RE: House Rents

Dear John:

On the rent schedule sent me by David Allen several days ago, I had some questions which I would like to get you to check into for me.

I note that House No. 116 is renting for \$11.05 per month, No. 321 is \$20.00 per month, and No. 386 is \$20.00 per month but is 3 months in arrears.

We know about No. 236-1/2, which is rented to the colored church for \$10.00 per month, and that is all right, but it seems to me that the rent on the other three units is greatly out of proportion.

When you have an opportunity, would you check on these three properties and let me know what you think should be done, if anything?

Cordially,

Frank M. Arnall
