

INLAND STEEL COMPANY
WHEELWRIGHT, KY.

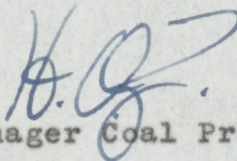

14 December 1959

To: G. F. Leatherman
From: H. O. Zimmerman

I understand there are three of our tenants who operate television sets not connected to our system. This is being done by the resident having installed his own receiving wire system.

For detailed information on this, get in touch with Rodney McKinney.

I would appreciate having your report after you have had time to investigate the situation.
