Mr. C.D. Rubin,
Dearest daddy

time afford me no great of
pleasure in trying to write you
a line well this leave me I don't
know just how I am feeling
to day I hope you are well
but listen if I ever see you
any more please don't leave me
like you did Sunday I can't
stand to see you leave me
that way you said you
didn't know when you would
be over so I will be glad to
see my little daddy any
time it isn't hard to do
