## Kentucky, Alabama Clash on Stoll Field Saturday for Conference Grid Supremacy

### "On to Georgia!" Slogan of Crimson Tide

### Championship Hopes of Two Elevens Involved

#### WADE PREPARES FOR PREVENTION OF 'CAT VICTORY

Southern Conference Title is Goal of Red Elephants of South  
**FIRST TEAM SHOWS STRENGTH AT VANDY**  
Followers Will Number 1,000 to Aid 75-Piece Band in Support of Team  
(Special to The Kernel)  
UNIVERSITY, Ala., Oct. 30—"On to Georgia!" is the battle cry of Alabama's Crimson Tide. Only Kentucky stands in the way of Coach Wallace Wade's Red Elephants in their mad dash for the Southern Conference title.

#### HUGE PEP RALLY TO BE TONIGHT

#### First Homecoming With Alabama Will Be Held in Blaze of Color

Colors of Blue and Crimson Will Flash in Gala City as Grads and Students Assemble for Brilliant Grid Spectacle Saturday; Fraternities, Sororities and Business Places to Be Decorated

By LAWRENCE HERRON  
The approach of Homecoming Day finds a gala Lexington greeting grads and undergrads of both Kentucky and Alabama in a kaleidoscopic reunion as the two schools meet again on bluegrass soil for the first time since 1922. King Color hoists away, fast year blue and yellow predominated, but today it is blue and crimson flashing from street and store window, from sign and sign. Frisky girls with 'Bama lips and Tucky eyes wear pennants from either school. Kentucky is holding her first homecoming with Alabama.

#### STUDENT BODY TO ASSEMBLE IN ROARING SPIRIT

New Yells and Old Whiskers to Feature Greatest Meeting of School Year  
**GOVERNOR SAMPSON IS ASKED TO BE PRESENT**

#### Paljamas, Night Gowns to Be in Vogue; But Oh! Formal Dress May Be in Style

By MORTON WALKER  
"Fifty thousand Frenchmen can't be wrong!"  
That the French have to do with what follows is of course hard to discover, but the fact that Kentucky's entire student body will meet tonight in the greatest pep rally in the history of the commonwealth does prove that three thousand Kentuckians can't be wrong. Other things to watch out for!

#### NEW MASCOT IS NOT CAPTURED

Efforts of Campus Organizations Fail to Secure New Wildcat for Homecoming Gridiron Contest  
For the first time in many years Kentucky's homecoming crowd will witness the Wildcats play without a mascot. Fussy is dead! And so are the other mascots. The Wildcats have been hunted for several weeks, but to no avail. The search for a new mascot has been unsuccessful.

#### Saturday's Game to Be Radiocast by Southern Net

MacNeil, Leach, Riley, King, Eaton, Graf and Sullivan to Share in Broadcast  
The University of Kentucky-Alabama football game will be carried to all parts of the South Saturday by the southern network of the National Broadcasting Company.

#### WADE VOW IS STILL IN FORCE

Alabama Coach Told Athletic Council in 1923 That Kentucky Would Never Beat One of His Tide Elevens  
By ED CONROY  
It is the year 1923. Seven men are in conference around the proverbial round table. Kentucky is without a coach and the Athletic Council must choose blue and white mentor.

#### The Captains

McLean stadium will present a spectacle for the day that is Kentucky's dream for the future—an enclosed bowl filled with people. Approximately 25,000 are expected. Temporary tiers of wooden bleachers await the multitude at the east and west ends of the field. The city's hope has long since been sold out.

#### Crimson Tide Holds Post of Favorite in Pre-Game Predictions; Visitors Have Impressive Record This Season

By VERNON D. BOOKS  
Kernel Sports Editor  
May the Gods of Gripe look down on Stoll Field Saturday afternoon and bear witness of the behavior of a championship Kentucky Wildcat football team in combat with one of the best noble state of Alabama has ever produced—and may the seven plagues take these noxious pests for a "ride" along the Avenue of Envy where they have been dwelling these many months.

Upon this game, and this game alone, hangs Kentucky's chance for an undefeated season, its chance for national recognition, its chance for revenge in a losing feud, and its last chance to remove Wallace Wade from a self-erected pedestal. It is the acid test.

Expect 25,000

14 'CATS ON AILING LIST  
Reports that the Wildcats will be in perfect physical condition for the Alabama game were dispelled by Trainer Frank Mann yesterday. Few of the injuries are serious, but at least 14 of the Kentucky players will not be at their best. The list released by Trainer Mann, a confirmed optimist, follows:  
Kelly, knee injury; Johnson, knee injury; T. Phelps, knee injury; J. Phelps, shoulder injury; Toth, shoulder injury; Spizer, infected leg; Yates, ankle injury; Wright, neck injury; Williams, ankle injury; Rose, ankle injury; Cavana, knee injury; Urbanek and Enee injury; Myers, knee injury; Kipping, back injury.

that the 122 points piled up by the Crimson Tide in the games look better than the 174 acquired by Kentucky in four, because Alabama has the snags of Tennessee and Vanderbilt, ordinarily two of the strongest teams in the country, nailed to the wall. But we can truthfully say that Kentucky has not been extended to win any of its four one-sided victories.  
The only comparison that may be made between the two teams is the results of their games with Sewanee. Kentucky beat the mountain boys (Continued on page 10)

#### Alumni Return to Lexington for Game

Entertainment Features Are Being Planned for Former University Students  
Alumni from all sections of the country today and Saturday will be performing in the stadium for the homecoming game between the Wildcats and Alabama.

