ABOUT THE LIBRARIES

Extended Hours

At the request of the University administration, M. I. King Library weekend hours have been extended as follows:

Saturday - AIDS/Media Room and Reserve Desk will be open from 5:00 pm until 10:00 pm. Access will be through the door leading directly into the North end of the AIDS/Media Room.

Sunday - The Library will open at 10:00 am instead of at noon. The only public service points which will be staffed between 10:00 am and 12 noon, however, are Circulation, Reserve, AIDS/Media, and Serials. All other departments will maintain presently scheduled hours.

These changes are effective commencing Saturday, 2 December 1978, and will remain in force until further notice.

ACTS

Please bring to the ACTS general meeting your copy of the agenda and suggestions by the Constitutional Revision Committee.

Christmas Party

The Christmas party this year will be a little different. The Library Staff Organization would like to do away with the white elephants and give a helping hand to others. Will you bring a toy for the needy children in our community? Please wrap the toy and put on the outside the age and of the child it fits.

We'll be giving again this year to the Medical Center children. There will be a money box in each department and branch. Please help if you can. Call Joyce Turner, Acquisitions (7-3811) for further details.

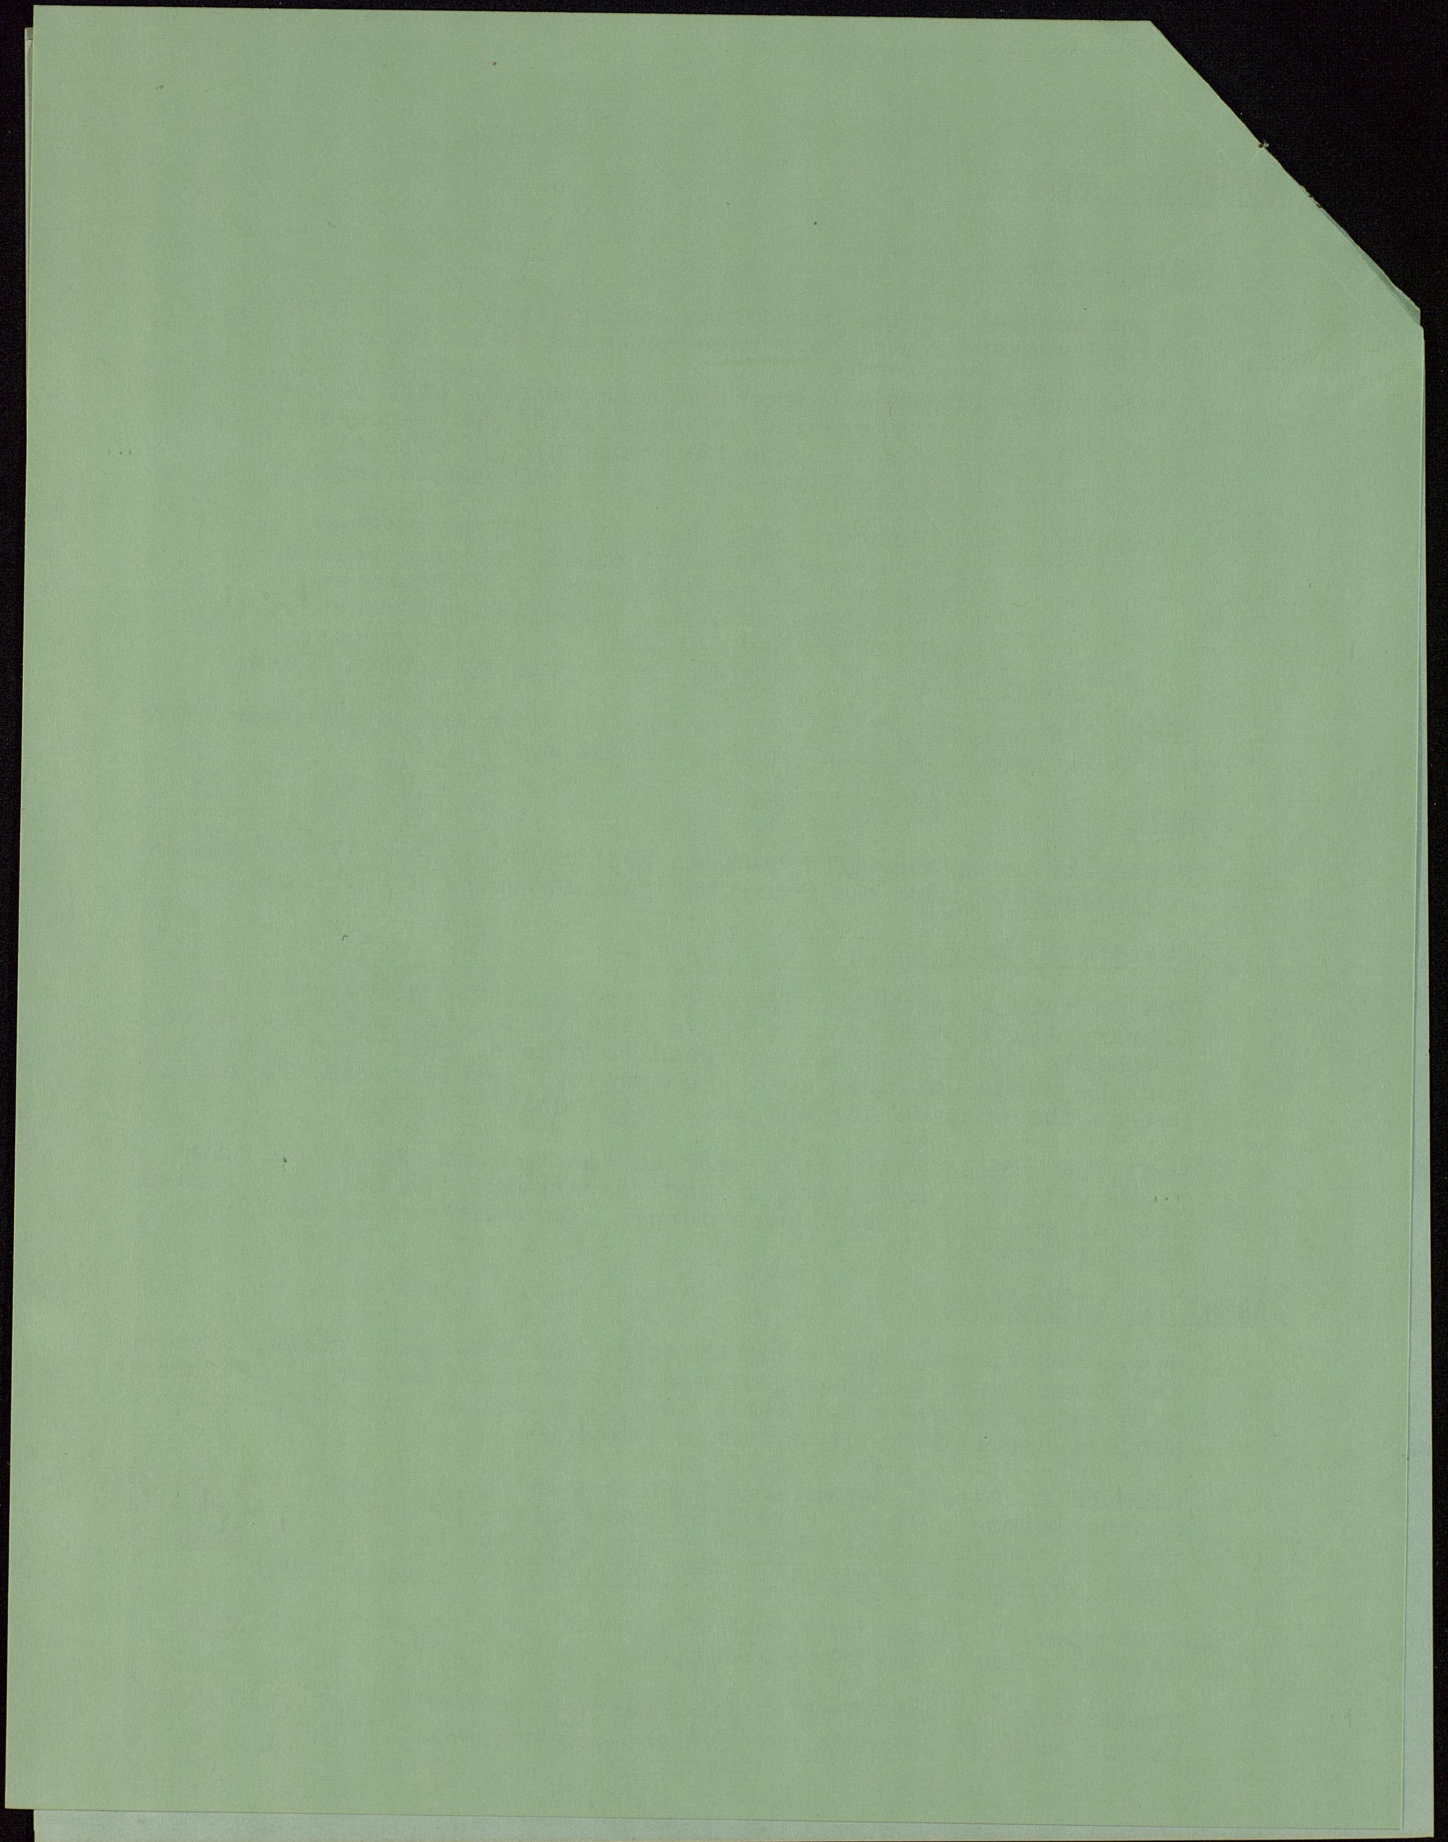

ABOUT THE LIBRARIANS

Dennis Dickinson, Assistant Director for Public Services, attended the first Association of College and Research Libraries Conference held in Boston, October 8-11, and presented an invited paper on subject specialists in academic libraries.

