - call Earl Moore's residence, Jayne Ratliff, Prestonsburg, Ky.