#### Army Not to March to Game Saturday

The university R. O. T. C. will not march to the homecoming game Saturday, according to an announcement yesterday from the military department. Discontinuation of marching for the Alabama game was requested by the athletic department to expedite handling of the record-breaking crowd expected to attend the tilt. It was pointed out that, with the bleachers at each end of Stoll field, it would be practically impossible for the R. O. T. C. to have ingress to the field without causing much confusion and inconvenience to civilians.

#### PLEASE, MR. GAMAGE

Students have requested The Kernel to ask that the football players be allowed to continue their chorale efforts until the end of the homecoming game Saturday night if Kentucky wins from Alabama, instead of being required to leave at the intermission performance. So, we say, "Please, Mr. Gamage!"

#### CABINET ELECTS OFFICERS

Tuesday night at its weekly meeting the freshman cabinet of the R. O. C. A. cabinet held its annual election of officers. John Carter, hardy, a body in Alpha Delta; Cameron Coffman, Lewisburg, West Virginia, a pledge to Delta Tau Delta, was elected vice-president; and William Acosta, Lexington, KY, was chosen as secretary-treasurer. An invitation was extended to all freshmen who wish to attend or become permanent members.

#### Approximately 1,000 'Bamans to See Tilt

Temporary Bleachers to Be Secured from Georgetown, Wesleyan, if Needed  
Approximately 1,000 followers of the Alabama Crimson Tide are expected to be on hand to support their team Saturday afternoon when the opening whistle is sounded for Kentucky's major conference engagement of the year.

#### New Formations to Be Given by Band

The blue legion that is the university band, composed of 80 pieces directed by Elmer Sawyer, has been practicing for two weeks on formations for the Saturday-Alabama game Saturday. The Best Band in Dixie announces that it will perform first in the stadium on Stoll field that homecoming crowds have never seen in McLean stadium, if you are being kept out, but a reporter who peeped through the fence Wednesday says they are unique. These unusual formations have been prepared and will give Alabama's crimson and white group of horn tooters, which will be on hand to support the Wade...

#### Fair Weather Predicted for Saturday's Game

Fair weather for the Kentucky-Alabama home coming game Saturday afternoon was forecast yesterday afternoon by the United States weather bureau in Lexington. A noticeable drop in temperature is due today and tonight, with the thermometers standing near the frost line Saturday.

**WHO WILL MAKE ALABAMA FLAT?**  
Kentucky, inasmuch as the far South is concerned, is an unknown quantity just now. The Atlanta sports writers are taking no chances on their reputations for knowing what's going on in the Southern Conference. Already they are hatching allibis to be presented if Kentucky defeats the Crimson Tide.

"If Alabama continues the devastating march and defeats Kentucky next Saturday, Wade's eleven will have accomplished one of the finest feats in southern football history, by eliminating three great teams in succession as Tennessee, Vanderbilt and the Wildcats.

"The Tide will have to be about 30 per cent better than Kentucky to win. The Wildcats have had nothing to worry about since the season started. They have been knocking over the soft babies and priming themselves for this one game. They will be at a perfect physical and mental peak. The Crimson Tide, after reaching a great peak for Tennessee and Vanderbilt in succession, will have the hardest battle of all this week in the effort to prevent fatness.

"But if Alabama can reach anything like the form of the Vandy game, Kentucky will go the way of the rest of the flesh that has met the Red Elephants of Tusculooa.

"There is only one team in the fair southland that has a chance to beat Alabama at top form, and that one is Georgia. Georgia has considerably more weapons than Vanderbilt. The Bulldogs have a greater backfield by long odds, and therefore a better running attack. The passing is equally as good and Downes is a smatter field general than Parker. Georgia's defense should be equally as good as the Commodores."

And taking up the cry of "On to Georgia!" Blake pats himself on the back and says:

"Therefore, dear friends, we should advise you to attend that Thanksgiving game in Birmingham if you want to see a football game that has been especially arranged by the gods of the game."

"If Tennessee, with its team crippled by injuries, its two all-southern ends out and its all-American McEver out, is considered one of the hard teams; and Vanderbilt with its sophomore outfit is considered hard, Alabama had better get ready to take a dose of something rather bitter.

"Monk" Campbell, Alabama's spinning quarterback, comes from an athletic family. He has two brothers in professional boxing who have yet to meet defeat.

The whisker growing crazed, started by Kentucky and followed by Tennessee this year, may bring back fond memories of the olden days when students wore chin whiskers if Kentucky beats Alabama. At least five of the present whiskerites have agreed to continue cultivating their chins until the Tennessee game at Knoxville, Thanksgiving, if Kentucky wins Saturday. They are James Boyd, Doc Ray, Leland Maschmeyer, Sam Baldrich and Bill Husk. May their beards reach their knees.

The week that is just dragging past has been the longest in the history of the University of Kentucky. The Alabama-Kentucky game already has been played several million times and the clock seems to run backwards. The campus, the million times, the street corners, business houses, the dinner table, and broken dreams have been one continuous clash with the Crimson Tide. Everyone has figured out how the game will go.

**Will Shipwreck Make It?**  
"Shipwreck" Kelly will have the odds against him Saturday. Wade will give special instructions to his line and second defense to cover every move of the Kentucky sprinter. The Tide will be more than peeved if Kelly continues his long distance antics in spite of their highly touted line, and they will be crawling over each other in an attempt to stop him, even as Kentucky stopped Tennessee's all-American McEver last Thanksgiving.

