

Minutes of the Meeting of the Board of Trustees of the University of Kentucky, Tuesday, December 8, 1981.

The Board of Trustees of the University of Kentucky met in regular statutory session at 2 p.m. (Eastern Standard Time) on Tuesday, December 8, 1981 in the Board Room on the 18th floor of the Patterson Office Tower on the Lexington Campus.

A. Meeting Opened and Roll Called

Mr. William B. Sturgill, Chairman, called the meeting to order at 2:12 p.m. and the invocation was pronounced by Mrs. Sally Hermansdorfer.

The following members of the Board of Trustees answered the call of the roll: Mr. William B. Sturgill, Mr. William R. Black, Governor Edward T. Breathitt, Mr. Britt Brockman, Governor Albert Benjamin Chandler, Mrs. Betty Pace Clark, Mr. Albert G. Clay, Professor Opal Skaggs Conley, Mr. Tracy Farmer, Mr. Ronald G. Geary, Mrs. Edythe Jones Hayes, Mrs. Sally Hermansdorfer, Mr. Thomas B. Kessinger, Mr. W. Terry McBrayer, Mr. Robert T. McCowan, Mr. A. Stevens Miles, Mr. Frank Ramsey, Mr. Homer W. Ramsey, Professor William F. Wagner, and Professor Constance P. Wilson. Mr. W. B. Terry was absent from the meeting. The University administration was represented by President Otis A. Singletary; Vice Presidents Jack C. Blanton, Peter P. Bosomworth, Donald B. Clapp, Art Gallaher, Raymond R. Hornback, John T. Smith, Charles T. Wethington, and Robert G. Zumwinkle; Dr. Wimberly C. Royster, Dean of the Graduate School and Coordinator of Research; and Mr. John C. Darsie, General Counsel. Members of the various news media were also in attendance. Following the call of the roll, the Secretary, Mrs. Betty Pace Clark, reported 20 members present and one absent. A quorum being present, the Chairman declared the meeting officially open for the conduct of business at 2:14 p.m.

B. Minutes Approved

On motion by Mr. Homer Ramsey, seconded by Mr. Black and carried, the Minutes of the October 13, 1981 Meeting of the Executive Committee and the Minutes of the October 23, 1981 Special Called Meeting of the Executive Committee of the Board of Trustees were approved as published.

C. Resolution Adopted

The Chair recognized Mr. Miles, who moved adoption of the following resolution:

"The Board of Trustees of the University of Kentucky joins with President Singletary in supporting the Council on Higher Education. This Board is well aware of the fact that the major and most pressing problem of the University is the financial crisis which it now confronts. President Singletary has worked hard to obtain recognition of the University's needs before the Council on Higher Education while simultaneously having to deal with the impact of educational budget reductions. The Board expresses its appreciation to the President for these efforts,

for his very capable leadership, and for the growth and development of the University during his tenure; and further states its complete support of his stewardship in directing all the affairs of the University."

Governor Breathitt seconded Mr. Miles' motion and praised President Singletary for his superb leadership. He said it is very important that the University have continuity of leadership in order to keep abreast of higher education in Kentucky, and President Singletary has provided leadership not only for the University of Kentucky but for all of higher education. Governor Chandler moved that the resolution be unanimously adopted. It was so ordered.

The members of the Board gave President Singletary a standing ovation. President Singletary then thanked the Chairman and the members of the Board and said he was grateful for the resolution.

D. President's Report to the Trustees (PR 1)

Because of the length of the afternoon's agenda, President Singletary did not review the items in PR 1, copies of which were distributed to the members. He recommended that it be accepted and filed, and without objection, it was so ordered.

E. Ephraim McDowell Cancer Research Foundation Update

President Singletary introduced Dr. Ben F. Roach, Chairman of the Board of Trustees of the Ephraim McDowell Cancer Research Foundation, Inc. Dr. Roach reported on the Foundation's fund-raising efforts for a proposed cancer center to be built at the University's Albert B. Chandler Medical Center. The Foundation has raised \$7.6 million for the cancer patient care facility and is trying to raise an additional \$8 million to finance construction of a three-floor cancer research building. Dr. Roach introduced Ms. Linda B. Mauk, Director of Development for the Foundation, and provided each member of the Board with an information packet about the Foundation's activities. President Singletary thanked Dr. Roach for his presentation.

