

January 4, 1960

Kentucky West Virginia Gas Company  
Ashland  
Kentucky

Gentlemen:

Following is a statement of gas taken from our No. 1 Well during the month of December, 1959:

Meter Reading December 31	31208
Meter Reading November 30	<u>31143</u>
Difference	65

65 x 1.4187 (7-pound correction factor) equals 92 M. Cu. Ft. taken from Well No. 1 during December, 1959.

Yours very truly,

  
J. Perafino  
Chief Engineer

JP/mcd
