

Minutes of the University Senate, March 10, 1969 (Cont'd)

11. Interference with any registered organization or any individual on property owned or operated by the University, or interference with the activities of the University, including but not limited to disruption of classes or meetings, or prevention of ingress to and egress from buildings.

Dr. Adelstein next recommended that Disciplinary Offense 12. be approved by the Senate and forwarded to the President for presentation to the Board of Trustees for incorporation into the Student Code. The Senate approved this recommendation which reads as follows:

12. Falsifying, altering, or forging any official University records or documents, or employing official University documents or records for purposes of misrepresentation.

Dr. Adelstein then recommended to the Senate that the modified Student Bill of Rights be discussed in this meeting but not voted upon, and further, that if discussion were not completed in this meeting, the Senate convene at 4:00 p.m., Monday, March 24, 1969, in the Court Room of the Law Building, to continue discussion. This recommendation was approved by the Senate.

Dr. Adelstein introduced to the Senate the members of the Advisory Committee on Student Affairs and gave a brief background of the Student Bill of Rights. Sections A and B of Article I, Right of Admission and Access, were discussed at length. At 5:30, following the exodus of a number of Senators, motion was made to adjourn but before it could be acted upon a motion was made from the floor that the Senate direct the Chairman of the Senate Council to request President Kirwan to maintain parking regulations unchanged until an opportunity had been made for an open hearing. The Senator indicated he was making this motion in response to the change in the parking permit system which had been circulated by Mr. Dempsey of Safety and Security. Following a second to this motion an additional motion was made to table the motion. A majority of the Senators voted not to table the motion. Question was then raised of the presence of a quorum for the conduct of business. A count showed lack of a quorum and the Senate adjourned at 5:33 p.m. to meet next at 4:00 p.m., Monday, March 24, 1969.

The Senate approved the requests of Kathy Redmon of WBKY and Dana Ewell of the Kernel to be permitted to attend the meeting and report its proceedings.

The Chairman announced the purging of eight Senators thus far this year under the Senate rule which provides that three unexplained absences from the Senate meeting in an academic year automatically calls for purgation of that Senator by the Registrar.

The motion remaining on the floor from the previous Senate meeting to the effect that the Senate direct the Chairman of the Senate Council to request President Kirwan to maintain parking regulations unchanged until an opportunity has been made for an open hearing was placed before the Senators for discussion. Question was called of the presence of a quorum. A count indicated the lack of a quorum.

Dr. Adelstein then assumed the chair to continue discussion of the proposed Student Bill of Rights which did not require the presence of a quorum. Article I, C and D, and Article II, A were discussed at length.

Upon determination by the Chairman that a quorum was present the discussion was interrupted to consider the motion still on the floor. President Kirwan spoke to the motion and told of having learned of the motion and of having received numerous letters relating to it. He stated that as a result he had conferred with Mr. Ruschell and through him with Mr. Hutchinson and that he wished to present their recommendations, which he supported, and which he felt might obviate the necessity for any action by the Senate on the motion before them. These recommendations were that the present A Parking Permit be extended through April 16th during which period the old or new Permit would be acceptable; that the present B Permit be extended through May 16th during which period the old or new B Permit will be valid; that any graduate student having primary teaching responsibilities for as much as two hours a week be given the privilege of applying for and receiving the B Permit for next year, or if the faculty thinks necessary, an A Permit; and that the Research Assistant, whose primary responsibilities involve others, be permitted to apply for and receive a B Permit, or possibly even an A Permit for next year. The originator of the motion on the floor of the Senate indicated that these alternatives were acceptable and he withdrew his motion.

*Absence excused

Minutes of the University Senate, March 24, 1969 (Cont'd)

Dr. Adelstein resumed the Chair and further discussion of Article II A, and B and C followed.

On behalf of the Senate Advisory Committee for Student Affairs Dr. Adelstein presented a motion that the University Senate continue the meeting until 5:30 p.m., adjourn until 7:30 p.m. and continue to 9:30 p.m. at which time it adjourn until 4:00 p.m., Tuesday, March 25, adjourn at 5:30 p.m. and reconvene at 7:30 p.m. and continue to 9:30 p.m., then reconvene again on Tuesday, April 1, at 4:00 p.m. Following a second to this motion discussion followed out of which an amendment to the motion was presented that the Chairman be asked to decide a suitable meeting time not more than two weeks from the present meeting or less than one week from the present meeting. The Senate approved this amendment. The Senate then approved the original motion as amended.

Discussion of the Bill of Rights then continued to 5:34 p.m. when the Senate adjourned to meet next at a time to be called by the Chairman to be not more than two weeks nor less than one week from March 24th.
