Mr. Dan Cox
House No. 55 (Burton)
Bypro, Kentucky

Dear Mr. Cox:

Under our current program of house improvements we can add a bathroom and closet to your house if you are willing to accept a monthly rent increase of \$6.50.

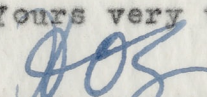

This increase will not, of course, go into effect until the improvements have been completed.

If this is acceptable to you, it will be necessary for you to come to the main office at Wheelwright and sign a new house lease incorporating the rent increase.

You should arrange to do this as soon as possible as we cannot definitely include these improvements on our schedule until the new house lease has been signed.

We necessarily have to set a time limit in which you should sign the new lease. If you have not signed the new lease by office closing time, Monday afternoon, January 24, we will assume you are not interested in having the improvements made to your house in which event we will assign the money now allotted to your house to making improvements to some other house.

Yours very truly