F. Recommendations of the President (PR 2)

On motion by Mr. Kessinger, seconded by Mr. Geary and passed, the personnel actions in PR 2, Recommendations of the President, were approved. (See PR 2 at the end of the Minutes.)

G. Supplemental Recommendations of the President (PR 3)

There were no supplemental recommendations.

K. Budget Revisions for 1981-82 (PR 4)

The proposed changes in the 1981-82 budget being of a routine nature, President Singletary recommended approval. On motion by Mr. Clay, seconded by Mr. Farmer and passed, the budget revisions in PR 4 were authorized and approved. (See PR 4 at the end of the Minutes.)

I. Acceptance of Gift from William Shely (PR 5)

With President Singletary so recommending, on motion by Professor Conley, seconded by Mrs. Hermansdorfer and passed unanimously, the Board of Trustees accepted a \$500,000 gift from Mr. William Shely. President Singletary explained that these funds would be used for a student scholarship loan fund in the College of Medicine, and he expressed his great pleasure with this very important and outstanding contribution. (See PR 5 at the end of the Minutes.)

J. Report on Gifts and/or Grants (PR 6)

The report on gifts and/or grants covering the period from July 1, 1981 through September 30, 1981 was accepted and ordered made a matter of record as recommended in PR 6. (See PR 6 at the end of the Minutes.)

K. Approval of Degree Candidates--University System (PR 7) and Candidates for Degrees--Community College System (PR 8)

President Singletary recommended that PR's 7 and 8, regarding candidates for degrees, be considered together. On motion by Mr. Brockman, seconded by Mr. Homer Ramsey and passed, the recommendations for degree candidates in the University System and the Community College System as presented in PR 7 and PR 8 were approved without dissent. (See PR 7 and PR 8 at the end of the Minutes.)

----------------	---------------------

Mr. Miles remarked that the response to the invitation to serve on the Board of Directors of the Foundation has been excellent and ended that everyone is greatly impressed with Dr. Richard Furst, Dean of the College of Business and Economics. (See PR 9 at the end of the Minutes.)

M. Appointment of a Special Committee (PR 10)

President Singletary said his recommendation in PR 10 that a special committee be appointed is appropriate at this time because of two factors: (1) the need for the Board to take a careful look at any assets of the institution and (2) because the Administration is being contacted more frequently by third parties expressing interest in mining the Robinson Forest. He pointed out that the Administration does not have a Board policy under which to operate and believes there should be a policy regarding this matter. He further stated that no negotiations with parties interested in mining Robinson Forest will be entered into until such time as a Board policy has been adopted and announced.

President Singletary said that the function of the committee will be first and foremost to raise the basic questions of whether or not the University should, under any circumstances, permit the mining of coal in Robinson Forest. He said he would urge the committee to seek outside legal counsel and to be keenly aware of the programmatic concerns inside the institution. President Singletary said he feels also that there will be great interest among groups around the state as to whether or not Robinson Forest should be mined and the committee should hear the concerns of those groups. If the committee concludes that mining of the Forest should not be permitted, under any circumstances, the work of the committee will be over. If the committee decides to recommend that Robinson Forest be mined, then two other questions will need to be addressed: (1) Under what conditions and terms, and by whom should mining be permitted? (2) For what purposes should revenues accruing to the University be used? President Singletary emphasized that the issues in these two questions should not be confused.

The Chairman said that before calling for a motion on PR 10, he wanted to make known to the Board his personal views. He then read for the record a letter which he had delivered to President Singletary on December 7 and which he had written to show and establish his position in the matter of the Board's adopting a policy concerning Robinson Forest. Mr. Sturgill's letter follows:

December 7, 1981

Dr. Otis A. Singletary, President  
University of Kentucky  
Lexington, Kentucky 40506

Dear Dr. Singletary:

This has reference to our several conversations concerning the mineral in the Robinson Forest area in Breathitt and Knott Counties, which is in the ownership of the University of Kentucky by reason of a gift from the E. O. Robinson Foundation.

There is presently much conversation concerning what direction the University should take in using this asset for the greatest benefit of the University. The purpose of this letter is to make sure the record shows that my participation, if any, will be to make available to the University my own knowledge of this property and my own experience in the coal industry. I do not have any personal or related interests except to make sure that the University of Kentucky receives the greatest benefit from this valuable asset.

