Bro White

I have been notified by Mr W H McMullen, that he has my note given to the University for collection. If you remember see answer to a letter from you that I had met with financial reverses, & I did not see how in justice to my family I could pay the note, & asked you to lay the matter before the board of curators. I also told you that I wanted to do what was right in the matter. Bro White I am taking meat & bread out of the mouths of my family to pay this note, or the remainder while I acknowledge the justice of your claim & the liberality of your offer to rebate the int. by cutting of the Coupons. Which I say is liberal. Yrs. that does not give me the ability to pay but if I must pay I think that at least I ought to be

allowed the privilege of saving the cost of
collection. I had expected that you would
have written me, & make the request
now, that you write me, & if you can
do any thing for me you will be
doing right. Bro Lusk will hand you
this ~~to~~ Please let me hear from you
I refer you to Bro Geo S. Groves in
reference to any statement I make in regard
to this matter, also to Bro J. McShumaker
Geo S. Hinton, as ever your Bro.