And now comes word that Grantland Rice will send an assistant to Lexington to see Shipwreck in action to ascertain whether or not he is all-American timber. When Alabama gets wind of this they will be more than anxious to slow down the Hurricane. Several long runs by Kelly would dampen the hopes of Sington, 'Bama's candidate for all-American tackle.

Rice received his information on Kelly from Willis Stewart, a schoolmate at Vanderbilt, and a former coach at Transylvania. Mr. Stewart wrote Rice that Kelly, in his opinion, was one of the greatest halfbacks in the country, and a representative of Rice's all-American staff will be on hand.

Old Tom Siler, sports editor of the Orange and White at the University of Tennessee, is singing the blues. The Vols are definitely out of the championship running and face probable defeat in at least two other games on their schedule. But Tom is gathering up his tears and trying to wipe the water at Kentucky's door.

Last week Tom dug deep into his bag of eloquence and produced the following:  
"Kentucky's much-publicized football squad, led by the redoubtable Kelly, should be having a big time romping among the weaker sisters of the loop. They remind this writer of antelopes playing among the clover. And no one can recollect when clover (or whatever antelopes run in) ever hurt an agile and elusive animal like the antelope.

"When the final reckoning is made and should the Wildcats be undefeated, a great and pitiful groan will be heard from the Blue Grass if the Kentuckians are not acclaimed champions. But with only two really hard games on their slate it is hardly probable that Gamage's men will be considered for all their reputation and unquestioned talent."

I must agree with Tom. Kentucky has only two hard games on schedule this year. They are Alabama and Duke. It is to be regretted that Kentucky must play such teams as Sewanee, Virginia, Tennessee, and Maryland, when they have their best team in history.

**MEETING CLOSES HERE SATURDAY**

Educational Association Holds Final Meeting of Seventh Annual Convention at Education Building

The seventh annual convention of the Kentucky Educational Association closed at noon Saturday, October 26th, after a general meeting at which Pres. Frank L. McVey presided. Approximately 1200 educators from all sections of the state were present. At the closing meeting the principal speaker was Dr. Carlton Washburn, superintendent of the Winnetka, Ill., public schools and one of the foremost authorities on public school movements. His subject was "Two Movements in Present Day Education." Others who spoke at the final meeting were Dr. Hamilton Holt, president of Rollins College, whose subject was "Humanizing Education" and Dr. Frank Bachman, of George Peabody College for Teachers who spoke on "The Teacher and the State."

The conference opened October 23 at 2 p. m. Sectional meetings were held at the university training school throughout the three-day meeting. Dr. Jesse N. Adams presided at the meeting of those interested in elementary education. Prof. Paul Boyd presided at the college education meeting. The group of George Peabody College, under the direction of Prof. J. C. Jones and Dean F. L. Kliney presided over the college registrar's meeting.

The climax of the meeting was the dedication of the new training school which was held on Friday afternoon. Thos. Briggs of Columbia University spoke on "The Problems in Education" and Dr. Frank Bachman followed with an address on "The Teacher of Tomorrow."

**Six Games Carded For 1931 Season**

Maryland, Florida and Tulane or Georgia Are Newcomers to Wildcat Schedule

Six Southern Conference football games have been scheduled by the university athletic association for the Wildcats' grid season of 1931, according to an announcement by "Daddy" Boles to The Kernel late last night. Three new blue and white opponents are on the list. After negotiations with outstanding teams throughout the country, Kentucky has settled on the following schedule for next year: October 10, Washington and Lee at Lexington; October 17, Maryland at either College Park or Baltimore, Md.; October 24, Florida at Lexington; October 31, Alabama at Alabama; November 7 or 14, either Georgia or Tulane, place undecided; Thanksgiving, Tennessee at Lexington. An eight-game schedule will be

attempted next year by the Gamage. Only two of these remain to be contracted. Unsuccessful attempts have been made this fall to arrange games with the following institutions: Notre Dame, Army, Navy, Princeton, Harvard, Yale, Carnegie Tech, Dartmouth, Fordham, New York University and several others.

**DEPARTMENT HEADS TO MEET**  
The first meeting for the current session of heads of departments of the College of Arts and Sciences will be held Thursday, November 6 at 6:30, at the home of Dean Paul P. Boyd. Mrs. Boyd will give a dinner for the twenty-four heads on this occasion, after which educational programs will be discussed.

YE! KENTUCKY!  
Facing a crucial moment in her bid for Southern Conference honors, Kentucky enters Saturday's encounter with the student body of more than three thousand staunch supporters loyally backing her. Much depends upon the outcome of the game—more, indeed, than has depended upon an encounter of such a nature in Kentucky for many years. The game cannot fail to be a fight to the finish—a fight, the outcome of which will be watched for all over the nation. A victory for Kentucky would mean much. Win or lose, however, Kentucky's Wildcats are assured of the heartiest backing of the university and of the community. In turn, the student body is assured that they have a team that will give all that is in them—all which any foe may well anticipate with qualms. With such a combination success can well be hoped for.

YE! KENTUCKY! BEAT ALABAMA!

THE BEST IN DIXIE  
Saturday, more than twenty thousand persons again will proclaim them "The best band in Dixie!" Saturday, more than twenty thousand persons will be right in their judgment, regardless of the fact that Alabama is sending her band here with the Tide. That shows our confidence in Kentucky.

