

The Guest Suite

Designed for the busy executive, the guest suite is an inviting oasis away from the world's hustle and bustle. Our suite represents a collection of furniture and accessories gathered from countries around the world shown together in an eclectic blend that is both comfortable and stylish. Rich textural and pattern variations work together artfully to create a space that invites you to unwind and enjoy your time at home.

The Designers

The interior designers from BB Home & Garden specialize in creating beautiful room interiors for your home. Visit our 5,000 square foot showroom to see the most eclectic mix of furnishings, artwork and accessories in Central Kentucky. From wallcoverings, windows and furnishings to accessories, we do it all.
