

OFFICE OF

Worthington

ATTORNEY AT LAW,

Litchfield, Conn. Dec 11 1873

D. W. Sandford,

Dear Bro,

Litchfield Congregation, numbering 60 and Antioch Congregation numbering 200, both in Grayson County have sent their petition to the Legislature. There are three or four other congregations in our County that will respond. The brotherhood through out the County condemn Bowman in the very strongest terms.

R. W. Brandon is our Representative; he is a member of the Christian Church and a worthy and reliable man. Write him and say to him that I requested you so to do, and he will be ready to serve you to the best of his ability.

I have also written him and sent the petitions

Your Bro.

J. S. Worthington

I enclose you the other  
letter so you see Brannen is  
not as if it was your  
 humble servant. I have  
written to D. S. persons to  
day - I suggested to an  
elder to whom I wrote at  
Williamston Great County  
that we would be obliged if  
he would get O. P. Hogan  
to go to Greatport. Doubt  
you know him - Suppose you  
write to him - John Wiley  
promised me he would  
go down this week.

Yours in haste  
D. W. Standford