Too much praise cannot be given Professor Sulzer for the remarkable work he has done during the past few years in developing a musical organization which has attained each year nation-wide fame. Too much praise cannot be given the members of the band who contribute so much to the advertisement of the university and to the entertainment of the student body, nor to Mr. Knight, of the military department, who so ably instructs the musicians how to form those complicated letters on the greensward of Stoll field. Long hours of patient practice, coupled with a willingness and a desire to do their bit in promoting the interests of their school, is necessary before such a band can properly function or can in such a measure so ably represent the university.

Saturday more than twenty thousand persons will thrill as the band marches forth on the field to extend Kentucky's most cordial welcome to the Crimson Tide of Alabama. Saturday, hundreds of former students will live again their own college days—days vividly recalled by the band, one landmark at least which is familiar among a multitude of new ones somehow strangely familiar—and feel as a result a pleasant warmth about the heart. To the band, then, a toast.

Hots off! The band is marching by!

## HOMECOMING

Hail Kentucky, Alma Mater!  
Distant lands thy children claim;  
Dearest still Kentucky's name,  
Still Kentucky's soil is dearest.

To the blue and white we're true.  
Teach Kentucky, unto thee,  
Teach each generation new  
Never to fall in loyalty.

Hail Kentucky, Alma Mater! With a song in the heart and eyes alight with joy, children of distant lands and Kentucky's soil are returning to the university on their annual trek to the homecoming game. By their returning, they prove to the world that the spirit of loyalty fostered by the mother institution when they were in school is breathing the years with undiminished vigor.

Those who claim homecoming preparations are a waste of time and endeavor, do not realize the deep significance given them by college graduates. After leaving school, they for a time are lost. The world is a different place than that in which they spent several years preparing for a profession. And there is no other outlet for pent up desires to reenter collegiate circles, than homecomings. Thus it is that they return each year to their alma mater, happy and bolstered as they join the throngs in and about the old school.

The university is a proud host on these occasions, with a welcome in every department, from every student. It is delighted once again to establish contact with those who have carried the torch to successful careers, with those who once served and assisted in building the character of the institution.

And then there is always a good football game. This year the Wildcats are going to play the mighty Crimson Tide from the University of Alabama. That the game is going to be a thriller is not doubtful, but as yet the winner is not known. The home team is going to give all of its skill and ability to make happy the thousands to be housed Saturday in McLean stadium. May it win a decisive victory, its prayer, so that not only the school will feel the tilt of pride, but that all persons coming to the university Saturday can depart with no scar on their feelings of warm regard for the alma mater that is the one and only Kentucky.

## SKYROCKETING CONFERENCE FOOTBALL

Southern Conference football teams have been a sight for the year. What have they done but taken taken advantage of northern and eastern teams that expected mere workouts, stealing the show from inter-sectional foes? The North and East have been kind enough to give them a foot, and our southern gentlemen have taken no less than a yard. Inaginatingly rude, beyond a doubt.

Georgia traveled to the town it was born in, New Haven, played the school that brought it into existence, and was tactless enough to march back to Georgia with Yale's scalp. Florida triumphed over man and climate in conquering Chicago and managed to beat its way home without so much as a lesson canvas. Little Duke, baby of the conference, gave indications of being a child genius by going to Annapolis and scuttling Uncle Sam's Navy—not a bad little feat in itself. Proud Vanderbilt cut another niche for conference teams and romped off with Minnesota's party held in their honor.

And every one of these inter-sectional teams was played in the North or East. Tulane and Virginia were the two that saved the reputation of the southerners—they acted the part of gentlemen graciously enough. Smouldering in vague unconsciousness, we profess to see the Cavaliers and the Green Wave making designs on other northern teams, and probably next year word of our fine southern hospitality will spread north, and then the South will have to play ball in its own backyard without any more inter-sectional playmates.

Southern Conference football has strode to the top, and a thorough, decisive step it has been. Football in the South has risen to ranks of highest calibre and at last is able to maintain its claim to big-time football on a par with that of any section of the country by concrete facts—victories in inter-sectional games.

The indolent web of shiftless, careless southern collegiate athletics has been ruthlessly swept aside. The country should have no difficulty recognizing a new factor, the vitally new and powerful antagonist to be taken into consideration whenever comparison of national collegiate sports is studied. Southern Conference football has emerged from its life-long lethargy.

## WELCOME, TIDE!

Even a university has its big moment. Arrival of Alabama's Crimson Tide at Lexington occasions an expression of our heartiest greetings to the worthy foe of the Wildcats. The university itself is too gigantic a thing to proffer its own welcome to the Tide, so The Kernel gladly takes a hand in these sincere ceremonies.

It is a big moment of a big football year in the biggest way Kentucky has ever known. It is the record following of tense, nervous supporters that makes The Kernel doubly anxious and probably infinitely effective in conveying to the Crimson Tide our unbounded joy in having them here, because Alabama deserves to know that Kentucky's welcome comes not as a mere formality through her official organ, but issues viceroyally from every individual of her thousands of both men and women admirers.

Whether Alabama ruins our chance for the Southern Conference title again, or goes down to grim defeat in no way affects our cordial enthusiasm to be their host. Nothing has better claim to true hospitality than a hard-fighting, clean, sportsmanlike football team, a team that puts the value of the game not on victory but on determined, tireless effort and the game itself. Alabama has never gone into a contest with Kentucky without holding victory a secondary interest to the finer traits of character that find full play and command more respect than any final score. So we say, welcome, Tide!

## THE KAMPUS KAT

Saturday, The Kampus Kat, famed and notorious university scandal sheet will appear at the Alabama game, its magnated pages overflowing with smart wisecracks and purported "dirt" on various campus figures. It is expected to create something of a furor among students among students and faculty.

