LUKE MCLUKE SAYS

Mighty few girls can afford handpainted hats and gowns and handpainted shoes and stockings. But any
girl can afford a hand-painted complexion.

Don't let your head get swollen. If
you took 10 men who never had any
yandfathers and 10 men whose andestors came over in the Mayflower
and stripped them naked and turned
them into a corral for 10 days you
couldn't tell the Mutts from the Thoroughbreds. And the fact is that if you
tried to select the 10 Thoroughbreds
you would pick out the 10 Mutts.

One reason why a man should always
think twice before he speaks is because if he doesn't he is liable to tell
the truth.

A Suff announces that women should
get men's wages. Well, that's easy.
Why don't they get married?

Some men would rather swat 1,987
flies today than take the trouble to
land the first one they saw in the
spring.

If a man put as much vim and vigor

land the first one they saw in the spring.

If a man put as much vim and vigor into boosting his own business as he does into boosting his Political Party, there wouldn't be many failures.

The Widow always Leans on the Son during the funeral of the late husband and father. Bût, as a rule, the Widow has to support the Son after the funeral.

This way he spectage heads Party.

neral.

This may be another knock. But we never could see how dressing up like a Hackman at a funeral ever added much to a man's Dignity.