Whether or not the mineral in Robinson Forest will be mined is a basic policy matter that should, and will, be decided by the Trustees of the University. Should the Board decide that the mineral not be mined, no further action will be necessary. Should the Board decide that the coal reserves in Robinson Forest will be mined, then it will be my aim to assure that this property is developed in a way that is legally, programmatically, economically, environmentally and technologically sound for the maximum benefit of the University of Kentucky and its projects.

Sincerely,

/s/Bill Sturgill

William B. Sturgill

On motion by Mrs. Hayes, seconded by Mr. Farmer and passed without dissent, the appointment of a special committee as presented in PR 10 was authorized and approved. (See PR 10 at the end of the Minutes.)

The Chairman said that in keeping with the motion adopted by the Board, he was appointing the following Trustees to serve on the committee and to report back to the Board whenever they feel the work has been completed: Mr. A. Stevens Miles, Chairman, Mr. Albert G. Clay, Governor Edward T. Breathitt, Professor Constance P. Wilson, and Mr. Homer W. Ramsey. Mr. Sturgill added the Chair will not be a member of the Committee nor an ex officio member of the committee but will be available to the committee anytime Mr. Miles may need services.

N. Report on Results of Alumni Member Election (PR 11)

President Singletary reported that the three persons receiving the highest numbers of votes in the election for an alumni member of the Board of Trustees were Mr. Frank V. Ramsey, Mrs. Betty Jo Palmer, and Mrs. Kay King Evans.

Mr. Homer Ramsey moved that the report of the Secretary of the Board of Trustees as given by President Singletary be received and put to record, and the Secretary be authorized to certify to the Governor the names of the three persons receiving the largest number of votes from which list a successor to Mr. Frank Ramsey, whose term expires December 31, 1981, will be appointed. His motion was seconded by Mr. Black and passed without dissent. (See PR 11 at the end of the Minutes.)

O. Proposed Amendments to the Governing Regulations (PR 12)

President Singletary recommended that the proposed amendments to the Governing Regulations as presented in PR 12 be received for consideration and place on the agenda for action at the next full meeting of the Board of Trustees. Without discussion, it was so ordered. (See PR 12 at the end of the Minutes.)

P. Interim Financial Report (FCR 1)

Mr. Clay, Chairman of the Finance Committee, reported that the Committee had met on the morning of December 8 and considered five items to be presented for action, the first of which was the Interim Financial Report for the period ending October 31, 1981. The Committee found the University to be "on target" and Mr. Clay moved that the report be accepted. His motion, seconded by Mr. Kesinger, passed and the report was accepted.

Q. Estate of Phil E. Richards (FCR 2) and Estate of Ernest Harold Clark (FCR 3)

At the Chairman's suggestion, FCR 2 and FCR 3 were considered together. With the Finance Committee so recommending, Mr. Clay moved that the Board of Trustees authorize (1) the establishment of a quasi-endowment from the Estate of Phil E. Richards and (2) the establishment of a quasi-endowment from the Estate of Ernest Harold Clark as presented in FCR's 2 and 3 respectively. Mr. Clay's motion was seconded by Mr. McBrayer and passed without dissent. (See FCR 4 at the end of the Minutes.)

R. College of Law Dean's Discretionary Fund (FCR 4)

With the concurrence of the Finance Committee, Mr. Clay then moved that the Board of Trustees authorize the establishment of a quasi-endowment from the College of Law Dean's Discretionary Fund. He explained that the Dean's Discretionary Account is currently invested in the short-time restricted investment pool in the amount of \$40,000 and that the Dean of the College of Law has requested that this amount plus \$70,000 more be moved to the endowment fund and invested in the endowment's money market fund. Mr. Clay's motion was seconded by Mr. McBrayer and passed without dissent. (See FCR 4 at the end of the Minutes.)

S. Authorization for Incineration of Paid Bonds and Coupons (FCR 5)

Mr. Clay noted that it is with pleasure that he is recommending, with the concurrence of the Finance Committee, the incineration of paid bonds and coupons as presented in FCR 5. Mr. Clay so moved. His motion was seconded by Mrs. Clark and passed unanimously. (See FCR 5 at the end of the Minutes.)

T. Report of Investments (ICR 1)

Mr. Kessinger, Chairman of the Investment Committee, recommended that the report of changes made in investments for the University of Kentucky and its Affiliated Corporations for the quarter ended September 30, 1981 be accepted. The report was accepted without objection.

