Judge Lafferty presented a second resolution upon the subject of the University dances, as follows, and moved its adoption:

"Resolved: That hereafter in all dances given under the auspices of the University or any student organization, whether upon the campus or elsewhere, no such dance known as the "Turkey Trot", "Drag", or any other unconventional dance shall be allowed. The University Committee having in charge such entertainments shall see that this resolution is made known to all organizations affected by it, and report all violations."

The resolution was seconded by Dr. Pryor and after brief comments by Dean Hamilton, Prof. Zembrod and others, was adopted.

Prof. Gillis reported to the faculty, a recent action of the students relative to the honor system, as follows, and moved its ratification: "Resolved: That Article V., Section 7 of the present constitution be amended to read as follows: In all cases of cheating on tests or examinations, the Committee shall, when the accused is found guilty, suspend him from the University for a period of one month; for the second offense the student shall be expelled from the University.

The above resolution was adopted by the student body.

J.E.C. Johnson, Pres. Honor System."

The motion was duly seconded and was discussed by Prof. Miller, White, Davis and Gillis, the opinion being quite generally expressed that the action, as taken by the student body, would better undergo some modification, but upon the suggestion of Prof. Gillis that the action would in any case probably be amended soon by the student body, its ratification was approved upon an aye and no vote of fourteen ayes and thirteen noes.

On motion, the faculty adjourned.
