

Minutes of the Meeting of the Executive Committee of the Board of Trustees of the University of Kentucky, May 17, 1952.

The Executive Committee of the University of Kentucky met in the President's Office at 11:00 a.m., Saturday, May 17, 1952. The following members were present: Guy A. Huguelet, Chairman; J. C. Everett, Harper Gatton, and R. P. Hobson. Absent: H. D. Palmore. President Donovan and Secretary Frank D. Peterson met with the Committee.

A. Approval of Minutes.

The minutes of the Executive Committee of February 16, 1952, were approved as published.

B. Report of the Comptroller.

The Comptroller made financial report of the operations of the University for the period July 1, 1951, through April 30, 1952. He read the summary to the Board.

May 13, 1952

Dr. H. L. Donovan, President
University of Kentucky

My dear President Donovan:

I submit herewith a balance sheet of University funds as of April 30, 1952, together with supporting statements of fund and budget operations for the period of ten months ended on that date.

University income realized during the period amounted to \$7,349,967.72. This amount was 103.89% of the budget estimate of \$7,075,063.34.

General fund expenditures and encumbrances totalled \$5,788,785.18, which is 80.32% of departmental appropriations approved in the amount of \$7,207,309.83.

Plant fund expenditures and encumbrances amounted to \$318,138.60 during the period, or 61.08% of the \$520,871.14 budget estimate.

I have listed below information concerning the Student Loan Fund.

<u>Fund</u>	<u>Total Fund</u>	<u>Amount Invested</u>	<u>Student Loans</u>	<u>Cash Balance</u>
Student Loan Fund	\$87,265.34	\$75,500.00	\$ 8,832.35	\$ 2,932.99

The above information is given to indicate the extent to which the Student Loan Fund is used. It is the writer's opinion that the interest rate should be reduced.

There is listed below the insurance coverage and costs for University property for the fiscal year 1951-52. The insured value includes buildings and their contents.

<u>Property Assignment</u>	<u>Cert. Number</u>	<u>Insured Value</u>	<u>Insurance Cost</u>
College Division	70	\$13,693,300.00	\$ 30,230.03
Experiment Station Farm	71	1,951,960.00	7,478.54
College Amortized Buildings	72	8,936,800.00	7,803.60
Motor Vehicles	73	84,720.00	650.31
Robinson Sub-Station	74	89,400.00	1,436.69
W. Ky. Exp. Station	75	82,050.00	1,080.29
Camp Robinson	76	12,750.00	180.55
Residences & Temporary Bldgs.	77	1,545,085.00	8,450.69
Bingham Camp & Dawson Sprgs.	78	33,800.00	979.06
TOTALS		\$26,429,865.00	\$ 58,289.76

The Comptroller's Office has taken exception to the charge made on Certificates, Numbers 74 and 78. We believe the rates to be excessive and while no adjustment has been made, we have been led to believe that a refund of approximately \$400.00 will be approved on these two items.

The total fixed assets of the University are as follows:

<u>LAND</u>	<u>Division of Colleges</u>	<u>Agricultural Exp. Sta.</u>	<u>Total</u>
	\$ 667,447.52	\$ 437,771.31	\$ 1,105,218.83
<u>BUILDINGS AND STRUCTURES</u>			
	\$ 20,655,436.53	\$1,807,007.42	\$22,462,443.95
<u>EQUIPMENT</u>			
	\$ 7,257,547.67	\$ 662,638.00	\$ 7,920,185.67
	Total Fixed Assets, including Land, Buildings and Structures, and Equipment.		\$31,487,848.45

Lands located in Fayette, Graves, McCracken, Muhlenberg, Laurel, Taylor and Washington counties were either donated or purchased at a nominal price; and no book value has been assigned to these properties.

Respectfully submitted,

(Signed) Frank D. Peterson,
Comptroller.

The report was examined, and upon motion duly made, seconded and carried, was authorized received and filed.

C. Interest Rate on Student Loans

Members of the Committee received information concerning the Student Loan Fund as contained in the Comptroller's Report. They discussed the Fund, the use being made of available funds, and the interest rate being charged.

After a general discussion, upon motion duly made, seconded and carried, President Donovan was requested to indicate to the Student Loan Fund Committee that the interest rate on student loans might be revised, and suggested that, at the discretion of the Committee, the rate be not less than 3% nor more than 4% on loans approved and authorized.

D. Candidates for Honorary Degrees.

The Board of Trustees of the University, at its meeting on April 25, 1952, approved and authorized honorary degrees conferred upon a list of persons approved by the Graduate Faculty of the University, and concurred in by the University Faculty. It was directed that the names of the recipients be withheld until the meeting of the Executive Committee prior to Commencement and listed in these minutes for proper record.

