## UK Concert Band Needs Volunteers

The Summer Concert Band will meet during the 9th and 10th hours every Monday and Wednesday. The group will present two concerts during the summer term.

Students interested in participating in the band should contact Warren Lutz, the director, or be present at the rehearsal Monday.

## Former Journalism Grad Gets Congress Internship

A former Kentucky Kernel Editor, Ben F. Reeves, was named recipient of a 10-month internship in congress under a new type of fellowship awarded by the American Political Science Association.

He will be a staff member for a senator or representative and for a congressional committee after studying the organization at the Library of Congress.

Reeves, who has been a reporter for the Courier-Journal, will take a leave of absence to start the \$3,600 fellowship on Sept. 1.

The announcement made last week said Reeves was one of six

winners among the 150 who applied. An advisory committee composed of members of congress, a newspaper editor, and political scientists made the choices on the basis of nationwide interviews.

Reeves, 31, joined the Courier-Journal staff in January, 1952, after working a year on the Evansville Press. Previously he was chairman of the department of journalism at the Richmond Professional Institute of the College of William and Mary, Richmond, Va.

Born in Bowling Green, he was graduated from UK in 1949 and had a year of postgraduate work in Political Science here.

## Dr. T. Clark Leaves UK For Oxford

DR. THOMAS D. CLARK

Dr. Thomas D. Clark, head of the Department of History, has been chosen to deliver a series of lectures at Oxford University in England this summer. Announcement of his appointment was made this week.

Dr. Clark will appear under sponsorship of the Fulbright exchange program. He plans to discuss the sectional importance of the frontier, the South, the West and New England, he said. Both American professors and Oxford personnel will take part in this series of talks.

Dr. Clark previously has undertaken several overseas assignments, including a period of lecturing to students in India last year. He and his wife and two children will leave for Oxford June 30.

## UK Alumni Elects Prexy

Mr. R. R. Dawson, civil engineer of Bloomfield, has been elected president of the University of Kentucky Alumni Association for the coming year. The announcement was made at the association's annual banquet and meeting.

The new president will succeed Mr. William Townsend, Lexington attorney, as head of the Alumni group. Mr. Dawson and the other officers were introduced at the banquet by Mr. Townsend who made a short farewell speech.

Other officers elected were: T. H. Hardwick, vice president, who succeeds Dawson in that capacity; Mr. R. H. Hillenmeyer, Mrs. T. J. Bean, and Mr. J. C. Myers, executive committee.

Mr. Dawson attended the University from 1921 to 1925, pursuing the civil engineering course and from 1925 until 1928 worked for the Kentucky State Highway Department and Southern Railway as a civil engineer.

The new president has been in the road and bridge construction business from 1928 until the present, except for a period during World War II when he served as a Major in the corps of Engineers, seeing active duty in both the European and Pacific theaters. He is a member of the Association's executive committee.

Hardwick, the new vice president, is a native of Stanton, and was graduated from the University in 1929 with the A.B. degree. He holds a masters degree in business administration from the Harvard Business school and is now general manager of Wellington Arms, Inc., and the Kentucky Hotel, both in Lexington.

### Services Held For Dr. Evans

Funeral services for Dr. Alvin E. Evans, 74, dean emeritus of the UK College of Law, were held Saturday at Central Christian Church.

Dr. Evans died June 17 in a St. Louis, Mo., hospital.

The former dean, who was still on the UK staff as a professor of law on special assignment at the time of his death, underwent major surgery earlier that week in St. Louis. He had been ill for only a few days.

Dean Evans was placed on special assignment status by the University in September of 1948 after serving as dean and professor of law for 21 years. Shortly after this change of work assignment was effective he became associated with St. Louis University. In the fall of 1950 he was named dean of the St. Louis Law School.

Until April 23 of this year he remained as dean of the St. Louis Law School. At that time school officials announced his resignation of the deanship but noted that he

## Henry Durham Is Top Senior Of 53 Grads

Henry Durham, a commerce major, was presented the UK Alma Magna Mater award in recognition for being the outstanding senior. The presentation was made during the UK alumni picnic held in Memorial Coliseum June 4.

Alma Magna Mater is a campus organization composed of sons and daughters of UK alumni. Jay Wallace, president of the group, made the presentation.

Wallace said basis for the award is "outstanding and unselfish service to the University by a member of the senior class."

A graduate of Kentucky Military Institute, Durham was a member of the UK graduating class June 5. While a student at the University, he was a member of the SGA Judicial Committee, the YMCA, Patterson Literary Society, the 240 Committee, Pitkin Club, and Sigma Chi social fraternity.

## SUB Announces Bluegrass Tour

A tour of Bluegrass farms will be sponsored by the Student Union Wednesday. Buses will leave the Student Union at 12 p.m. CST.

