## LETTER OF APPRECIATION

Paul Willis received the following letter.

I want to express my sincere appreciation for the help of Susan Allen and Terry Birdwhistell in carrying out a project on the oral history of the Cooperative Extension Service of the College of Agriculture, University of Kentucky. My direct contact person has been Susan Allen. She has been encouraging, knowledgeable, pleasant, and always helpful. She provided tapes, counseled me on taping, and prepared the tapes for use in the libraries. Terry Birdwhistell, although less involved, was fully cooperative, always encouraging. He showed me through the archives.

The performance skills and attitudes of these two staff members certainly do much toward developing and maintaining a good image for the library as well as for the whole University of Kentucky.

I just wanted to say, thanks.

Sincerely,

Mike Duff  
UK College of Agriculture

## University Archivist Position

Charles Atcher has been granted disability retirement. Prior to filling the University Archivist position I would like to know if there are Library staff members interested in this position. Details about the requirements for the job are available from Bill Marshall. Expressions of interest should be directed to Bill Marshall or Paul Willis by August 23.

(Paul Willis)

## GPD/Maps

Both GPD and Maps will be closed for shelfreading August 12-13 and August 19-20. Maps will also be closed August 14-16 and August 21-23, but reference service to the Maps collection will be available through the GPD staff.

## \*\*LS/2000 BORROWER REGISTRATION\*\*

In preparation for bringing up our LS/2000 circulation system this fall, we would like to register all library staff as borrowers. Please fill out the attached form and return it to Gail Kennedy in King Circulation as soon as possible. (Note: Medical Center library staff should see Bernie Baldini.) As soon as our barcodes are received (by mid-August) you will be issued an I.D. card. If you need more registration forms, see Gail.

We are also anxious to convert our McBee files to the online system, so we are requesting that all library staff bring in (during the week of August 19) any books you now have checked out. If you wish to keep them we will check them out to you on the LS/2000 system. (This will also enable us to barcode these books.)