The President of the University was authorized to confer upon the following persons the degrees as indicated.

PAUL GARRETT BLAZER

Corporation Executive

Eminent petroleum company executive, public-spirited citizen
and generous counselor

Paul Garrett Blazer was born in New Boston, Illinois, September 19, 1890, and educated at the University of Chicago. He is a successful business administrator with long and distinguished experience, having served as an executive of The Great Northern Refining Company, The Great Southern Refining Company, The Ashland Oil Refining Company, The Swiss Oil Corporation, and The Ashland Oil and Refining Company. He has been the man primarily responsible for the organization and the exceptional achievements of the Ashland Oil and Refining Company. He has been chairman of the board of the Federal Reserve Bank of Cleveland, Cincinnati Branch, director of the Kentucky Utilities Company, Incorporated, member of the Petroleum Industry War Council, member of the National Petroleum Council, and Advisor to the Secretary of the Interior. He has aided the campaign for Kentucky constitutional revision and assisted generously in the work of the Committee for Kentucky. He served in the enlisted reserve of the United States Army. He won the Sullivan Medallion in 1948.

For his contribution toward the building of Kentucky, for his support of good citizenship, and for his contribution to straight thinking on public affairs, the University of Kentucky honors itself in conferring on Mr. Blazer the degree of Doctor of Laws.

... ..

JOHN E. BROWN
Agricultural Leader

Successful farmer, eminent banker and distinguished agricultural leader

Born and reared on a farm near Shelbyville, Kentucky, and a graduate of the University of Kentucky, he soon became active in farming and banking organizations. At 23 he represented Shelby County on the board of directors of the Burley Tobacco Society and later became director of the present Burley Tobacco Growers Association. As a member of the Kentucky House of Representatives he introduced the Bingham Cooperative Marketing Act in 1922, which served as a model for legislative action in many states.

From 1911 to 1932 he was appointed manager of the Regional Credit Corporation of Kentucky and Tennessee; in 1933, president of the Louisville Bank for cooperatives; and later general agent of the Farm Credit Administration of Louisville, which operates in Ohio, Indiana, Kentucky, and Tennessee.

Among the many offices in which he has served agriculture

and the Commonwealth well are: President of the Kentucky Farm Bureau, trustee of the University of Kentucky, director of the Thomas Poe Cooper Agricultural Foundation, and trustee of the American Institute of Cooperation.

For his contributions to better farm organization and to improved life for rural people, the University of Kentucky is pleased to confer on this alumnus the degree of Doctor of Laws.

... ..

LUCIUS DUBOIS CLAY

General, United States Army (Retired) and Business Executive. Military engineer, Field Commander, military government specialist.

Lucius DuBois Clay was born in Marietta, Georgia, April 23, 1897. Upon receiving his Bachelor of Science degree from the United States Military Academy in 1918, he was commissioned a second lieutenant and advanced through the ranks to that of General in 1947. He was with the Engineer troops from 1918 to 1924, and the next four years was instructor in civil and military engineering at the United States Military Academy. After various river and harbor assignments he represented the United States at the Permanent International Navigation Conference in Brussels in 1934. From 1938 to 1940, he was in charge of the construction of the Red River Dam and of the defense airport program from 1940 to 1941. In 1944, he was appointed deputy director for war programs and the next year became deputy to General Eisenhower. He was deputy military governor of Germany in 1946 and the commander of the United States forces in Germany and the military government in the United States zones from 1947 to 1949. In Germany, he is certainly the best-known American and possibly the best-known man of any nationality. In Berlin, the mark introduced by the Western allies is called "the Clay mark". He is also well known, though not well spoken of, in the USSR.

Among his military decorations are the Distinguished Service Medal (with Oak Leaf Cluster), the Legion of Merit, and the Bronze Star Medal.

For his famous service at home and abroad, the University of Kentucky is proud to confer upon him the degree of Doctor of Laws.

MARK FOSTER ETHRIDGE

Publisher of the Courier-Journal and Louisville Times

Distinguished journalist and molder of public opinion, able diplomat and public servant, devoted citizen of his adopted state of Kentucky.

