

Minutes of the Meeting of the Board of Trustees of the University of Kentucky, Tuesday, May 9, 1978.

The University of Kentucky Board of Trustees met in regular statutory session on Tuesday, May 9, 1978, at 2:00 o'clock (Eastern Daylight Time) in the Board Room on the 18th floor of the Patterson Office Tower on the Lexington campus with the following members answering the call of the roll: Mr. William B. Sturgill, Chairman, Professor Michael Adelstein, Mr. William R. Black, Mr. L. D. Gorman, Mrs. Betty Carol Clark, Mr. Albert G. Clay, Governor Albert Benjamin Chandler, Mr. John R. Gaines, Mr. George W. Griffin, Mr. James Newberry, Mr. Thomas B. Kessinger, Mr. Zirl Palmer, Mr. Frank Ramsey, Mr. Homer W. Ramsey, Professor Paul G. Sears, Dr. David A. Hull, and Dr. John R. Woodyard. Mrs. Sally Hermansdorfer was absent as was Mr. Richard E. Cooper who remains a member of the Board until such time as Mr. W. B. Terry, his replacement, is sworn in. The administration was represented by President Otis A. Singletary; Vice Presidents Lewis W. Cochran, Robert Zumwinkle, Stanley Wall, Peter P. Bosomworth, Raymond R. Hornback, John T. Smith, Jack C. Blanton, and Donald B. Clapp; Dr. Wimberly C. Royster, Dean of the Graduate School and Coordinator of Research, and Mr. John Darsie, Legal Counsel. Representatives from the various news media were also in attendance.

A. Meeting Opened

Mr. Sturgill, Chairman, called the meeting to order at 2:00 p.m. Mrs. Betty Carol Clark pronounced the invocation and the secretary reported 17 members answering the call of the roll. There being a quorum present, the meeting was declared officially open for the conduct of business at 2:03 p.m.

B. Minutes Approved

Without discussion, on motion duly made, seconded and carried, the reading of the Minutes of the April 4, 1978, meeting of the Board of Trustees was dispensed with and the Minutes were approved as published.

C. Meeting Dates Established

Mr. Sturgill called attention to the schedule of meetings of the Board of Trustees and Executive Committee as established for fiscal year 1978-79 (see copy at end of the Minutes), and requested the members to mark their calendars accordingly.

D. President's Report to the Trustees (PR 1)

President Singletary indicated that he would not discuss the items in his monthly report and suggested the members might wish to read through it at a later time. Mr. Sturgill accepted the report and ordered it filed.

E. Recommendations of the President (PR 2)

President Singletary noted the items in PR 2 were routine in nature and recommended its approval. On motion by Mr. Black, seconded by Mr. Palmer, and passed, PR 2, Recommendations of the President was approved as a whole and ordered made an official part of the Minutes of the meeting. (See PR 2 at the end of the Minutes.)

F. Supplemental Recommendations of the President (PR 3)

President Singletary explained that item one in PR 3 requested authority for the President to establish Alumni Professorships as resources become available from the Alumni Annual Giving Fund. He continued that he was specifically requesting one new professorship for this year and hoped that the funds in future years would be sufficient to enable him to add others from time to time. Item II in PR 3 covering gift and/or grants for the quarter ending March 31, 1978, was a routine report and President Singletary recommended both parts of PR 3 be approved.

On motion by Professor Sears, seconded by Mr. Homer Ramsey and passed, PR 3, Supplemental Recommendations of the President, was approved as a whole and ordered made an official part of the Minutes of the meeting. (See PR 3 at the end of the Minutes.)

G. Candidates for Degrees--University System (PR 4)

Without discussion, on motion by Governor Chandler, seconded by Mr. Frank Ramsey and passed, the President was authorized to confer upon each individual whose name appeared on the list presented as a part of PR 4, the degree to which he or she is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate. (See PR 4 at the end of the Minutes.)

H. Candidates for Degrees--Community College System (PR 5)

Without discussion, Mr. Homer Ramsey moved that the degrees and certificates specified in PR 5 be awarded the persons named upon certification that the requirements for those degrees and/or certificates have been satisfactorily completed. His motion was seconded by Mr. Griffin and passed without dissent. (See PR 5 at the end of the Minutes.)

