Dear Carolyn:

I find I have kept that Hernandez book of poems beyond the end of the year. As I don't suppose too many people are wanting it, can I still hold on to it for a few months? I still have some translations I want to do. I think everything else that should be back is back now. Please let me know if not.

Could I please have (some of) the following at least for a short time (If they are badly needed please let me know and I will get them back fast.

I haven't heard from you or Victor: I hope Victor is all right. But I told you that I would not be free in the middle of January: now I have learned that the annual retreat will not be at that time, so all the Saturdays in January are free. I only hope Victor is well enough to come. Just let me know in time which day, and then come without further confirmation (I will try to confirm it).

Best wishes to you both, as ever,

*Tom.*