Born in Mississippi, educated at the University of Mississippi and Mercer University, he has been in the newspaper business almost since boyhood. While still a reporter he enlisted in the United States Navy at the outbreak of World War I. Following that war he served with some of the Nation's greatest newspapers in positions of increasing responsibility until 1936, when he came to Louisville as the general manager of the Courier-Journal and Louisville Times. In 1937 he was elevated to the post of vice-president and general manager and in 1942 became publisher of the two papers. He has not only adhered to the highest standards of journalism and contributed significantly to the national prestige and wide influence of the Courier-Journal, but he has also served the United States and the United Nations in roles of high importance, including special missions to Roumania and Bulgaria in 1945, to Greece in 1947 to study the Greek border disorders, and to Palestine in 1949 as a member of the Conciliation Commission charged with bringing peace between the Jews and the Arabs. He has also carried out many difficult government assignments in this country with signal success.

For his untiring service to the nation and to the cause of peace, and for his outstanding leadership in providing the people of Kentucky with accurate information and balanced judgment of daily news, the University of Kentucky is proud to confer upon him the degree of Doctor of Laws.

... ..

DAVID MORTON

Poet, Literary Critic, Editor, and Teacher

David Morton was born February 21, 1886, at Elkton, Kentucky, the son of Beckwith and Mattie (Petrie) Morton. After his graduation from Vanderbilt University in 1909, he joined the staff of the Louisville Evening Post as a reporter. He later served as editorial writer on the Louisville Courier-Journal and the Louisville Herald and worked for the Associated Press.

From 1915-1918 he taught English at the Louisville Boys' High School. He joined the staff of the Morristown (N.J.) High School in 1918, where he taught until 1924, when he became Associate Professor of English at Amherst. He was advanced to the

rank of Professor at Amherst in 1926.

Mr. Morton is a member of the Poetry Society of America, the Lyric Society, The Poets, Delta Kappa Epsilon, and Phi Beta Kappa.

He is the author of the following books: Ships in Harbour (verse), 1921; Harvest (verse), 1924; The Sonnet Today--and Yesterday (monograph), 1926; Nocturnes and Autumnals (verse), 1930; Six for Them (anthology in verse), 1931; Shorter Modern Poems (anthology in verse), 1932; Earth's Processional (verse), 1932; Spell against Time (verse), 1936; This Is Their Acre (anthology in verse), 1936; All in One Breath (verse), 1939; Angle of Earth and Sky (verse), 1941; A Letter to Youth, 1942; This Is for Gone (verse), 1943; and Poems, 1920-1945, 1945. His home now is at Amherst, Massachusetts.

For his distinction as poet and his contributions toward a wider appreciation of this fine art, the University of Kentucky is pleased to confer upon this native Kentuckian, David Morton, the degree of Doctor of Literature.

... ..

LOUIS WARE

Engineer and Business Executive

Successful chief executive of International Minerals and Chemical Corporation; director of the First National Bank of Chicago, the Air Reduction Corporation, and the Illinois Central Railroad; Distinguished alumnus of this University.

Born at Somerset, Kentucky, he was educated in the public schools of this state and in 1917 received the degree of Bachelor of Science in Mining Engineering at this University. His engineering career began in the copper mines of Arizona. Later, he became general superintendent of extensive nitrate mining operations in Chile, South America. He returned to New York City in 1929 and established a consulting engineering business. The following year he accepted a position with the New York Trust Company. Thus began a new career which led on to bigger opportunities for successful industrial management and engineering development. From 1935-39, while president of the United Electric Coal Companies of Chicago, he innovated many new, improved, and more economical methods of mechanized mining. Since 1939, he has been president and director of International Minerals and Chemical Corporation, which has expanded into many diversified fields of endeavor and accomplishment under his management.

For his leadership in the development of industry and for his brilliant personal contributions to engineering and business, the University of Kentucky, his Alma Mater, is proud to confer upon him the degree of Doctor of Science.

... ..

Lawrence W. Wetherby

Governor of Kentucky

Jurist, citizen, civic leader, humanitarian, man of action.

Born in Middletown, Kentucky, January 2, 1908, the forty-fifth governor of Kentucky got his first schooling at Middletown and Anchorage. For his legal education he went to the University of Louisville Law School, graduating in 1929. While attending the University of Louisville, he starred in both football and basketball--no mean accomplishment for a man graduating in law at 21. He followed the family tradition of civic interest in his home towns. At Anchorage he organized a Junior Agricultural Club (a forerunner of 4-H Clubs) and was a member of the local school board. He is a steward in the Middletown Methodist Church. He has served on numerous state boards and commissions, including the Mental Hygiene Clinic Board, The Board of Governors of the Children's Agency, and the Health and Welfare Council. He was attorney for the Jefferson County Juvenile Court from 1933 to 1937 and Judge of that court from 1943 to 1947; member of the Board of Law Examiners, State of Kentucky, 1946 to 1947; Lieutenant Governor, 1947 to 1950, when he became governor. An outstanding service while lieutenant governor was his work as Chairman of the State Legislative Research Commission. He was admitted to the bar in Louisville and is a member of the Louisville and Kentucky State Bar Associations.