Although The Kat at times touches some very tender spots, it should be remembered that it is all in fun and that a secret brought to light usually remains known only to the editors and the person at whom the particular story is directed. Others may read, but they can only surmise. Therefore, an expose does no particular harm and may be classified as a two-way joke between The Kat and the subject matter of the story.

The Kat is a student publication under the auspices of the university and Sigma Delta Chi, honorary journalism fraternity. For that reason, it should be patronized extensively by students so that in time a real humor magazine may develop for Kentucky.

## LITERARY SECTION

Parties, Scenes from Contemporary New York Life.

By Carl Van Vechten, Alfred A. Knopf, 1930

There are three different impressions that the reader may get from Carl Van Vechten's "Parties." The first is that everybody in New York is habitually drunk, the second, that the author must have been drunk when he wrote the book, and the third, that the reader himself has been influenced by the constant suggestion into the celebrated state of insensibility. Only in one or two minor places does the book live up to its sub-title and give a sane idea of the character of contemporary New York. For the most part the author devotes himself to presenting a dim plot through the haze of intoxication. At irregular intervals there emerges a heroine whose only human trait is jealousy. The rest of her is as undecid as the character of her husband. Neither of them are sober during a period of time long enough for even their friends to know what they are like.

In spite of the fact that Carl Van Vechten, habitue of New York night clubs, has acquired a profound and extensive knowledge of all varieties of liquor, he has surely exhausted his vocabulary of inebriating terms. In fact the book might be called a rhapsody in brew. There is satire to be found in "Parties," and here and there one finds an epigram, but the Van Vechten vintage of "Peter Whiffle" has been somewhat water. It seems as though the former music and dramatic critic had started on one of the evening party cycles which he describes, had found his host's wine too strong, had stayed benumbed at the same party all night long, and there had ended the story.

## STEPPING INTO A MODERN WORLD

## They shut the door on hybrid styles

Quantity production of equipment has long been practiced by the telephone industry. Telephone designers years ago shut the door on many hybrid styles—seeking first to work out instruments which could best transmit the voice, then making these few types in great quantities. This standardization made possible concentrated study of manufacturing processes, and steady improvement of them. For example, the production of 15,000,000 switchboard lamps a year, all of one type, led to the development of a highly special machine which does in a few minutes what once took an hour. Manufacturing engineers, with their early start in applying these ideas, have been able to develop methods which in many cases have become industrial models. The opportunity is there!

Emergency Change Made to Fill Vacancy Left by Porter's illness

William Ardrey, a Junior in the college of arts and sciences, has been selected to appear with Hugh Jackson in the International Debate with Cambridge, England University, which is scheduled for Nov. 21, at Lexington.

During the past week eight members of the university debating team appeared in intramural debate before student groups of four Kentucky high schools.

Robert Stewart and Hugh R. Jackson upheld the affirmative side of the question, and John M. Kane and Carl Reeves supported the negative.

Thursday morning another group carried this favorite question to Anchorage senior high school, and Thursday afternoon debated it before Leavenworth high school.

Friday morning the team carried this favorite question to Anchorage senior high school, and Thursday afternoon debated it before Leavenworth high school.

There will be a meeting of the university debating team on Tuesday evening at 7:30 o'clock in room 281 of McVey hall.

CAMPUS LEADERS GIVE OPINIONS

Sport Department Elicits Variety of Statements Concerning Impending Game from Notables

By ED CONBOY

Due to the intense interest in tomorrow's great football classic, the sports department has ventured to ask the expressions of the minds of the faculty and some of the campus leaders on the outcome of tomorrow's game.

Dr. Frank L. McVey, president of the university; 'The Alabama team is composed of students. So is the Kentucky team. There is no superiority in Alabama neither does that team possess a hidden wire that cannot be equally used by another team.

Miss Margie McLaughlin, professor of journalism; 'I think we will beat them. We have the greatest team we ever had and with better luck than other teams of the past have had, Kentucky will win.

Morton Walker, president of the Y. M. C. A.; 'There is no question in my mind but that Kentucky will win by at least one touchdown.'

Al Kilg, president of Pen Hall; 'Miss Alabama, 30-13. Our offense is not strong enough to compete with their invulnerable line. Breaks will decide the game.'

Mary Lou Renaker, president of Kappa Delta; 'My prediction is that Kentucky will win against Alabama by a point margin. ("I hope it snows," she said.)'

Tom Riley, radio announcer of the university reunions; 'My hearts with Kentucky, my pocketbooks with the Tide.'

Young, Johnston Are Senior, Junior Heads

Results of the class elections, which were held Wednesday and Thursday, were announced last night by the student council.

Senior: president, Bill Young; vice president, Margaret Cundiff; secretary, Mildred Little; treasurer, Charles H. Redinger.

Heroes of Past Homecoming Days to Be Spectators Saturday

Although the call of the wildcat, rising from the prowling ground of Stoll field, clearing the surrounding woods, and rolling over the Blue Grass state, echoes a chill warning down 'Bama way, to Kentucky's former stars the call is that of joyful assembly.

Tomorrow on Stoll field while the true battle wages there will be no other game, now only traditional, fought again as eyes brighten by the return glow meeting.

Among the former stars to be present are: William (Black Dog) Rodes, halfback, '29, Lexington, Sigma Chi; James Park, Lexington prosecuting attorney, quarter back, '28, Phi Delta Theta.

Dr. Frank L. McVey, president of the university; 'The Alabama team is composed of students. So is the Kentucky team. There is no superiority in Alabama neither does that team possess a hidden wire that cannot be equally used by another team.'

