*Credits - Chanuko Party*

Thanks to Barney and Harry Miller for the P.A. System on the occasion of the Chanuko Party.

Special thanks to Mrs. I. J. Miller and Mrs. Louis Ades, Co-Chairmen of the most successful party and to Mrs. Herschel Weil, Religious School Chairman. Also a word of appreciation to Mrs. Ed Wides, Mrs. David Munich, Mrs. Sherman Miller, Mrs. Sam Chatoff, Mrs. Maurice Hymson, Stanley Levy, Alan Bloomfield and the many others who helped make it the pleasant occasion that it was.

The Chanuko Party was enjoyed by the children of our school and thirty guests from the Second Presbyterian Church. For our visitors it was a new experience and helped them understand better some of the material they are now studying in their Religious School with regard to the Jews. The following are two of the letters of appreciation which have been received.

January 2, 1949

Dear Rabbi Ballon,

A week ago today through the hospitality of you and your Congregation the children of the Second Presbyterian Church as well as some of their parents and teachers spent a most enjoyable afternoon. We know that much thought and time were given to show us such a pleasant visit in your Temple. Words are so inadequate to express our feelings, but as superintendent of the Primary Department of our Church, may I extend my appreciation to you. Perhaps some day in some way we can return this kindness to your children and parents and to you, too.

Sincerely,

*Helen Louise Trapp*

Rabbi Ballon is giving a series of three lectures on the Principles of Judaism at the weekly luncheon meetings of the Pitkin Club which meets at the Maxwell Street Presbyterian Church.

December 27, 1943

Dear Rabbi Ballon:

Thank you so much for the wonderful day yesterday in which you entertained the children of our Primary Department.

I know our children will never forget the the actual experience of seeing the Feast of Lights and the demonstration of all the joyful activities that accompany its celebration.

For the past quarter we have been studying customs, etc. of Bible times and we teachers certainly appreciate anything that helps to portray things more vividly for the children. I am the teacher of the third year class in our Primary Department.

I know Miss Trapp, the superintendent of our Department has already expressed our thanks, but since you did so much more for our children than we expected we do feel humbly grateful and I personally wish to add my word of thanks and appreciation.

Most sincerely yours,

*Lola M. Stille*

Rabbi Lipman told a fascinating story of his experiences with the Jewish underground in Europe. He was accompanied by his wife, who also shared in those experiences. Mrs. Sig Bing, Mrs. Ferdinand Weil and Mrs. Edith Weil were the Sisterhood representatives who served a delicious supper.

Arrangements for Hillel Suppers this season have been handled in excellent manner under the General Chairmanship of Mrs. Edith Weil.

The American Jewish Archives, maintained at the Hebrew Union College in Cincinnati, has just returned the Minute Book containing minutes of the Congregation from 1903 to 1909. This book which has been preserved by Mr. I. J. The American Jewish Archives would be happy to receive similarly any other book, letters, or documents dated prior to 1910 which may be in the possession of Lexingtonians and which may be of value to students of American Jewish History. If you have such on hand, please communicate with the Rabbi.

Subject:

*"The Worth of a Man"*

In keeping with the spirit of National Brotherhood Week we shall have as guest speaker the Reverend T. B. Cowan, minister of Everybody's Church, Lexington.

Rev. Cowan has been active in a number of liberal movements and has had "Rabbinical" experience in helping the Jewish Congregation at Oak Ridge, Tennessee during the war.

THE SISTERHOOD WILL HOLD A RECEPTION FOLLOWING SERVICES.

*Rabbi and Mrs. Ballon extend their deep appreciation and thanks to the Temple Board and entire Congregation for the beautiful gift of a Silver Tea Service with which they were surprised at the Annual Congregational Dinner.*

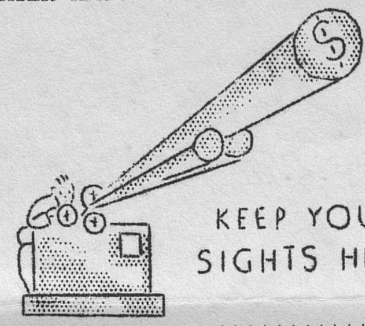

ANNUAL MEETING AND DINNER

The Annual Meeting and Dinner of the Congregation was a huge success. Mrs. Sam Milner and Mrs. Bon Cohen provided an unusually fine dinner.

