The July safety meetings will be held on Wednesday, July 20, at 11:00 A. M. and 6:30 P. M. in the Wheelwright Theatre.

The principal feature of the program will be the presentation of Joseph A. Holmes Safety Association Medals and Certificates of Honor. This presentation will be made by Mr. H. J. Sloman, Assistant to Director, Bureau of Mines, who will come here from Washington for this purpose.

It is desirable that we have the best attendance possible for this occasion in order to make Mr. Sloman's trip worthwhile and anything that you can do to help the attendance will be greatly appreciated.