Richard C. Davis, associated with Special Collections, was awarded a prestigious prize for 1977 by the Society of American Archivists for his reference work North American Forest History: A Guide to Archives and Manuscripts in the United States and Canada.

Some special librarians took a special trip to acquire a very special press. But more about that later.

Trudi Bellardo attended an ASIS meeting in New York City. Gwen Curtis went to Atlanta for a "maps convention."

CHEERFUL NEWS FROM ALL OVER

We have been advised by the Lexington-Fayette County Police
Department that you can mount your studded snow tires anytime you
want to. But they begged off from saying when you might need to.

WOMEN, PLEASE NOTE

The University of Louisville School of Business is offering a
three-day course entitled "Management Skills for Women Supervisors."
For further information, see Faith Harders.

PERSONNEL

The NEH grant which supports the Instructional Services program
expires June 30, 1979. President Singletary has agreed to provide
recurring funding for the professional position in Reference which
has been supported by the grant for the past five years.

As discussed in the Administrative Council, a professional position
is being added to Reference in connection with the transfer of the
AIDS unit and AIDS staff position to the Reference Department.

Anyone interested in being considered for either of these two
positions should see Faith Harders; closing date: January 11, 1979.
Since the basic requirements and salary ranges are the same for both
of these Reference positions, candidates will be selected from one
pool.