Dr. Sherman Miller was elected President of the Congregation to succeed Joe Wile. Maurice Hymson was elected Vice-president, Ben Goldfarb, Treasurer and Kenneth Hart, Secretary.

New Board Members elected for a three year term are Ben Goldfarb, David Weil, Herschel Weil and Dr. Irving Kanner.

Rabbi Ballon spoke of the future needs of the Congregation and called attention to the appeal of the Union of American Hebrew Congregations for special assistance this year. The plan decided upon by the Board to respond to this appeal is as follows. Each member on his regular bill for Temple dues will find an additional item in the amount of 10% of his dues listed as a voluntary payment for the Union. Each member may decide for himself whether or not to make this suggested contribution to the Union, but it is hoped that after reviewing the benefits gained from the Union as listed in the enclosed circular, that this VOLUNTARY contribution will be made. 10% of dues is a suggested minimum. **GREATER AMOUNTS WILL ALSO BE APPRECIATED!**

## ADATH ISRAEL TAKES A STEP FORWARD!

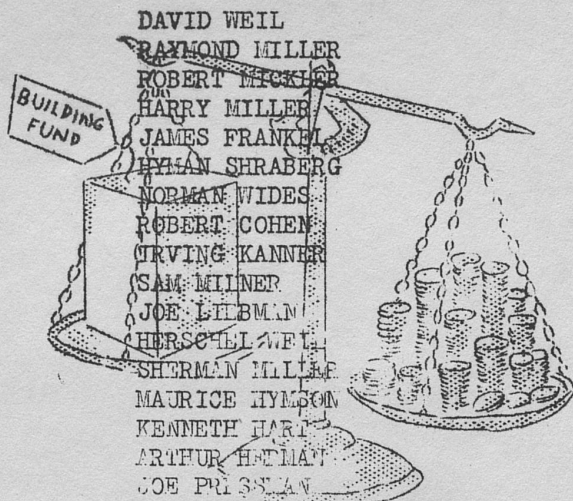

The Congregation may congratulate itself on finally taking some action with regard to the needed expansion of the Religious School facilities. The purchase of the house next door on the north side of the Temple is a step in the right direction

For the time being the need for extra class rooms will be filled by using this house. In the near future it is hoped that building costs will permit us to take advantage of the newly acquired land to build an extension to the Temple with new and modern religious school facilities.

In order to finance this purchase and to provide for necessary redecoration a CAMPAIGN FOR \$18,000 has been launched within the Congregation. It is hoped that we shall be able to pay in full for the house with the proceeds of this campaign and to keep any reserve the Temple now has on hand for the future building program.

The Solicitation Committee is headed by HAROLD BAKER and DAVID BOLOTIN as co-chairmen.

Other members of the committee are:-

The entire Congregation will be canvassed

As this Bulletin goes to press, early returns indicate a SUCCESSFUL CAMPAIGN!!

## TEMPLE LIBRARY

The Temple Library is being used more and more by the children of the Religious School and it is hoped that parents will encourage their children to supplement in this manner their formal religious education.

Many new books have been added which offer entertainment, inspiration and knowledge.

The following books are recent acquisitions:-

Broken Lights  
Jolly Jingles  
The Children of Emek  
Beautiful Garden  
Habibi and YCW  
One God  
Jewish-Puzzles  
Hayim Solomon

Miss Irene Herman is Librarian

Contributions for further books will be gratefully received.

The recordings "Israel Sings" to be used at Services this Friday night have also been purchased for the Library. Their cost is \$15.00. They are as yet unpaid for and the suggestion is made that the recordings would make a beautiful gift for someone to offer the Library either in memory of a loved one or in honor of a special occasion.

The Hillel Society of the University of Kentucky and Transylvania College enjoyed a Social on Sunday Evening, February 20.

