

A black and white photograph of a classical building entrance. The entrance is framed by a portico with four white columns. Above the columns is a balcony with a decorative wrought-iron railing. The building is constructed of dark brick. The entrance features a double door with a pedimented archway above it. A sign above the door reads "COLLEGE OF EDUCATION" and "ASSOCIATED SCHOOLS" with a small logo between the lines. There are small windows on either side of the door and a larger window above the balcony.
