OFFICE OF THE SECRETARY

HANOVER, MICHIGAN, April, 10, 1918. 191

Mrs. Marjorie Campbell,

Chicago, Ill.

Dear Friend.

I have delayed answering your letter, for the reason that Miss Coon had not given us an answer as wheather she would stay or not. We had a board meeting last evening and the board are all in general accord, as to giving you the Position. They would like to know if you would take the job of Superintendant, we find it is going to be most out of the question to get a good Man for the job, the Board are of the opinion that you could hold the job down, and make good. We are willing to give you one or the other of the positions. Let us hear from you at once, Give us your price.

Yours Very Trulr,

G. P. Ryon, Hanover, Mich.

Mrs. Ryon send love.