Supper was served by the Sisterhood Committee of Mrs. AL WEISS and Mrs. I. A. PARITZ. Thanks also to Mr. AL WEISS who lent a helping hand.

## BNAI BRITH

The Lexington Bnai Brith has created for use at Transylvania College a scholarship of \$200 to be awarded annually to a Junior student and made available to him upon enrollment for his senior year at the College. The recipient is to be selected by the scholarship committee of the faculty from among students who are to enter the Christian ministry, who possess "a sensitivity to the social aspects of the Christian gospel, with a demonstrated interest in advancing the Brotherhood of Man", and who have an average of B or better for the Junior year.

Dr. Irving Gail, Monroe Moosnick and Rabbi Ballou participated in the exercises during which the

scholarship was presented on Wednesday, February 23.

The Congregation may also be interested in knowing that Dr. McLain, president of Transylvania College will speak in Temple at our Mothers' Day Service on Friday Evening, May 3.

## UNION-HUC-JIR

Fund raising efforts are now under way throughout the country on behalf of the campaign of the Union of American Hebrew Congregations and the Hebrew Union College-Jewish Institute of Religion for \$1,829,000.

Many congregations, it is reported, have adopted the plan being used here in our own Congregation for a voluntary assessment of 10% of congregational dues to be used for this purpose.

NEW RELIGIOUS SCHOOL  
BUILDING

The Congregation expects to take official possession, this week, of the house next door, which is to be used for our Religious School Building. The Religious School Committee, under the leadership of Mrs. Matthew Barrett is making plans for redecoration. The Fund-Raising Committee, Mr. Harold Baker and Mr. David Bolotin, has already received pledges for approximately \$11,000. Its goal is \$18,000 and EVERYONE in the Congregation is urged to do his full share in helping the Committee reach this goal. Many members have responded generously. Many others however, have not yet come forward to assume their full responsibility. We hope there will be no further delay in helping the Fund-Raising Committee wind up its Campaign. Those who make pledges are urged to contribute as much as possible in immediate cash, in order that the procedure of taking over the property will be facilitated.

Be sure to come

## Stephen Wise

American Jewry last week lost the man who had been for many years its outstanding and most energetic leader.

A significant thought suggests itself on his passing.

So many American Jews overdo their concern about the good will of their neighbors. They constantly fear what their neighbors may think or say about them, and because of this they want the American Jew to be ever so careful in his pronouncements and his actions.

Stephen Wise was fearless.

He spoke out on all religious and political issues with a prophetic voice.

He turned down a pulpit which would have restricted his freedom of speech and stifled his liberalism. He battled valiantly for a Jewish Palestine.

Yet, he was the American Jew most respected by the Gentile community.

He was the American Jew best known to all, loved by many, and highly regarded even by those who disagreed with him.

This aspect of Stephen Wise's life points a significant moral to Jews who are fearful.

## Omission

Under Congratulations on events of the summer in the last issue of Temple News, we failed to mention Mr. and Mrs. Milton Baer on the marriage of their son Tom to Bonnie Glickman. Our most sincere congratulations and best wishes.

ROSH HASHANA  
YOM KIPPUR

Last year WLEX broadcast our High Holyday Services direct from the Temple. This year, the Rabbi has arranged for two studio broadcasts in connection with Rosh Hashana and Yom Kippur.

TUNE IN ON WLEX THURSDAY NITE, SEPTEMBER 22 at 7 P. M. for a Rosh Hashana Program and SUNDAY NITE OCTOBER 2 at 5 P. M. for a Yom Kippur Program.

## Special Children's Service

A special Children's Service will be conducted on Rosh Hashana Morning at 10 A. M. in the Vestry of the Temple by Mr. Ivan Goldfarb.

Children will be finished at 11 A. M. and arrangements will be made to take them home immediately if desired.

Those who wish to may wait in the Vestry for their parents.

## Memorial Service

All names submitted last year for the Memorial Service on Yom Kippur will again be mentioned. Any additional names should be submitted to the Rabbi before Yom Kippur.