U. Meeting Adjourned

There being no further business to come before the meeting, the Chairman declared the meeting officially adjourned at 2:55 p.m.

Respectfully submitted,

Betty Pace Clark  
Secretary  
Board of Trustees

(PR's 2, 4, 5, 6, 7, 8, 9, 10, 11, and 12; FCR's 1, 2, 3, 4, and 5; and ICR 1 which follow are official parts of the Minutes of the meeting.)

APPOINTMENT OF A SPECIAL COMMITTEE

Recommendation: (1) that the Board authorize and direct its Chairman to appoint a special committee of the Board charged with evaluating the legal, environmental, economic and technical aspects of conducting mining operations in the Robinson Forest and making a policy recommendation to the Board regarding the future use of the Forest, and (2) further that the Administration be instructed to enter into no negotiations with parties interested in mining the Robinson Forest until such time as a Board of Trustees policy has been adopted and announced.

Background: This recommendation is deemed appropriate at this time because of two facts. First, the severe budgetary crisis facing the University makes it necessary to take a careful look at those assets of the University which might possibly contribute to an alleviation of this severe financial problem. Second, we have begun to receive an increasing number of inquiries from third parties who have expressed interest in mining the property. It is our belief that a clear cut Board policy should be adopted prior to any discussions concerning the future of Robinson Forest.

Members, Board of Trustees:

PROPOSED AMENDMENTS TO THE GOVERNING REGULATIONS

Recommendation: It is recommended that the following proposed amendments to the Governing Regulations of the University of Kentucky be received for preliminary consideration and, at the next regular or special meeting of the Board of Trustees provided at least one month has elapsed, be included on the agenda for action.

(Note: Proposed additions are underlined; proposed deletions are bracketed.)

First Amendment -- Change the second paragraph of Part IV to read:

The elected membership shall number [185] 103, of which [160] 85 members shall represent the faculty and [25] 18 shall represent the student body.

Background: The reduction in the number of faculty members in the University Senate has been recommended to the President by the University Senate in the interest of economy and efficiency. It is also believed that a smaller Senate might provide a better opportunity for more thorough debate and more rigorous examination of issues reaching the floor. The number 85 was selected because it reduces the number of faculty Senators to approximately half while allowing for representation from all former educational units except the Honors Program, which now will be represented in the Humanities Division of the College of Arts and Sciences. The proposed reduction to 18 student Senators is recommended to maintain approximately the former ratio between faculty and student Senators.

Second Amendment -- Change the first sentence of the third paragraph of Part IV to read:

The [160] 85 elected faculty members shall be apportioned each spring among the colleges and the University Libraries according to the following two equally weighted factors based on data for the preceding fall semester: (1) the number of full-time teaching and/or research faculty, except those appointed in the research title or visiting series, with the rank of assistant professor or higher in the college or the University Libraries; and (2) the number of full-time students enrolled in the college, computed so that students enrolled in the Graduate School shall be assigned to the college in which they are pursuing their studies.

Background: Same as that for the First Amendment.

Third Amendment -- Change the fifth sentence of the fourth paragraph of Part IV to read:

Yearly adjustments shall be made to keep apportionment equitable, with the elected student membership maintained at [25] 18.

Background: Same as that for the First Amendment.

Fourth Amendment -- Replace the fifth paragraph of Part IV with the following new paragraph:

[The ex officio voting membership shall include the Vice President for Academic Affairs, Vice President for the Medical Center, Vice President for the Community College System, Dean of the Graduate School and Coordinator of Research, Dean of Undergraduate Studies, deans of the colleges, the Director of Libraries, and the president of the student body.]

The ex officio voting members shall number 12. In academic years beginning with an even number (e.g., 1982-1983, 1984-1985, this group shall be composed of the following: Vice President for the Medical Center, Dean of the Graduate School and Coordinator of Research, Director of Libraries, Assistant Vice President for Academic Affairs, and Deans of the Colleges of Allied Health Professions, Architecture, Communications, Dentistry, Education, Engineering, Law, and Social Work. In academic years beginning with an odd number, the ex officio voting members shall be the following: Vice President for Academic Affairs, Vice President for the Community College System, the President of the Student Association, and the Deans of the Colleges of Agriculture, Arts and Sciences, Business and Economics, Fine Arts, Home Economics, Library Science, Medicine, Nursing, and Pharmacy.