The tour will include Elmdorf Farm, Dixiana Farm, Faraway Farm where Man O' War's statue is located, and Walnut Hall Farm. All students are invited to go on the trip, which will be free of charge.

Students interested in the trip should sign their names on a list at the Student Union Information Desk before 2 p.m. CST Tuesday.

Buses for the trip will leave from the front steps of the Student Union. Students planning to go on the tour are urged to be on time as some of the farms close early in the afternoon, Miss Brucie Cruise, Social Director, said this week.

## This Years Enrollment Tops Last

A total of 2289 students had enrolled for the summer term by Wednesday afternoon, Dr. Richard Tuthill, registrar, announced. This was a slight increase over the number registered at the corresponding time last year.

Dr. Tuthill said that enrollment had been expected to decrease this summer since other schools had noticed a decline in summer enrollment. However, he said, the figures that have been compiled so far indicate that UK's summer enrollment will grow slightly over last year's enrollment.

"The large enrollment of students in the short courses offered this year by the University will make up the difference," Dr. Tuthill said. "The enrollment will probably be larger than last year."

The figures for enrollment in the various colleges have not been compiled. The College of Education and the Graduate School are usually the largest groups, according to the registrar's office. Complete figures on enrollment will be issued next week.

Registration will continue today and Saturday. The last day to enter an organized class is Saturday.

Commencement for graduating seniors has been scheduled for Friday, August 14.

Students will have a holiday on Saturday, July 4. This will be the only holiday of the summer term.

## Dean Stahr Will Assist Army Leaders

Dean Elvis J. Stahr of the UK College of Law will serve as consultant to the Secretary and Assistant Secretary of the Army during the summer months. Leave of absence for Dean Stahr was approved by the Board of Trustees.

During Dean Stahr's absence, Prof. Wilburt D. Ham will be the acting dean of the law college. For 15 months in 1951-52 Dean Stahr was chief adviser on reserve forces policy and was in charge of coordinating the programs of all Army reserve units.

## Board Of Trustees Budget \$3,147,703

The UK Board of Trustees at their regular fiscal meeting approved a 1953-54 budget of \$3,147,703 for the Agricultural Experiment Station and the Agricultural Extension Division.

The Experiment Station will receive \$1,375,440 for the next fiscal year as compared with \$1,249,100 in 1952-53. The \$1,772,263 appropriated for the Agricultural Extension for the ensuing year represents a decrease from the \$1,780,165 set up for this purpose during the current fiscal year.

### Additional Voices Needed For Opera

The Summer Opera chorus will meet during the 8th hour Monday through Thursday in Room 6 of the Fine Arts Building. All students interested in participating in the chorus are urged to sign their names on a list in the Music Department office.

The chorus will offer one hour to participants. The group will sing in the opera presentation "Marriage of Figaro" scheduled for August 5-8.

James King is the director of the group.

### Outdoor Dances Are Being Held For Summer Term

The first of a series of summer outdoor folk dances was held last night on the driveway next to the Women's Gym.

The folk dances will be held each Thursday night during the summer term and are open to all students.

Callers will be furnished for the dances which start at 6:30 p.m. CST.

### Welcome

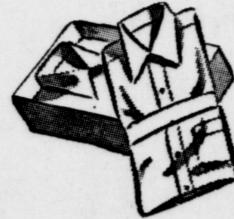

A sincere welcome is extended to all new freshmen and to other students who are enrolled in summer school. Along with this welcome we of the staff want the students to know that the Kernel is the student's newspaper and that a sincere effort is made to make every issue an example of high newspaper quality.

Although the Kernel is "pint sized" this summer, the work of the editors and staff is just the same throughout the regular year, and the policies of the paper are just as important.

Many of the campus organizations are not active during the summer, thus resulting in a minimum of news. However, the staff will do everything possible to bring to the students the news of the campus.

Letters to the editor are always welcome and encouraged. It is through these letters that the staff finds out the student's ideas concerning the newspaper.

### Letters To Editor

To the Kentucky Kernel:  
I would like to take this opportunity to express my regrets that Dr. Donovan could not be present for the University's closing exercises and dinners this year.

His genial and happy presence has always lent an air of well-being to any University event.

And besides this, I wish to say that all of Kentucky owe Dr. Donovan genuine and lasting appreciation for all he has meant to the state and citizenry.

The University has made almost unbelievable growth during his administration, and record enrollment and classes have been maintained.

If the University can maintain the pace Dr. Donovan has set for it it is surely headed for a great goal. So hats off to Dr. Donovan—he is a great guy and a jolly good fellow!

### College Business Managers Meet On UK Campus

The first annual College Business Management Institute will be held on the UK campus from July 27 through August 1, it was announced this week.

Representatives from 12 southern states already have registered for the meeting, which is sponsored by the University. The early registrants include college presidents, deans, assistants to college presidents, comptrollers, business managers, bursars, credit managers, auditors and treasurers.