## Rabbi Rauch

Rabbi Joseph Rauch of Louisville spoke to a capacity audience of members of both Congregations last Friday evening in the vestry of the Temple, on his impressions of Israel formed during his recent trip.

He spoke of the magnificent progress being made by the new nation and of the task it faces in absorbing the thousands of refugees who have come there.

He emphasized the continuing responsibility of American Jewry in helping with that problem which is endangering the existence of Israel.

"American Jews", said Dr. Rauch, "cannot stand aloof from this problem. We either take our stand now with our people, or we give aid and comfort to the Arabs, who wish their downfall."

The audience was genuinely moved by his remarks and we are indebted to Rabbi Rauch for coming to us.

Mr. Edward Greenfield was announced as the local Chairman of the UJA Campaign about to take place.

## Religious School ~

Four year old children are now being accepted in the Religious School. To be eligible a child must be four by December 31, 1949. If you have a four year old, enroll him at our next session, Sunday morning October 2 at 10 A. M.

Religious School registration fee this year has been set at \$5.00 for all children with a \$10.00 maximum for any one family.

All of this money is used for the purchase of materials and books which the children use during the year.

A new program has been introduced into the primary department and a much freer use of arts and crafts materials is contemplated.

Room libraries consisting of story and reference books for the children are being established and a number of teacher's aids are also being purchased.

Fifty-six (56) children were registered as of last Sunday, probably the largest registration in the Congregation's history.

Our vestry is bulging with its eight classes and library.

The number of children, the excellent faculty, and the construction of our new Religious School Building should make this a most interesting and successful school year.

## New Staff

The faculty of the Religious School this year consists of the following:

Mrs. H. V. Levy, Kindergarten

## Religious School Notes

The Religious School enrollment is now 63.

The teachers of the Primary Grades met on Monday evening, October 17 with Rabbi and Mrs. Ballon and Mrs. Sherman Miller to discuss the work of these grades.

The Confirmation Class consisting of Leslie Aberson, Jackie Miller and Jonas Weil will begin its week day sessions with Rabbi Ballon on Thursday, October 20 at 4 p. m.

The children of the school were all asked to bring an extra amount last Sunday for a special UJA collection. This amount was not to be given then by their parents but rather to be earned or taken out of their regular allowance. Those children who did not thus contribute last Sunday may do so this week.

Louis Strauss entered our Nursery Class and was added to our list of consecrants at our Simchas Torah Service.

The children's services over the Sukos holiday were most successful. Over 50 children attended the service on Sukos Morning, Saturday, October 15, 1949: recited benedictions over the esrog and lulav and were served fruit by the Sisterhood.

On Friday evening, October 14, almost the same number participated in the Simchas Torah Hakafos. The children of the Nursery and Kindergarten grades were consecrated. The Sisterhood again obliged with refreshments.

Due to the success of these services, the Rabbi will inaugurate a special children's service for Sabbath mornings. These services will begin on Saturday, November 5 at 9 a. m. and will be held every other week.

## Study Group

The Rabbi's Study Group which was started last year and then postponed will begin a series of six sessions on successive Monday nights at 7:30 p. m. beginning on November 7.

The subject to be discussed will be "The Source Books of Judaism" and will deal with an analysis of what they are and how they came to be.

EVERYONE IS INVITED!!

Rabbi Ballon will address the Second Presbyterian Church Forum on Sunday, October 23.

On Wednesday morning October 26 he will speak at the chapel exercises of Kentucky Wesleyan College, Winchester.

The Hebrew Union College opened its Diamond Jubilee Year with services Saturday afternoon October 15.

Rabbi Ballon pronounced the benediction at the end of the service.

Rabbi Morris Lieberman of Baltimore was the speaker.

Rabbi Ballon was accompanied to Cincinnati by Mrs. Sidney Ballon, Mrs. Israel Ballon, Mr. and Mrs. James Frankel, who represented the Congregation, and Mrs. Hugo Bloomfield who represented the Sisterhood. This service was the first to be held since the redecoration of the College Chapel was complete.

Those present were impressed by its beauty and by the modern artistic motif that was used.

