Dear Sir:

Surely you now, or sometime will need something.

I think this "Lets Swap Campaign" is the right

hope.

In your line, out of our 200 customers someone always needs some product of yours. We can collect from some one of them something, they have to market.

We are inclosing the Classified List of Labor, Professional Services, Products and etc., that each Customer is privileged to list. We are also inclosing a list of "Native Products", we propose to help them market at their Log Cabin on the Russell Road.

Anytime, before you start to buy anything for your self or possibly something your company needs, would appreciate a chance to see if you can not swap something for it.

Very truly yours,  
HOME BUYERS COOPERATIVE CLUB, of the  
SEATON REALTY COMPANY.