For his civic leadership, for his constant devotion to the ideals of service, and for his able administration of the affairs of the State, the University of Kentucky is proud to confer upon him the degree of Doctor of Laws.

E. Fire Inspection Report.

President Donovan requested the Comptroller to submit information concerning a fire inspection report on buildings on the campus of the University, by the Fire Protection Engineer of the Department of Insurance.

Mr. Peterson stated that the report contained good, minor and doubtful recommendations. He suggested that a committee be appointed to study the report at length and make recommendations for compliance. It was estimated that it would cost approximately \$475,000 to comply with the changes requested.

The members of the Committee discussed various recommendations, such as removal of marble floors of Memorial Hall, which are said to be dangerous, removal of turnstiles in the Coliseum, construction of a passageway between the south and north ends of the third floor of the Administration building, enclosing of stairwells in the Administration building, et cetera.

Upon motion duly made, seconded and carried, a committee, consisting of the Comptroller, Chief Engineer, Dean of the College of Engineering, Mr. Jack Howard, and Mr. Sam Mory, was requested to study the report and make recommendations.

F. Budget Changes.

President Donovan reported budget increase to the University Library in the amount of \$3,170.

On motion duly made, seconded and carried, the increase was approved, and the Comptroller was directed to make the necessary budget adjustments.

G. Cost of Books and Equipment.

President Donovan asked the Comptroller to read the following letter:

May 16, 1952

Dr. H. L. Donovan, President
University of Kentucky

My dear President Donovan:

Because of a decreased enrollment at the University, the per capita cost has increased. This fact was reflected in the credit hour cost as of last September when we negotiated a contract with the Veterans Administration for teaching G.I.'s enrolled in the University under Public Law 346 and Public Law 16. Our contract provides that the University shall be paid incidental and registration fees, special course fees, and credit hour costs of \$10.68. All veterans are entitled to receive books and

equipment at government expense, provided such books and equipment are required of all students enrolled in the class or course. The government also allows \$3.00 per student, per semester for supplies.

In checking the invoices for books, equipment, and supplies delivered to veteran students registered under one of the public laws cited above, I note that between 400 and 500 of our students have incurred book bills (including equipment and supplies) in excess of \$35.00 per semester. Probably 300 will run in excess of \$50.00 per semester and 100 will run between \$75 and \$100 per semester.

The problem facing the University is the law limits a total payment to an institution per veteran enrollee of \$500.00. We have a large number of veteran enrollees who have during the current year incurred obligations for incidental and registration fees, special course fees, credit hour costs, books, etc., in excess of \$500.00. At least, the invoices for the first semester run from \$250.00 to \$350.00 on many enrollees, which leaves from \$150.00 to \$200.00 to take care of the costs for the second semester. It is increasingly evident that many of these students will during the two semesters incur obligations in excess of \$500.00. The result is the University cannot collect for any amount in excess of \$500.00, thus making the University pay for the apparent excessive costs for books, equipment, and supplies used in various courses. True, we might assume that the difference is represented by incidental and registration fees or instruction costs. Since the book bill must be paid, the University loses the money in either case. I have talked to Mr. Croft, Dean White, and Dean Terrell. The greatest problems lie in the courses in the College of Engineering and in the College of Law. However, there seems to be excessive cost in other colleges. To illustrate, I notice one course in Geology which required books, equipment, and supplies aggregating \$26.00, just for the one course for the one semester. Engineering has courses exceeding this figure. The College of Law likewise may have some.

I am advised that staff teachers have apparently cooperated during the year, but the fact remains that many of them certify to the Veterans' Personnel Office course requirements that are quite expensive.

I will be unable to get an accurate total of what this situation will cost the University until August or September, but I believe it to be reasonably accurate to anticipate a \$10,000 to \$15,000 loss.

In my judgment, every veteran enrolling in the University for the summer term should be individually screened for credit hours to be taken, books and equipment required in the courses, and thesis costs. The approximate maximum that can be billed to the Veterans Administration for expenses in the summer term is \$113.00 for a full-time student. Some of our graduate students will turn in thesis expenses ranging from \$100.00 to \$150.00; and, according to federal regulations, we can neither collect the loss from the government nor the veteran student.