PLAYERS PRODUCE DRAMATIC SATIRE TO OPEN SEASON

Excellence of Script, Direction, and Acting of Cast Is Commended

By THOMAS L. RILEY

A downward swing of Elmer G. Suber's baton and the third season of the Guignol theater was officially begun.

Opening night—formal attire—lights—color—beautiful gowns—stiff shirt fronts—notice in the crowd—a packed house—flowers over the footlights—opening night.

When the curtains part on the first set of "The Royal Family," by George S. Kaufman and Edna Ferber, the eyes of the very best productions that have ever graced the stage of the university's little playhouse.

"The Royal Family" is a satire on family life of the Baumgardner-Drew household and the play contains all the elements of a perfect theatrical production.

As produced by the Guignol, "The Royal Family" can attribute its success to the excellence of the script, the expert direction of Frank Fowler, and the superb acting of the cast.

The manner in which the authors of "The Royal Family" contrive to bring out the many satirical features in the characters is highly commendable, while the dramatic structure involves excellent plot motivation.

Miss Edith Rose, organist, and Mrs. Eugene Bradley, pianist, will present the Vesper recital in Memorial Gymnasium, Lexington, November 2nd at 4:00 p. m.

Miss Rose, a member of the music faculty of Hamilton College, is a graduate of the School of Music at Northwestern University.

How Sports Scribes Reviewed Kentucky-Virginia Contest

By Neville Dunn: Coach Harry Gamage kept his Wildcats of the University under wraps Saturday afternoon on Stoll field against the University of Virginia but that did not keep the Big Blue, by way of winning a fourth consecutive game, from administering the worst defeat the Cavaliers have suffered in 40 years. . .

By Frank E. Hoover: A crowd of 6,000 persons saw a second string Kentucky backfield and a Kentucky line that did not include Babe Wright, star tackle, continue its victorious march in the realm of undebated and united teams of the Nation by defeating a second string University of Virginia football team, 47 to 0, yesterday afternoon on Stoll field.

It was one of the worst defeats that a Cavalier team ever experienced and showed that, contrary to the general opinion, Coach Harry Gamage has the needed capable reserve material. In fact, some of these reserves, especially the two substitute fullbacks, did things on this battle-torn field that few, if any, have ever done before.

By Gerald Griffin: With a makeshift line-up, the University of Kentucky Wildcats, led by that old Ashland war-horse, Tom Phipps, bowled over the University of Virginia Cavaliers this afternoon with a savage, relentless attack that was not bested until the final whistle, which found the Wildcats 47 to 0.

By the Kernel Sports department: Before a crowd of approximately 6,000 persons the Wildcats of the University of Kentucky defeated the Cavaliers of the University of Virginia on Stoll field by the score of 47 to 0. It was the first time the two teams have ever met and was the worst defeat ever suffered by the Cavaliers. . .

## Intramural Sports

This week furnished the intramural department with the biggest upset of the year. Kline and Meyer, independent favorites for the tennis doubles, were defeated by Jennings and Stokely. The latter pair, Tau entrants, Kline and Meyer had many opponents and looked like a cinch to win. Jennings and Stokely had not looked flashy but were very consistent.

In the tennis singles, Ringo, Delta Chi, looks best, but is hard pressed by Bishop, S. A. E. Bishop was Number 1 man on last year, freshman tennis team while Ringo will be wonderful material for this year's freshman squad.

## Bama Dog Leads in National Hunt Meet

Alabama is as persistent as a bulldog in its efforts to humiliate Kentucky sportsmen this year. Not satisfied with sending the Crimson Tide up here a two-to-one favorite over the Wildcats, they send a bound that couples up with a Carolina "pup" to tie for first, one in the second hunt of the National Hunters' Association meet at Crab Orchard.

## University High to Play Deaf and Dumb in Game There

The University High Purples, credited with a 12 to 6 victory over the Cynthiana Bulldogs last week, will meet the Kentucky School for Deaf and Dumb in a contest to be played at Danville this afternoon at 2:30. Advance reports show that Coach Pete Kemper's University High team is favored to win.

Last week the Purples were faced with stern opposition against Cynthiana and had trouble in coming through victorious. One of the Purple's markers resulted from a pass intercepted by Bishop who ran Purples scored the other tally by fifty yards to a touchdown. The straight line plunging, Glass making the touchdown.

Coach Kemper will take 23 men to Danville and in all probability most of them will get into the fray. A large crowd is expected to witness the game in spite of the competition of the Danville-Lexington High tilt, which also takes place at Danville.

The probable starting lineup follows: Ends, Bishop and Hillard; tackles, Yankley and Shipley; guards, Elder and Olney; center, Baker; halfbacks, Welch and Griffith; quarterback, Glass.

Virginia Yancey—That's a lovely dress you are wearing. May I ask how much it cost?  
Alberta—Only three fits of hysterics, my dear.

## Big Green Improves Early Season Form

Next Games Will Be Double-headers at Lee College and Eastern Normal

With two games in the bag, and many days of sham battle with the marauding University of Kentucky Wildcats, the team looks to be in good shape and "meowing" to the top. It is his fond hope that the first year men have had to bear most of the responsibility of whipping the Wildcats into shape. The plays have been long and hard, but these valiant warriors in green but have made considerable progress. The long-haired prophet, in the days gone past, "Every dog has his day." We do not know whether that maxim can be applied to the feline kingdom, but we do know that the young Wildcats have sharpened their claws, and some homey prophet had better watch out for his wise cracks.