The Rabbi hopes that someone will soon be moved to employ the same artist to add beauty to our own Temple.

MONDAY EVENING, NOVEMBER 7 at 7:30 P. M.

held dealing with the subject:

"THE SOURCE BOOKS OF JUDAISM"

Everybody is welcome.

exception to the normal procedure of the  
Study Group.

On that evening, we will take advantage  
of the opportunity to have with us Rabbi  
Louis Egelson of Cincinnati, who will  
conduct a seminar on the History, Develop-  
ment and Nature of Reform Judaism.

The seminar will last from 7:30 to 10:30  
P. M.

the Religious School Faculty, but we are  
combining it with the Study Group and  
invite everyone whether members of the  
Faculty and Study Group or not.

## Attention-Parents!

If you want your children to be interest-  
ed in Temple worship and to be familiar  
with the procedures of Jewish worship,  
you must train them while young and teach  
them while young to recognize the import-  
ance and value of the Temple Service.

We have been negligent in this Congrega-  
tion with regard to such training.

THEREFORE...A SABBATH MORNING SERVICE  
FOR CHILDREN is being inaugurated this  
week.

Send your children...or better still,  
COME WITH YOUR CHILDREN on the Sabbath  
morning and inculcate in them and in  
yourselves a respect for the Sabbath and  
its service.

THANKSGIVING

Our Thanksgiving Service last Friday night was a most beautiful occasion, Rabbi Herbert Waller of Louisville preached an inspiring sermon. Linda Kanner, Barbara Levy, Bobby Miller, and Stuart Goldfarb assisted most competently with the special Thanksgiving ritual. Rabbi and Mrs. Waller were greeted by the Congregation at a Sisterhood reception in charge of Mrs. Ben Roos.

We had a fine attendance, but the Rabbi still wonders at the lack of Congregational loyalty and sense of responsibility that keeps some people away when the Congregation has a guest in its midst.

CLERGY INSTITUTE

The institute on Judaism for the Clergy held in the Temple on December 5 was quite a success judging from comments and letters of those attended. 78 Clergymen of all denominations and from 16 cities and towns in this area attended lectures by Dr. Jacob Marcus of the Hebrew Union College on the social, political and religious background of the time of Jesus. Our deep appreciation goes to the Sisterhood luncheon committee of which Mrs. Hyman Shraberg was chairman, who prepared and served lunch for all those who participated in the Institute, and our appreciation also to all who assisted in the arrangements for the Institute under the chairmanship of Mrs. Hugo Bloomfield.

DINNER MEETING

Dr. Marcus also addressed a dinner meeting of the Board and other members of the Congregation in the evening concerning the Hebrew Union College and the Union of American Hebrew Congregation. He delighted those present with his comments and gave all a better appreciation of the work of those two organizations. A number of contributions from \$50.00 to \$500.00 were received for the combined campaign of the Union and the College.

## Chanuko Service

Baruch atto adonoy elohainu melech ha-olom asher kidshanu b'mitzvosov v'tsivanu l'hadlik ner shel chanuko.

Praised be Thou, O Lord our God, Ruler of the world, who hast sanctified us by Thy commandments, and bidden us kindle the Chanuko lights.

Baruch atto adonoy elohainu melech ha-olom she-oso nisim la-avosainu ba-yamim ha-haym ba-z'man hazeh.

Praised be Thou, O lord our God, Ruler of the world, who didst wondrous things for our fathers, in days of old, at this season .

(On first night only, add:-)

Baruch atto adonoy elohainu melech ha-olom she-he-che-yanu v'kimanu v'higiyanu lazman hazeh.

Praised be Thou, O lord our God, Ruler of the world, who hast granted us life, sustained us, and permitted us to celebrate this joyous festival.