I can well understand why so many students are interesting themselves in the costs of books and equipment at the Campus Book Store; and, I wonder if some of the parents haven't raised an eyebrow when receiving reports from their sons and daughters as to the costs of books and equipment and courses at the University in relation to the estimated costs found on page 21 of the Bulletin of the University of Kentucky of General Information.

Respectfully submitted,

(Signed) Frank D. Peterson
Comptroller.

President Donovan told of a conference which he had with a student representing the Student Government Association, complaining of the high cost of books and equipment purchased at the Campus book store. The student related that there was agitation to establish a book exchange or a book store on the campus.

The number of books and amount of equipment required for various courses at the University were discussed. Members of the Committee stated they had heard complaint and expressed the view that the problem should be taken up with the Deans of the various colleges to have course requirements re-studied. The thought was expressed that additional copies of some books might be placed in the General Library, thus making greater use of the departmental and general library facilities. A re-examination of equipment and supplies required might reveal that less expensive but satisfactory equipment items could be suggested.

After some further discussion, upon motion duly made, seconded, and carried, President Donovan was directed to have the problem studied by the Deans of the Colleges.

H. Purchase of Property at 240 College View.

President Donovan recommended the purchase of house and lot at 240 College View Avenue from Robert G. Graves. He stated that this is one half of lot #16 of the College View Avenue Sub-division. The house is of wooden structure and composition roof, and it has four rooms and a bath. The purchase price requested was \$4,000.

Upon motion duly made, seconded and carried, the Comptroller was authorized to purchase the house and lot at a price of \$4,000 and pay for it by the use of Haggin funds.

I. Application for Girls' Dormitory Authorized.

President Donovan reported that Dr. George C. Decker, Chief, College Housing and Loan Program, Office of Education, Washington, D.C., had visited the campus with the view of becoming better acquainted with the housing needs of the University. He expressed his appreciation of Dr. Decker's visit.

President Donovan stated he thought it might be possible to secure approval of the federal government for a loan to construct a new residence hall for women. It was recalled that the plans and specifications for another residence hall for women, including central dining rooms and a kitchen, have been prepared and are available. He recommended that authority be given to file an application for such a loan.

Members of the Committee discussed the recommendation of the President, the need for additional housing and dining facilities for women students. Upon motion duly made, seconded and carried the Comptroller was authorized to prepare an application for a government loan to construct a new residence hall for women and central dining rooms and kitchen to service the students who would be housed in the new building, as well as taking care of women students in the existing residence halls. The Comptroller was directed to request of the State Property and Buildings Commission authority to file the application with the government Housing and Home Finance Agency.

J. Appropriation to University of Kentucky Libraries.

President Donovan made the following statement:

Recently the Library of the University of Kentucky was admitted to the Association of Research Libraries as one of the forty-five outstanding research libraries in

the United States. This recognition is quite an achievement for our Library. Our faculty and staff regard this as a very significant honor that has come to this institution.

I understand from Dr. Lawrence S. Thompson, Director of Libraries, and members of the Library Committee that there are weaknesses in our Library that should be strengthened immediately that we may hold the ground that we have gained through the recent recognition that has been given our Library. I believe that a correction of these weaknesses can best be made by the Board of Trustees approving the expenditure of \$35,000 during the next fiscal year to fill these gaps. Twenty-five thousand dollars of this sum would be spent directly on books and research materials and the other \$10,000 on restoring the cubicles that were removed some years ago to take care of more books in the Library, and shifting the books in the Library to make this alteration possible. I am requesting you to appropriate from the income of the Haggin Fund this sum of money to correct this weakness in the Library.

The Library would be instructed to place in each book purchased out of this fund a note that it was purchased from income from the Margaret Voorhies Haggin Trust Fund, which Mrs. Haggin established in memory of her husband, the late James Ben Ali Haggin.

Upon motion duly made, seconded and carried, the recommendation was concurred in, and the sum of \$35,000.00 was appropriated from Haggin funds. The Comptroller was directed to make the necessary budget adjustments.

K. Building at 111 Graham Avenue to be Razed.

The Comptroller reported that, with the completion of the Mines & Minerals building on Graham Avenue, it seemed desirable to raze the building at 111 Graham Avenue now occupied as a residence. He stated this building is in a bad state of repair and should be torn down in order to provide ample room alongside the new building.

A report on the building at 628 South Limestone, which is located on the corner of Graham Avenue and Limestone, was made.

The Comptroller also reported that the building at 624 South Limestone, formerly used as office facilities for the University Press, was now available for whatever purpose the President and the Board desired to make of it.

The question of razing buildings at 111 Graham Avenue and 624 South Limestone was discussed, and upon motion duly made, seconded and carried, the building at 111 Graham Avenue was authorized razed.