## BEAT ALABAMA!

After a rather good period of movies this week the attractions next week seem weak by comparison. Amos and Andy's picture presented excellent entertainment for children, while 'Scotland Yard' was even better than we expected.

There are several canons of good showmanship and Herman Bamberger, manager of the Kentucky theater, proved his belief in one of them when he offered, unsolicited, passes to members of the critical writing class of the university.

CLASSICAL GROUP MEETS AT U. OF K.

University Host to Kentucky Classical Association for Twelfth Annual Convention

The university Friday and Saturday, October 24, 25, were host to the Kentucky Classical Association at its twelfth annual convention which opened Friday afternoon at 1:30 o'clock.

Officers of the association include Miss Isabel E. Pollitt, of Eastern Kentucky State Teachers College, Richmond, president; John W. D. Skiles, of Louisville Male High school, vice president; Miss Naasby Kephart, of Anchorage, secretary of entertainment; Sister Aquina, of St. Joseph Ursuline Academy, corresponding secretary, and Mr. Boyd, secretary-treasurer.

Among the speakers who appeared on the program were Dr. Paul E. Boyd, dean of the College of Arts and Science; Prof. L. L. Dantzier, head of the English department; Dr. W. D. Funkhouser, dean of the graduate school at the university; Dean Alvin Evans, of the College of Law; Miss Mary Wood Brown, of Henry Clay High School, and Miss Mary West, of the training school.

At 4:30 o'clock Friday, President Mrs. Frank L. McVey held a reception for association members at their home on the university campus and at 6 o'clock that night an illustrated lecture was given by Dean Gordon J. Laing, of the University of Chicago.

On Saturday's program were the following: 'The Vergil Cruise'—Miss Clara Houshopper, English department, honor; Prof. J. R. Boyd, Louisville Male high; Miss Mary Wood Brown, Henry Clay high school, Covington.

JUDGE, sometimes humorous weekly, has been carrying a series of cartoons by Bruce Bainstather, creator of "The Better Ole." They appear each week and are quite good. Some may remember the still- father as a captain in the British army during the World War. He entertained the soldiers by picturing the brighter side of war in the form of cartoons drawn on the walls in the dugouts. The cartoons now ap- pearing in JUDGE are of full page- size and have to do with the same characters which made Bainstather famous during the war. Of course Bert and Bill of the cartoons are now civilians and are dodging other things than shrapnel.

KELLY LIKENED TO "RED" GRANGE Only Difference is Style of Running; Each Important Factor in Team's Of- fense

In 1922 a red headed youngster from Weston, Illinois enrolled in the University of Illinois. This young man had been christened at birth with the name of Edward E. Grange. He was destined to become one of the best known men in the athletic world and to take his place alongside such immortals as Walter Camp, Walter Eckersall, Ted Coy, Johnny Poe, Jim Thorpe, Big Ed Edwards, Charley Buel, Mahan, Brick Mueller, Ernie Nevers, Bo McMillan, Red Roberts and others who have made history and carved themselves a niche in Football's hall of fame.

It was not, however, by the paren- tally christened name that he was to be running down the pages of football history, but by a cognomen fastened upon him in his days as a member of the Illinois freshman team where he started as halfback along- side another youngster who was also destined to receive much attention but less fame than Grange. His run- ning mate in their freshman days was not other than the well known Balho "Moon" Baker who was one of the greatest players ever to wear the purple of the Northwestern Uni- versity Wildcats and who was se- lected on the All American team of 1920.

"Red" Grange is one of the few players ever to receive the coveted All American honors for three straight years. As a sophomore he was chosen in a year of mediocrity among outstanding football players. His greatest fame came in his junior year. It was at the Illinois home- coming game between the Illinois and the Michigan Wolverines that Grange established a world's record in major football competition. In this game Grange received the Wol- verine kick-off and raked 25 yards for a touchdown. Not a single Michi- gan player got his hands on the red ball in scrimmage five times and crossed the goal line in four of his efforts. These runs were for 55-75-60 and 55 yards in order. In none of the touchdowns did an opposi- ing player lay hand on the ball and after he had crossed the line of scrimmage. For that exhibition he has been more exact: "when Grange gallops over the gridiron he is as elusive as ghost. From that ex- pression Grantland Rice, one of the foremost sports writers in the nation penned in the true Rice style that has made him famous, the words in which he referred to the Illinois halfback as "The galloping ghost of the gridiron."

JOHN S. "SHIPWRECK" KELLY John Sims "Shipwreck" Kelly en- rolled in the University of Kentucky in 1928. His home town is Spring- field, Ky., where he played four years of the Springfield High School team. In his freshman year at Kentucky he was one of the out- standing members of the team. It was in this year that Kelly received his nickname of "Shipwreck." The reason for the nicknaming of Kelly has been given by the Lexington Herald is responsible. We know less than we do about the nicknaming of Kelly than we do about the nicknaming of "Red" Grange. Whether it was due to the publicity that the flagpole sifter of that name was getting at that time or some other reason, we desire to know the seven seas that Kelly has never played in a losing college game to date. In the only game the "cats" lost last year which was to Alabama. Kelly was not in the game. What the game tomorrow holds in store for the Wildcat star no one knows. It is our own firm belief that he will give a good account of himself. He may not dazzle his opponents by an exhibition such as has been his lot in previous games, for it must be remembered that the "cats" will be pitted against a team that, in games already played, has proved it to be one of the strongest teams in the South. The quality of football played in the Southern Conference has already been demon- strated to some of the best teams in the nation. On cold dope, the Alabama team sits at the top of the heap with the best. Either the Wild- cats of Kentucky or the Crimson Tide of Alabama is not only the most powerful team in the South but after tomorrow's game will have demonstrated its right to take its place alongside the other great teams that the South has produced.

