

Nothing new only that
I finished my chicken
house and will move
the chicken, in a few
days.

Take good care of
yourself, I was told that
Maryherite do not look
quite well neither
Linn. You must take
better care.

Dear Marguerite Linn
I received your card and
letter in time and am glad
you reached home without
being sick. We have still the
fine weather but no rain
and everything will suffer.
It is reported from the
Orlando section that cattle
do die what it not surprising
no grass and no water.
I am sure you were glad
to see Old Kentucky again
and found everything in
good condition. That
prospecting by Gray, north
of Gray street was for
rocks for building