L. Payment for Damages to a Private Car Authorized.

The Comptroller reported that Mr. J. F. Freeman, Farm Superintendent of the Experiment Station, uses his privately owned automobile in getting around over the farm to discharge his duties as farm superintendent. An accident occurred at about 1:00 o'clock on April 18, near the Mule Barn, when a team of mules hitched to an Experiment Station-owned wagon ran into the car. An investigation by W. P. Garrigus and Mr. Peterson developed that the accident occurred through no apparent negligence on the part of Mr. Freeman, and they recommended that the cost of repairing Mr. Freeman's car be paid from funds of the Experiment Station. Mr. Freeman submitted two estimates for repairs, the low one being from Miller Body Shop for \$28.50.

Upon motion duly made, seconded and carried, the damage to the automobile was authorized repaired, and the bill was ordered paid from funds of the Experiment Station, with the expressed understanding that the action on the case was without commitment as to future action of the Committee, and it did not establish a precedent and did not admit negligence or liability in paying this bill.

M. Maintenance and Operations Division to Construct Cabinets for State Parks.

The Comptroller reported a request from the Division of State Parks to build two corner cupboards and two uniform cases to contain dummies wearing Confederate uniforms. It was stated that the University could do this work for the Division of State Parks without additional personnel at an approximate cost of \$1,250.00.

President Donovan expressed the desire that this type of work be done by commercial concerns. He was advised that requests for bids on the job had been requested but none was received, and it would be doing the State Division of Parks a favor in doing this work.

Upon motion duly made, seconded and carried, the Division of Maintenance and Operations was authorized to build two corner cupboards and two uniform cases as requested.

N. Damaged Copies of Balkan Village.

The Comptroller read the following letter:

May 14, 1952

MEMORANDUM TO: Mr. Frank D. Peterson
Comptroller
University of Kentucky

RE: Damaged copies of BALKAN VILLAGE

The crates containing our stock of the book BALKAN VILLAGE, by Irwin T. Sanders, have been moved to our new quarters and we have counted the damaged copies. Our count shows that 602 copies are either damaged or ruined. We have divided the books into two classes, damaged and ruined, in the hope that you may be able to salvage some value of the copies which still are partially usable.

We examined our whole stock as best we could in the short time at our disposal. It may be that some one to three hundred copies of our remaining stock are slightly damaged. Water damage sometimes affects a single page or several pages slightly. This is hard to detect but it does render the book unsalable as a perfect copy. We shall examine all copies shipped out, set aside any damaged ones we discover, and attempt to sell these after the stock of perfect copies has been disposed of.

These 602 copies classed as ruined or damaged are of no value to us at this time. We ask that you do not attempt to sell any of these copies at a reduced price because it will interfere with the sale of our remaining stock of perfect copies.

(Signed) Bruce F. Denbo, Director.

The Comptroller stated that he had made an investigation but it seemed that the damage to the books occurred through no fault of any one connected with the matter.

Upon motion duly made, seconded and carried, the report was received, and the Comptroller was authorized to sell the damaged books for salvage paper at the best price available.

O. Fees for Seed Tests Increased.

President Donovan submitted a request from Dean and Director Frank J. Welch to increase the fees for testing seed samples in the seed laboratory. He explained that costs of materials and labor during the past few years have greatly increased, and the Laboratory does not have adequate funds with which to continue to render efficient and reliable service. He stated that the increase in the cost of testing for purity and germination would run from 25¢ to 50¢ in some cases and, in a few cases, as much as \$1.00. He reported that the information had been filed with the Codification Board at Frankfort.

President Donovan recommended that the increase in fees be authorized, and upon motion duly made, seconded and carried, the Committee concurred in the recommendation of the President.

P. Use of Nursery School Building during the Summer.

President Donovan stated that he had received requests from the Chairman of the Cerebral Palsy Committee of the Fayette County Society for Crippled Children for the use of the University Nursery School during the months of June and July. He explained that the Cerebral Palsy Nursery School had been in existence for two years and it is a charity project of the Fayette County Society for Crippled Children. The children enrolled in the school during June and July will serve as case studies for a class in Psychology and in speech education. The Nursery School will not be used during June and July by the University, and President Donovan recommended that permission be given for use of the building under the following conditions:

1. No rental charge shall be made.
2. The Nursery School shall be clean and in good repair when turned over to the use of the Crippled Children and shall be in a like state of cleanliness and repair when the summer group is through using it.
3. The office shall not be used by the summer Nursery School group but shall be kept locked because of records and other expendable materials.
4. It shall be understood by the University Administration and the University Faculty and others that the training program for the summer Nursery School is not under the direction of the Department of Home Economics and that the Department of Home Economics is not responsible for any part of it.
5. The Nursery School shall be open for the use of the Cerebral Palsy children any time after June 5, 1952. It shall be closed to their use after September 1, 1952.