I. Budget Revisions for 1977-78 (PR 6)

President Singletary indicated that Mr. Edward Carter was present and would be glad to answer any questions. There being none, on motion by Mr. Clay, seconded by Governor Chandler and passed, the revisions in the 1977-78 Budget as recommended in PR 6 were authorized and approved. (See PR 6 at the end of the Minutes.)

J. Transfer of Division of Auxiliary Personnel within the College of Dentistry (PR 7)

President Singletary explained that the recommendation in PR 7 was primarily an administrative matter involving the transfer of a division within the College of Dentistry and recommended approval. On motion by Mr. Kessinger, seconded by Mr. Newberry and passed, the transfer of the Division of Auxiliary Personnel, Department of Restorative Dentistry, to the Department of Community Dentistry, was approved. (See PR 7 at the end of the Minutes.)

K. Operating Budget for 1978-79 (PR 8)

In opening his budget presentation, President Singletary reminded the Board that in presenting the 1978-80 Biennial Budget Request he had noted that it was to be one of the most critical in the history of the University. He continued that he was pleased to report that the response to the University's request, while not providing funds to solve all of the problems, does permit the institution to make significant improvements. The Council on Higher Education, the Governor, and the General Assembly deserve thanks for their very positive response to the University's request.

The primary objective in the 1978-80 Budget Request was to restore the relative salary and staff levels which the State provided in 1968-69. While this budget does not totally meet that objective, it does make very significant progress.

A major objective in the 1978-80 Biennial Budget Request was to bring faculty salaries near the middle of those paid in like institutions in surrounding states. While this budget does not provide enough funds to bring the average faculty salary to the benchmark median, it does provide sufficient funding to reduce the 1977-78 deficit from \$1,405 to \$349 per faculty position for the Lexington campus and from \$1,244 to \$615 in the Community College System. Approximately two-thirds of the request for faculty salary catch-up was funded by the State.

The salary objective for county agents and extension specialists in the 1978-80 Request was to reach the 1976-77 national average. Funds were provided in the State Appropriation to deal with this objective, but not in amounts adequate to reach the higher 1977-78 national average. Funding does, however, provide for a reduction in the 1977-78 deficit from \$2,348 to \$354.

Also requested in 1978-80 were funds to make non-academic salaries more competitive in the local labor market. Funds were provided to move toward this objective in each year of the coming biennium. The funds provided in 1978-79 have been applied in this budget to those categories of employees which were most out of line with the local labor market. Additional adjustments will be made in 1979-80 from funds available in that year. In addition to the salary catch-up adjustments for many of these employees, the University is also reducing the official work week from 40 to 37½ hours for classified hourly employees with no reduction in annual pay.

The other area of major concern dealt with faculty positions. The General Assembly provided additional State Appropriation for new faculty positions in the

Community College System, the Division of Colleges, and the College of Medicine. While only half of the request was funded, the additional positions will help to deal with accreditation and workload problems in several of the areas which were of greatest concern.

Also provided in the budget are funds for the continuation of existing programs. These funds come in the form of salary increases over and above the adjustments already mentioned and increases in operating expenses, including ever-growing utility costs. The continuation dollars in salaries and wages provide for an average salary increase of 5% to all regular full-time employees of the institution. In addition, funds to cover the maintenance and operations costs of new facilities are provided.

Program expansion was a relatively small part of the total request in the 1978-80 Biennial Budget Request but the General Assembly did provide for some program expansion and that is reflected in the budget. There also is some expansion in instruction, research, and public service programs which will be wholly supported by revenue generated from the respective activities.

In concluding his remarks, President Singletary called attention to the section of the budget document labeled "Summaries". In this section total estimated income and funds available is shown as well as expenditures by function. He assured the Board that the two balanced and recommended approval of the Operating Budget for 1978-79 as presented.

