

February 2, 1951

Division of Forestry  
Frankfort, Kentucky

Gentlemen:

I am attaching hereto order for trees; also a check in the amount of \$60.50 covering the cost.

In the event all of the trees listed cannot be shipped to us in time to plant this year, you should return the check to us. In that event I would like to know at what time of the year we should place our order for the nursery stock.

Yours very truly,

Manager Coal Properties