On motion duly made, seconded and carried, the Committee concurred in the recommendation of the President.

Q. Gift.

President Donovan reported a gift of \$200.00 to the Kentucky Research Foundation to be used for a scholarship. He stated that the donor did not desire that his name be used and recommended that the gift be accepted.

Upon motion duly made, seconded and carried, the gift of \$200.00 from an anonymous friend of the University was ordered accepted, and President Donovan was requested to thank the donor.

R. Candidates for Degrees

President Donovan submitted list of candidates for degrees at the 85th Annual Commencement exercises. He stated that the University Faculty would vote to recommend the persons' names to the Executive Committee of the Board of Trustees for the degrees indicated, and recommended that the degree to which each is entitled be approved by the Committee.

COLLEGE OF ARTS AND SCIENCES

Candidates for the Degree of Bachelor of Arts

Inez Timmons Albro	Ann Gleaves Carson
Ellen Claire Allen	Thomas Franklin Coats
Max Wayne Ankney	Dorman Eugene Cordell
Gene Cunningham Arkle	Grace Yolande Coulter
George Bennett Baker, Jr.	Henry Earl Cox
John Tilden Ballantine	Caryl Connor Crayne
George David Bere	Joan Kinkaid Crouse
Beatrice Bernice Bergmann	Beverly Jeanne Davis
Mary Jo Bishop	James Frederick Dickenson

S. Appointments and Other Staff Changes.

President Donovan submitted staff appointments, reappointments, salary adjustments, leaves of absence, resignations, promotions and other staff changes requested by deans and heads of departments.

College of Arts and Sciences

Appointments

Mrs. Jean Judy Chung, Secretary, Department of Geology, for May and June, 1952.

Paul Gunsten, Instructor in Swimming, Department of Physical Education, for a period of two months, effective July 1, 1952. Part of Mr. Gunsten's salary will be paid by Athletics.

Leaves of Absence

Alfred M. Reese, Jr., Assistant Professor of Physical Education, granted leave of absence for the summer term, 1952, in order that he may continue his graduate work at Indiana University.

Amry Vandenbosch, Distinguished Professor of Political Science, granted leave of absence for the months of July and August, in order that he may serve as Visiting Professor at the Johns Hopkins University School of Advanced International Studies in Washington.

Leave of absence for the months of July and August granted to the following faculty members:

Raymond C. Barnhart, Assistant Professor of Art
 William R. Brown, Associate Professor of Geology
 Randall S. Caswell, Associate Professor of Physics
 Carl B. Cone, Associate Professor of History
 George P. Faust, Associate Professor of English
 Richard Hanau, Associate Professor of Physics
 Milo G. Karsner, Assistant Professor of Physical Education
 Earl Kaufman, Associate Professor of Physical Education
 Grant C. Knight, Distinguished Professor of English
 Marvin Rabin, Assistant Professor of Music.

Resignations

Harry W. Settle, Assistant Geologist, Kentucky Geological Survey, effective May 21, 1952.

Mrs. Aino Perez, Secretary, Department of Geology, effective April 30, 1952.

William D. Williams, Part-time Instructor, Department of Chemistry, effective April 30, 1952. Mr. Williams will be transferred to a research project.

College of Agriculture and Home Economics

Appointments

Edwin E. Newell, Jr., Assistant County Agent, Fleming County, effective April 16, 1952.

Mitchell Haddix, watchman and laborer, Robinson Substation, effective April 1, 1952.

Lawrence Willis, farm laborer, Experiment Station Farm, effective April 14, 1952.

Mrs. Helen S. Morgan, Clerk, Agricultural Extension, Marshall County, effective April 1, 1952.

Theodore B. Bates, Assistant County Agent, Shelby County, effective May 1, 1952.

Charles A. Lassiter, Assistant Dairy Husbandman, Experiment Station; Assistant Professor of Dairy Husbandry, effective June 16, 1952.

Freida Mae Baker, Clerk-typist and Laboratory Assistant, Public Service Laboratories. Miss Baker has been working on a temporary basis. Her new appointment is effective May 1, 1952.

Rebecca K. Johnston, Assistant Home Demonstration Agent, Henderson County, effective May 1, 1952.

Carl Kenneth Bjork, Assistant Chemist, effective June 16, 1952.

