Dear Mr. Parks:

Thank you for your letter of May 14 and check in the amount of \$15 for incinerator fee for the month of April, 1957.

It is noted that you have now made other arrangements for the disposal of garbage and refuse and decided to cancel the arrangement for this service that has been provided by Inland Steel Company.

No date for cancellation was mentioned in your letter. Therefore, I presume that you would prefer it to become effective immediately. Our personnel concerned will be notified at once of this cancellation.

Sincerely yours,