(Light candles and sing Rock of Ages)

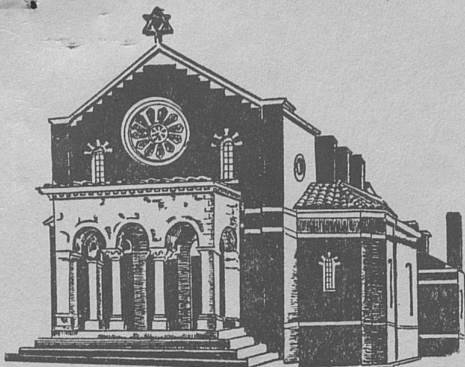

Rock of Ages, let our song  
Praise Thy saving power  
Thou, amidst the raging foes,  
Wast our shelt'ring tower.  
Furious they assailed us,  
But Thine arm availed us,  
And Thy word--broke their sword  
When our own strength failed us.

Kindling now the holy lamps,  
Priests approved in suffering,  
Purified the nation's shrine,  
Brought to God their offering.  
And His courts surrounding  
Hear, in joy abounding,  
Happy throngs, Singing songs  
With a mighty sounding.

Children of the martyr-race  
Whether free or fettered,  
Wake the echoes of the songs  
Where ye may be scattered.  
Yours the message cheering  
That the time is nearing  
Which will see All men free  
Tyrants disappearing.

## Temple Expansion ~

When the last issue of the Temple News went out at the end of May, the Temple had purchased the house and lot next door with the intention of using the house immediately as a Religious School Building, and of building an addition to the Temple on the lot some time in the future.

Much has happened since then and the Temple may now pride itself on the fact that a full-fledged building program is NOW in progress and has not been put off for the indefinite future.

The conscience of the Congregation realized that even if classes were held in the house, our Religious School facilities would be inadequate.

It was, therefore, decided at a special Congregational meeting in June that we should build immediately, if possible with in a certain budgetary limitation.

The Temple Board pursued the matter further and arrangements are now being made for the construction of a new wing to house the Religious School. The kitchen facilities and the vestry will also be enlarged, since space in the vestry will no longer be needed for classrooms and offices. The house has been rented.

We regret that we must begin Religious School this year again with cramped facilities, but we look forward to great improvements when the new wing is completed. The Congregation owes its appreciation to those who conceived the plan and were active in bringing about its adoption.

### RABBI BALLON --

Rabbi Ballon spent the week of August 28 on the campus of Wittenberg College in Springfield, Ohio.

His visit was under the auspices of the Jewish Chautauqua Society and was for the purpose of conducting classes at the Wittenberg High School Youth Conference of the First Congregational Church.

On August 18, Rabbi Ballon spoke to the Rotary Club of Carlisle, Kentucky.

### DR. JACOB MARCUS TO CONDUCT INSTITUTE

Dr. Jacob Marcus, President of the Central Conference of American Rabbis and History Professor at the Hebrew Union College will conduct an Institute for Ministers in the Temple under the auspices of the Congregation and the Union of American Hebrew Congregations on December 5.

We offer our sincere sympathy to the family of Mr. Joseph Rosenberg. May the memory of the righteous be for a blessing.

## Greetings

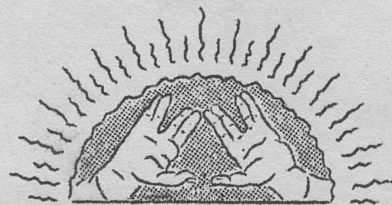

With this issue THE TEMPLE NEWS resumes publication and will again come to you bi-weekly, as in the past. We are happy to greet the members of the Congregation and all others on our mailing list.

We hope you have had a restful summer and are now ready to join with vigor and enthusiasm in the activities of the coming year. This year will be an important one for Adath Israel, particularly because we hope to see within a few months, the completion of the Temple expansion program, which has been pending for so long.

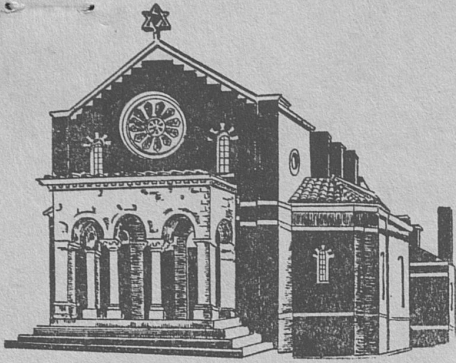

We shall also want to achieve new spiritual heights which will make this physical growth meaningful and worthwhile.