States already represented in the registration, in addition to Kentucky, include West Virginia, Oklahoma, South Carolina, Virginia, Tennessee, Louisiana, Ohio, Texas, Georgia, North Carolina, and Florida.

J. H. Dewberry of the University System of Georgia, first vice president of the Southern Association of Colleges and University Business Officers, will deliver the keynote address July 27.

Principal consultants or the school will be Frank D. Peterson, UK controller, and Dr. C. C. Carpenter, dean of the UK College of Commerce. Both will also serve as lecturers.

Other lecturers for the institute will include University instructors Robert Dee Haun, Elgan B. Farris, Wendell E. Beals and Frank G. Coolsen.

Several off-campus instructors will also lecture to the group. They are R. W. Kettler, Purdue University; Charles W. Hayes, Emory University; Granville K. Thompson, United States Office of Education, and Kelly Thompson, Western State College.

Platonic love is like being invited down into the cellar for a bottle of ginger ale.

### In Memorium

We didn't know photographers were so important around a newspaper office until we started making up the first issue of the summer Kernel, tabloid size, without one.

For the past few semesters we have had the services of Miss Betty Baugh, Valley Station, as photographer, proofreader and general factotum around the Kernel office. Since Betty never seemed to have any trouble getting pictures we didn't think it was too difficult. Little did we know!

All week the reporters-turned-photographers have been running around with a big press camera, snapping pictures right and left. Alas! Few turned out. It seemed so simple when Betty did it.

All we can say is, "we wish we had our photographer back."

### Journalism Student Named Co-Editor Of Grayson Paper

Jim Phillips, sophomore in the School of Journalism, has been named co-editor of his home town paper, The Journal-Enquirer, Grayson, for the summer. The announcement was made in the June 11 edition of The Journal-Enquirer.

"What did you operate on this guy for?"  
"\$800."  
"No, I mean what did he have?"  
"\$800."

### Ingrid's Husband's Movie 'Open City' To Show Tuesday

"Open City," an Italian movie with English sub-titles, will be shown at 7:45 p.m. CST Tuesday in the Memorial Hall Amphitheater.

Produced by Director Rossellini, the picture tells the personal story of the people of Italy during the Nazi occupation, with a leader of the resistance as the central character and a Catholic priest as his immediate aide.

Anna Magnani and Aldo Fabrizi are the stars of the film.

The movie, one of a series sponsored by the University through the Department of University Extension, will be free of charge. In case of rain it will be shown inside Memorial Hall.

Stone age lover's motto—I came, I saw, I conked her.

### Professors' Sons Are Polio Victims

Two sons of UK professors have been hospitalized with polio. The two boys were stricken with the disease earlier this month and are now in the isolation ward at St. Joseph Hospital.

They are Charles Richard Eckel, 9, son of Prof. Charles Eckel of the College of Education; and, Arthur Roger Cooke, 13, son of Prof. Arthur L. Cooke, who teaches in the English Department.

Shots of the blood fraction, gamma globulin, brought from Louisville by the National Foundation for Infantile Paralysis, were given to members of the boys' families.

There was an old man from Lenore Whose mouth was as wide as a door. While attempting to grin, He slipped and fell in, And lay inside-out on the floor.

would continue as professor of law there.

A native of Valley, Neb., Dean Evans was a graduate of the University of Nebraska where he received both A.B. and M.A. degrees. He was awarded his Ph.D. degree from the University of Michigan in 1908 and the J.D. degree from there in 1912.

Before coming to Lexington, Dean Evans served as professor of Latin at Eureka College and the University of Washington; professor of law at the University of Idaho, George Washington Law School, University of Texas, University of Cincinnati and the University of Michigan.

Dean Evans served as a member of the committee on property of the American Bar Association and as chairman of the committee on education of the Kentucky Bar Association. He also was a member of the American Law Institute.

He contributed many articles to law journals and reviews of various states and had compiled a casebook on community property.

In 1945, Dean Evans was appointed an honorary member of the Peruvian Institute of Law and Procedure in consideration of his "outstanding excellent qualities as professor in the University of Kentucky."

Survivors include his wife, Mrs. Jean King Evans, now of St. Louis; one son, Palmer Evans, Drexel Hill, Pa.; one daughter, Miss Patricia Evans, Washington, D. C., and three grandsons.

Among other organizations, Dean Evans was active in Phi Mu Sigma, Delta Theta Phi, Masonic Lodge, Rotary Club, Kentucky Research Club, and the Kentucky Academy of Social Science.

## Intra-Mural Sports Registration Begins

All teams interested in playing softball this summer must sign up by Monday June 29. Those teams wishing to play should see Mr. McCubbin in the Alumni Gymnasium Office.

No more fees will be charged, said Mr. McCubbin, and equipment will be furnished.