Floyd J. Garrett, route man on milk truck, effective May 1, 1952. Mr. Garrett was put on an hourly basis while learning the route.

Leave of Absence

Wendell C. Binkley, Assistant Economist in Agricultural Marketing, Experiment Station, granted leave of absence from September 15, 1952, to June 30, 1953, in order that he may complete the course requirements for his doctorate at Vanderbilt University.

Resignations

Mrs. Norma H. Dean, Instructor in Home Economics, effective May 31, 1952.

Mrs. Freda Downs Elam, Clerk-Stenographer, Department of Agronomy, effective April 18, 1952.

Mrs. Polly F. Jones, Clerk, Agricultural Extension, Marshall County, effective March 28, 1952.

Johnnie Miller, Sr., watchman and laborer, Robinson Substation, effective March 31, 1952.

Robert Berreman, route man on milk truck, effective April 12, 1952.

Mrs. Blanche Morris, Clerk, Agricultural Extension, Wayne County, effective April 30, 1952.

Mrs. Dorlas Pearl Turner, Clerk, Agricultural Extension, McLean County, effective April 15, 1952.

Frances H. Dunn Crumrine, Assistant Professor of Home Economics, appointment terminated, effective June 30, 1952.

Henry H. Pope, Jr., County Agent, Catlettsburg, effective May 31, 1952.

Mrs. Wyona Charlene Waldon, Library Assistant, Experiment Station, effective May 31, 1952.

Mrs. Doris Swingle Hall, Clerk, Department of Rural Sociology, effective May 24, 1952.

College of Law

Leaves of Absence

Frederick W. Whiteside, Jr., Professor of Law, granted leave of absence for two months, effective July 1, 1952, in order to serve as Visiting Professor of Law at George Washington University, Washington, D. C.

Richard D. Gilliam, Jr., Visiting Associate Professor of Law, granted leave of absence for two months, effective July 1, 1952, in order to do research at the University of Virginia on his doctoral thesis.

College of Education

Appointments

Ruth Averitt, Supervisory Teacher and Critic, Home Economics Education, 1951-52.

Inez Haile, Supervisory Teacher, Home Economics Education, for two students, spring semester, 1952.

Elinor Ligon, Supervisory Teacher, Home Economics Education, for two students, spring semester, 1952.

Carolyn Lutkemeier, Supervisory Teacher, Home Economics Education, for two students, spring semester, 1952.

Mrs. Margaret McCauley, Supervisory Teacher, Home Economics Education, for two students, spring semester, 1952.

Dorotha Smith, Supervisory Teacher, Home Economics Education, eight-weeks supervision of one student, and five-weeks supervision of one student, spring semester, 1952.

Evangeline Smith, Supervisory and Critic Teacher, Home Economics Education, three-weeks supervision of one student, and as Critic Teacher, 1951-52.

Betty Ann Brown, Secretary, Agricultural Education, effective April 21, 1952.

Mrs. Mildred Weigley Wood, Visiting Professor of Home Economics Education, for the summer term, effective June 28, 1952.

College of Education

Leave of Absence

Mrs. May K. Duncan, Professor of Education, granted a leave of absence for July and August, 1952, because of ill health.

Graduate School

Resignation

Betty F. Midkiff, Assistant Secretary, half-time, effective March 1, 1952.

Dean of Students

Appointment

Mrs. Ida Azbill Hardesty, Housemother, Pi Kappa Alpha fraternity, effective May 1, 1952.

Resignation

Morton, Samuel Helm, Director of Barracks, effective April 23, 1952.

Business Management and Control

Leave of Absence

Mrs. Janet M. Stark, Clerk, Purchasing Division, returned from leave April 16, 1952.

Resignation

H. M. West, Inventory and Specifications Writer, effective April 30, 1950.

University Commons

Appointment

Dorothea Louise Groezinger, Assistant Director, University Commons, effective April 17, 1952.

Maintenance and Operations

Resignation

Katherine Lail, Clerk-Stenographer, effective April 21, 1952.

On motion duly made, seconded and carried, on President Donovan's recommendation, the above appointments, reappointments, salary adjustments, leaves of absence, resignations, promotions and other staff changes were concurred in and record ordered made in the minutes.

T. Luncheon.

On motion duly made, seconded and carried, at 1:00 p.m. the Executive Committee recessed for luncheon, which was served in the President's Office, and after luncheon continued with the business.

U. Adjournment.

On motion duly made, seconded and carried, the Executive Committee adjourned at 3:00 p.m.

Frank D. Peterson, Secretary
Board of Trustees and Executive
Committee.