The cooperation of all members will be most essential. Let us all participate wholeheartedly in the tasks which are before us, and make ~~sure~~ the coming year will be a successful one. May it also be a good year for each of us personally and may God bless all with

## A Happy New Year

## S U G G E S T I O N

The Rabbi suggests that it is most appropriate to remember Temple needs when expressing sympathy in time of sorrow, when observing a yahrzeit, and when celebrating happy occasions, such as birthdays or anniversaries. Flowers soon wither and are gone, but a contribution to a worthy cause brings a lasting blessing and will be deeply appreciated by families or individuals concerned. Contributions may be made to the following:-

THE TEMPLE BUILDING FUND - - Used for the expansion program.

THE TEMPLE MEMORIAL FUND - - Used for emergency needs as they arise.

THE MAX BERMAN LIBRARY FUND - - For establishing library in new building.

THE RABBI'S FUND - - Used at the discretion of the Rabbi.

THE PRAYERBOOK FUND - -Used for purchase of new edition of High Holyday Prayerbook. About fifty more are needed. These may be suitably inscribed.

Contribution may also be made to the general funds of the Temple, the activities of the Sisterhood, or to the Religious School.

Your thoughtfulness in considering the Temple will foster Jewish life in Lexington.

ANOTHER TIME TO REMEMBER THE TEMPLE IS WHEN MAKING OUT A WILL!!

\*\*\*\*\*

## SISTERHOOD PURIM DANCE

On Saturday evening, March 4, the Sisterhood will hold a Purim dance for the purpose of raising the quotas assigned to it for the year. More details later. It is the hope of the Sisterhood that instead of sponsoring a number of small affairs through the remainder of the year it will be able through one gala event to raise the funds necessary for its projects. It is also hoped that this Purim event will become an annual Congregational affair.

YOUR HELP IS REQUESTED FOR IMPORTANT LEGISLATION

The following is summary of a letter received by our Sisterhood from Mrs. Barckley Story, Chrmn. of the Welfare Committee, of the Lexington Federation of Church Women. Please read this and then express your interest in proper aid to mental hospitals on enclosed blank card, which is already addressed, and mail immediately!

"When the legislature convenes in January, they will be asked for additional funds for the mental hospitals in Kentucky. At the last regular session a budget was presented calling for \$2.98 per day per patient. The legislature cut this to \$.98 per day per patient, with inevitable and devastating results. The hospitals were understaffed. Patients received little treatment. Necessary equipment and medication was lacking. Only \$.01 per day was available for medical treatment. If anyone needed penicillin, insulin, or streptomycin, or sulfa drugs, it was just too bad! FOOD was inadequate. Nutritional needs are disregarded. Eggs are rare, and fruit juices almost unheard of. Milk and butter are served only once a day. With such a diet, the tubercular record is abysmal. Instead of curing the mentally ill, we add to their troubles with physical illness!!

We must convince our legislators that we are interested in seeing this corrected. It is our solemn obligation to inform them that we cannot condone the present manner of treatment of our 7500 mentally ill, and we wholeheartedly approve the \$3.00 per day per patient budget which will be presented within a few weeks."

Write your protest on enclosed blank card and mail immediately!

\*\*\*\*\*

MESSAGE OF ISRAEL PROGRAM

Station WLAP carries the Message of Israel Radio Program at 10:00 A.M. each Sunday morning. They have received little comment from the listening audience and have asked whether the membership of our Congregation listens to this program. Please answer questions on enclosed card with regard to this program and mail immediately. Also, a word to the Station expressing your interest in the program will help keep it on the air in Lexington. This is a valuable public relations program, and a little effort on your part will help retain it for this area. Unless you express yourself, it may be discontinued.

\*\*\*\*\*

CONGRATULATIONS

The Congregation extends its hearty congratulations to Mr. and Mrs. Isadore Levy on the engagement of their son Raymond to Miss Dolores Shaikun.
