TRAVEL FUNDS

There have been a number of responses to my May 29 request for out-of-state travel funds. It will be generally impossible to grant more than one request per person for the coming year.

LIBRARIANS PUBLISH

Vivian Hall, Geology Library, wrote a commentary on "The Special Librarian's Role in the Current Environmental Crisis," which was published in the May/June 1974 issue of Special Libraries.

READERS FOR THE BLIND

"Men and women volunteers are needed to record college textbooks which will be used by University of Kentucky students in classes this fall.

Michael Bell, program coordinator of the Rehabilitation Materials Unit, located in the UK Human Relations Center, says some 25 blind students enrolled in colleges and universities throughout the eastern half of Kentucky are dependent on volunteers to make tape recordings of some 65 required textbooks.

New readers are given handbooks which outline ways to "read" or describe pictures, footnotes, graphs, and charts. All recordings are made at the center and volunteers are asked to spend at least three hours at each recording session."

Lexington Herald/Leader, May 30, 1974

For those interested, Mr. Bell's office is in Alumni Gym and his extension is 82751.