There are many who have likened Kelly to the Great Grange. In this they have not been far wrong. They are very much alike in many respects. Each one proved the vital cog in their respective machines. Each has had to carry the burden of the offense in practically all of their games. In manner of running, there is only the slightest differ-

ence. Grange was an elusive, change of pace line of scrimmage (neces- sary to any running back). Once into the secondary zone of defense his forte was sidestepping and change of pace. Kelly is faster than Grange. He reverses field occasion- ally. His forte is speed-drive-speed. It is in this department only that

the two players differ. Neither of them were regular in the matter of kicking and passing. In an analysis by a football expert we believe there would be very little difference to be found in the ability of these. One of them was plenty good. The other is plenty good.

Kentucky to Face Alabama Saturday

(Continued from Page One) 37 to 0, and Alabama pulled through ahead, 23 to 0—which means easily nothing. Kentucky has not resorted to strategy to win any football game

this year—there has been no need. Only in the Washington and Lee game with the score tied 14 to 14 in the third quarter did the Wildcats find themselves in a close place. Then quarterback Carey Spicer worked for a long pass and it worked, but was called back when Kentucky was off side. The same play worked

a few seconds later, however, and Kentucky won. It would not be surprising to see Kentucky fill the air with passes tomorrow afternoon and spend a great deal of time skirting the ends. Ellis Johnson is an excellent chef when it comes to mixing plays. And it is to Kentucky fans. Alabama's line, already advertised as one of the best in the country, will find its poundage matched by the Big Blue forwards and to say that the Crimson line is smarter will start a nice war in Lexington any time.

Cats Have Advantage Alabama has the psychological advantage. Alabama is favored by the gods of football prophecy to continue its march to the top of the Conference heap—yes, the odds have even reached as high as 2 to 1 (but we haven't been able to find them). Old Knute Rockne's boys were supposed to be licked by a good Carnegie Tech team, but what happened to Carnegie is a long and tale. A victory for Kentucky could hardly be called an upset, inasmuch as the Wildcats are undefeated, but the brothers and sisters "way down South" find it extremely uncomfortable to concede Kentucky the best chance before the game starts. The Gods of Grippe scoff at Kentucky's four victories. We have not seen the boys from the "dark and bloody ground" face any real competition, they say. And they offer the information that Kentucky will crumble, crack and fade into the background when Alabama begins its boning-crushing movements. And if Kentucky wins, said little boys will say that Alabama was having a "let down" following games with Tennessee and Vanderbilt. The "confidence week" sponsored by the Rotary Clubs had no effect on them.

An improvement in the presentation of the Gulgol is the addition of an excellent pit orchestra which is conducted by Elmer G. Sulzer. With this feature the final professional touch is lent to the theater's offerings. The stage manager and his assistants created a beautiful set for "The Royal Family" and the lighting by Julian Lefler is impressive. "The Royal Family" is a foundation to the entire staff of the Gulgol and it is hoped that the season will be as auspicious as the opening.

"On to Georgia" Is Slogan of Wademen

(Continued from Page One) field captain, as is game captain when Clement is in the game. Gain is kicking and running at top speed, while Wright is proving a very durable and excellent blocking back. The backs, as a rule, are showing much more stamina than anyone had thought possible, with their fundamental injuries of last year.

Sington, weighing 215 pounds and fast as a halfback, is setting a fast pace for Southern Conference line-men this season against some of the toughest opposition in the country. He was nominated to all-Southern last year by a unanimous vote. Alabama lines, notoriously powerful, have included many great forwards, but Coach Wade said recently that he judged Sington fully as good as any he has ever coached.

About 1,000 of the faithful will follow the Tide to Kentucky, and Alabama's crack 75-piece band will parade on the field and use their music to spur Bama to another victory over the Wildcats.

Campus Leaders Give Opinion

(Continued from Page Five) surely beginning to ebb. Gloomy and dismal Papa Gamage "I was under the impression that is why the game is being played."

"Daddy" Boles, director of athletics; "The odds are with Bama." Niel Plummer, director of sport publicity; "Plummer says, "Quote me, no quotes." Elmer Sulzer, director of the "Best Band in Dixie"; "If the breaks are equally distributed and Kentucky plays the best game that is in them, we will win."

L. G. Forquer, captain: "We are going to win because all the boys will be fighting and giving their best." Pete Moore: "Breaks will win that game, boy. They ain't got a thing on us."

Pierre Whittington, for 50 years a janitor here; he saw our first game. Long may he live; "Kentucky." Adolph Rupp, new basketball coach; "I wouldn't dare guess; I'll bet Kansas wins the Big Six title."

Edna Smith, just a good co-ed; "This is our last chance to undo Wade's threat. Here's to 'em." James Shropshire, business manager of all student publications; "This is our best chance in late years but good enough."

Sue Dickerson, just sweet Sue: (White) "I shoo do hope Kentucky wins." Elbert McDonald: Kernel Sports Department; "Alabama looks best on cold days but the Cats will rise to greater height than they did last Thanksgiving—They will win in the greatest game ever played in the South—and lose to Tennessee in the last game of the season."

"Gin" Nevins, just another preacher's daughter gone wrong: "The spirit is willing, but the flesh is weak."