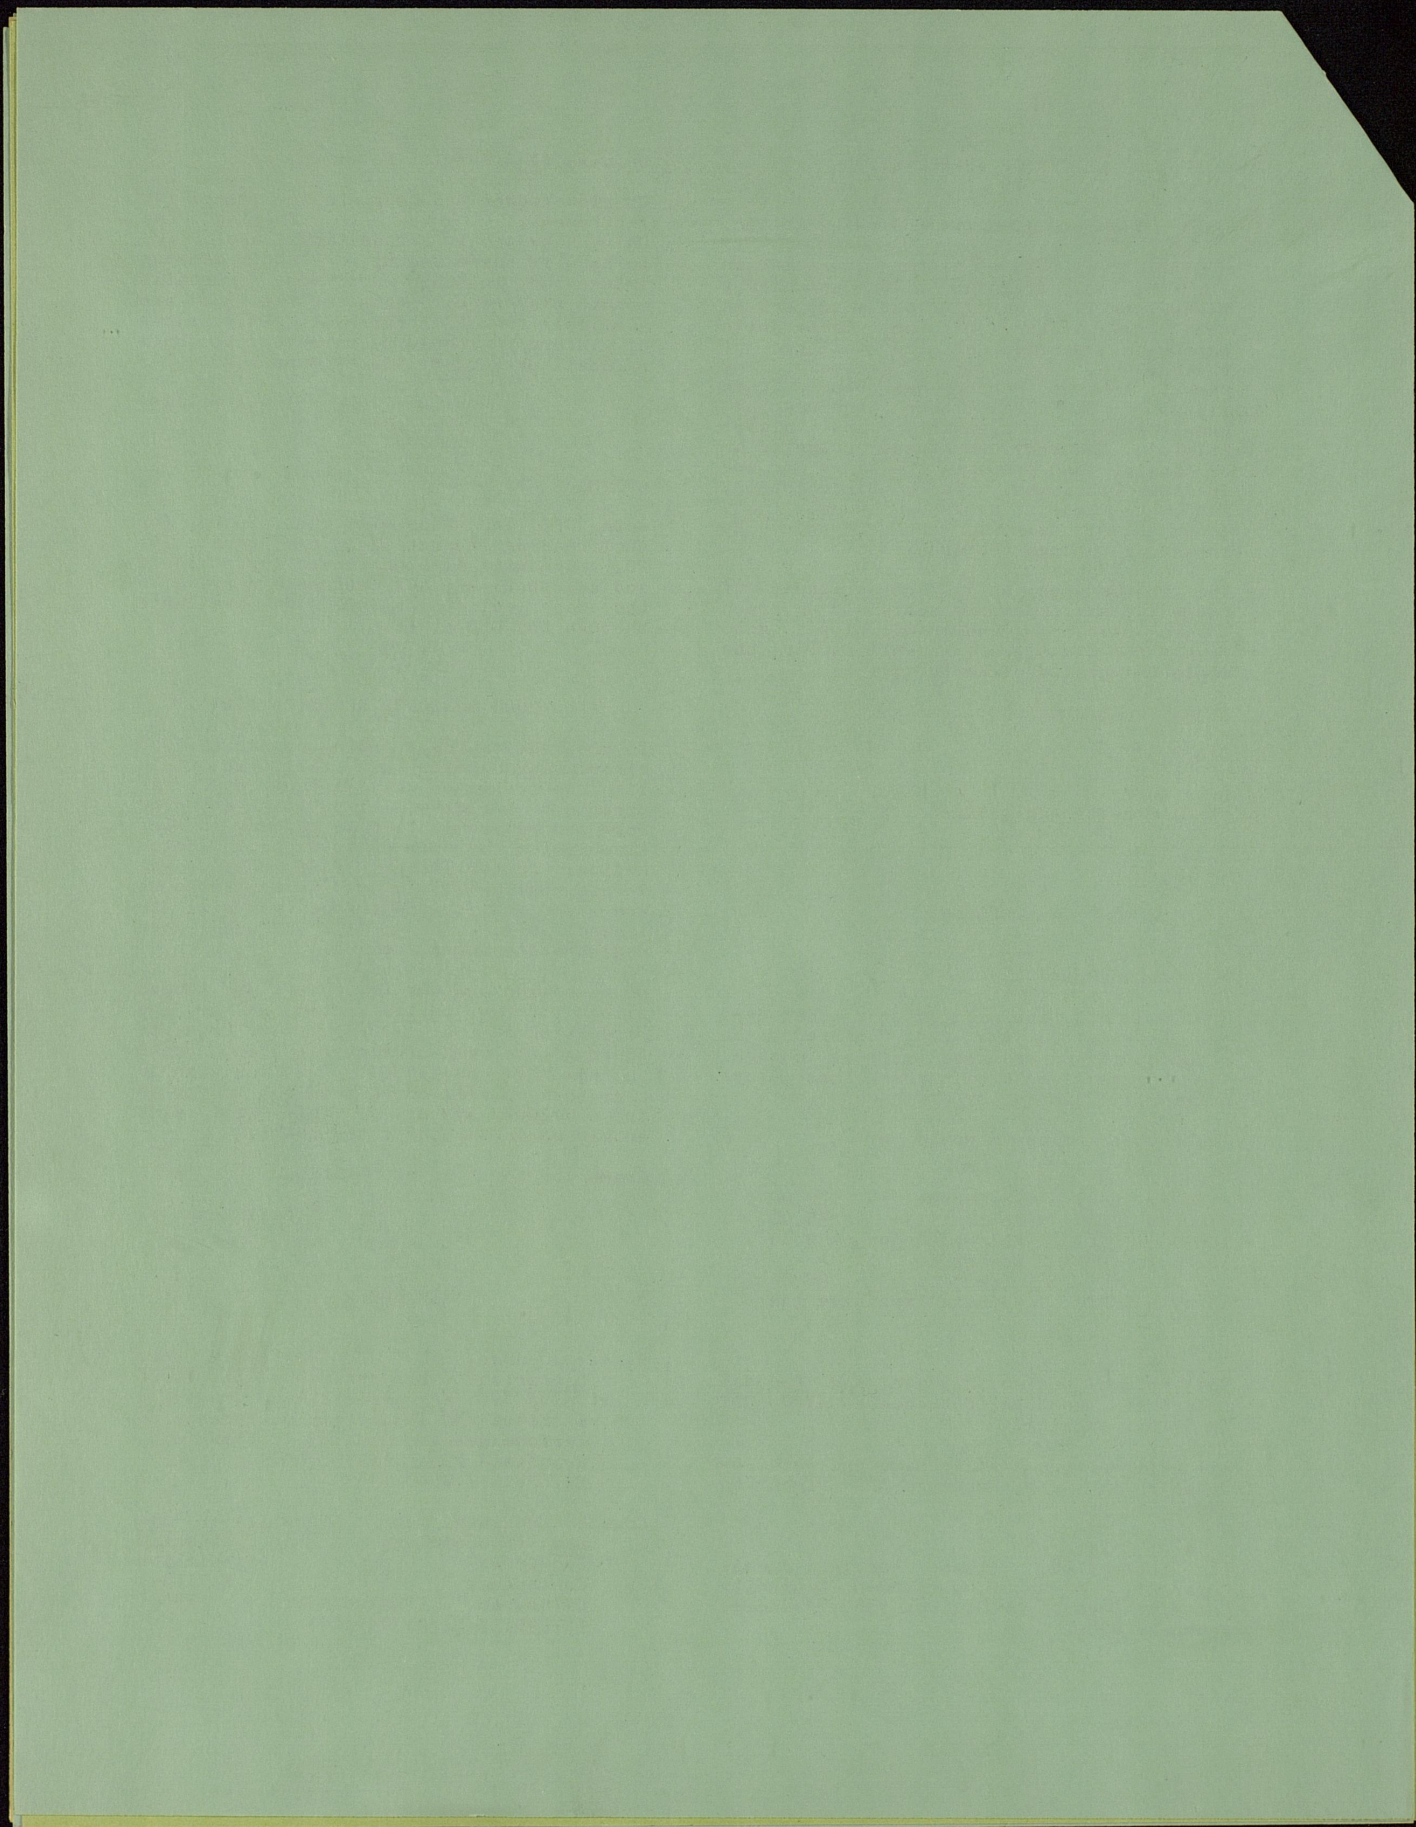

Thank you for your cooperation.

(Gail Kennedy)
