Mr. Aubrey Brewer  
House #43 - Burton  
Bypro, Kentucky

Dear Mr. Brewer:

You have requested that a bath and clothes closet be added to your house. We can make these improvements if you are willing to accept a monthly rent increase of \$6.50.

The rent increase will not go into effect until the improvements have been completed.

If this is acceptable it will be necessary for you to see Mr. Jack Brummett at the Main Office and sign a new house lease incorporating the rent increase.

You should arrange to do this as soon as possible as we cannot definitely include these improvements on our schedule until a new house lease has been signed.

We necessarily have to set a time limit in which you should sign the new lease. If you have not signed the new lease by office closing time, Wednesday, February 2nd, we will assume that you are not interested in having the improvements made to your house, in which event we will assign the money now allotted to your house to make improvements to another house.