Background: Along with recommending reductions in the numbers of faculty and student Senators (see First Amendment), the University Senate also has recommended the principle of giving voting rights to an approximately proportional number of the current ex officio voting members. The new mode of designating the ex officio voting members has been proposed by the University Senate Rules Committee and recommended by the University Senate Council.

Fifth Amendment -- Change the sixth paragraph of Part IV to read:

The ex officio non-voting membership shall include the President, all other vice presidents, Dean of Admissions and Registrar, Dean of University Extension, Professor of Military Science, Professor of Aerospace [Science] Studies, and, if they are not already elected members of the Senate, the University System faculty members of the Board of Trustees, the Academic Ombudsman, and the chairmen of the [several standing] University Senate Advisory Committees. All officials mentioned in the preceding paragraph who are not voting ex officio members in any year shall be considered non-voting ex officio members. Other ex officio non-voting members may be added by the University Senate Council for the purpose of supplying information or viewpoints on problems considered by the Senate. Ex officio non-voting members shall enjoy all [the] privileges of the elected membership except the right to vote.

Background: Same as that for the Fourth Amendment.

Sixth Amendment -- Change the third paragraph of Part X.B.4 to read:

Any related appeal(s) [through administrative channels] to the appropriate academic vice president concerning procedural matters or privilege and/or the Advisory Committee on Privilege and Tenure of the University Senate or the Senate of the Community College System concerning procedural matters, privilege, or allegations of violation of academic freedom must be initiated within 60 days after being notified in writing by the dean or director about non-renewal of appointment.

Background: This amendment is designed to provide better clarification and understanding about the nature and scope of such appeals and has been recommended by both the University Senate Advisory Committee on Privilege and Tenure and the University Senate Council.

Seventh Amendment -- Change the fourth paragraph of Part VII.A.1 to read:

The Honors Program is an educational unit which is equivalent to a department and administratively responsible to the [Dean of Undergraduate Studies] Assistant Vice President for Academic Affairs. Its chief administrative officer is a director who is equivalent to a department chairman.

Background: This change is needed since the Board of Trustees recently approved the President's recommendation that the position of Dean of Undergraduate Studies be discontinued and that the duties of the Dean of Undergraduate Studies be assigned to the Assistant Vice President for Academic Affairs (Minutes of the Meeting of the Board of Trustees of the University of Kentucky, August 25, 1981, page 3 and PR 10).

Eight Amendment -- Delete all of Part VII.B.3.

[3. Dean of Undergraduate Studies

The Dean of Undergraduate Studies has the function, under the purview of the Vice President for Academic Affairs, of integrating and strengthening those aspects of undergraduate education of common interest to the appropriate colleges in the University System. The Dean serves as chairman of the Undergraduate Council and administers offices and programs designed to provide more effective instructional resources. The Dean also has general responsibility for those undergraduate programs of a University-wide nature, such as the Honors Program and the Undergraduate Research and Creativity Program. In the administration of educational units that might be transferred to, or developed under, the Office of the Dean of Undergraduate Studies, the Dean shall have the same authority and responsibilities as those of a dean of a college. The Dean also recommends to the Vice President for Academic Affairs on the following actions affecting faculty members in the Division of Colleges who are or may be involved in undergraduate programs: initial appointment of associate professors and professors; promotions of assistant professors and associate professors; and granting of tenure.]

Background: Upon recommendation of the President and approval of the Board of Trustees, the position of Dean of Undergraduate Studies was discontinued effective August 25, 1981.

Ninth Amendment -- Renumber Parts VII.B.4 through VII.B.9 as Parts VII.B.3 through VII.B.8; respectively.

Rationale: This is necessary if all of existing Part VII.B.3 is deleted as recommended in the Eight Amendment.

Tenth Amendment -- Change the fifth paragraph of Part VIII.A.3 to read:

Search committees for chairmen of academic departments shall be appointed by the deans of the colleges after consultation with (1) the associate dean or director of the school within the college if the department is within such a school; (2) the faculty of the department; and (3) [the Dean of Undergraduate Studies; and (4)] the Dean of the Graduate School and Coordinator of Research if the department is involved in a graduate program.

Rationale: The position of Dean of Undergraduate Studies was discontinued effective August 25, 1981.
