

January 16th The Faculty met in called session, Pres. Patterson stating that Col. Withers had requested him to submit <sup>through</sup> him to the Executive Committee such recommendations in regard to the working department as he thought best for said department. Wishing to obtain the views of the different members of the faculty in regard to the working department Pres. P. called this meeting in order that the whole faculty may take such action regarding Col. W.'s request as <sup>they</sup> may think best. The following recommendations (written by Pres. Patterson) were read and approved.

To Col. W. V. Withers, a member of the Executive Committee of Ky. University:

The Faculty in reply to your request beg to recommend, 1st That a skillful farmer or gardener be employed 2<sup>d</sup> That the person so employed be subject to the direction of the Faculty. 3<sup>d</sup> That such crops be grown as shall be most immediately remunerative, and ~~at~~ least expense in cultivation 3<sup>d</sup> That all his accounts with the students pass through the faculty. 5th That the employment of student labor be made educational as far as possible. 6th That the discipline of the ~~discipline~~ of the students who work be wholly under the control of the Faculty. 7th That compensation be graduated so as to take account of the quality of labor done as well as the time. 8th That compensation be made monthly to students who labor."