Mr. Sturgill, noting that a budget is the heartbeat of a business or an institution, commended the budget team (Mr. Edward Carter, Ms. Karen Combs, and Mr. Carson Smith) for the excellent job they had done in the preparation of the budget. He also expressed appreciation to the Council on Higher Education and the Governor for their understanding of the University's problems and their efforts to help alleviate them.

Professor Sears indicated that the reaction on campus from both academic and non-academic personnel was most favorable relative to salary increments and that everyone was appreciative of the effort made by the President and the Board of Trustees on their behalf.

There being no further comments, Mr. Sturgill called for a motion. Mr. James Newberry moved that the recommendation in PR 8 relative to adoption of the Operating Budget for 1978-79 be approved. His motion was seconded by Mr. Homer Ramsey and the 1978-79 Operating Budget was adopted with all present voting aye. (See PR 8 at the end of the Minutes.)

L. Supplementary State Appropriation for Previously Retired Employees (PR 9)

President Singletary said that the University had received a supplementary state appropriation of \$263,100 for the purpose of increasing retirement benefits for certain previously retired employees who have been adversely affected by the rate of inflation since their retirement. Specific action is required by the Board since these supplements will make the salaries of the retirees exceed those authorized in the regular University retirement plan. The President recommended approval.

Governor Chandler moved that the recommendation in PR 9 be approved. His motion was seconded by Mr. Gorman and passed without dissent. (See PR 9 at the end of the Minutes.)

M. Interim Financial Report (FCR 1)

Mr. Clay, Chairman of the Finance Committee, reported that the committee had met prior to the Board meeting and had considered the agenda items to be presented for action.

The Interim Financial Report had been examined and was "on target". Mr. Clay then moved that the Financial Report for the nine month period ending March 31, 1978, be accepted. His motion was seconded by Mr. Black and passed without dissent. (See FCR 1 at the end of the Minutes.)

N. Land Reserved for KET Expansion (FCR 2)

Mr. Clay said that the Finance Committee had considered the request from the Kentucky Educational Television that approximately 3.8 acres of land adjacent to the south and east of the existing Kentucky Educational Television Facility be reserved and dedicated by the Board of Trustees to accommodate future growth and expansion of KET's network center. The Committee felt that it was a reasonable request and recommended that it be granted. The site plan which was displayed for the Board by Mr. Blanton showed the area involved.

Mr. Clay moved that the area of land shown on the site plan of the KET facility on Cooper Drive be reserved and dedicated by the Board of Trustees to accommodate future growth and expansion of KET's network center. His motion was seconded by Professor Adelstein and passed without dissent. (See FCR 2 at the end of the Minutes.)

O. Licenses for the Performance of Copyrighted Music (FCR 3)

Mr. Clay said that the passage of the Copyright Revision Act of 1976 had removed the blanket exemption status which the University previously had pursuant to the "not for profit" performance of non-dramatic musical compositions. Thus, the University will be responsible for royalty payments to the copyright owners for music compositions performed or transmitted on premises owned or leased by the University. The basic "blanket" license fees will be paid from General Fund monies and any additional concert license fees will be paid from revenues generated from the concert involved. The Finance Committee recommended, and Mr. Clay so moved, that the Board of Trustees authorize the Vice President for Business Affairs and Treasurer to enter into license agreements with the various performing rights societies for the right to publicly perform and transmit non-dramatic musical compositions. His motion was seconded by Professor Sears. In the discussion that followed it was suggested that the authorization should be limited to a period of one year. Mr. Clay agreed to amend his motion to that effect. Professor Sears concurred and the amended motion was passed without dissent. (See FCR 3 at the end of the Minutes.)

P. Confirmation of Non-Resident Fees/Establishing Activity Fee (FCR 4)

Mr. Clay explained that the Finance Committee regretted the necessity of presenting a recommendation to increase fees, but felt there was no other alternative available. Since the recommendation in FCR 4 was in three parts, Mr. Clay suggested that the parts be acted upon separately.

The first recommendation related to increases in the fees for non-resident students as established by the Council on Higher Education in April, 1978, which required confirmation by the Board of Trustees. Mr. Clay moved that the Board of Trustees confirm the changes in the fee schedule for non-resident students for semester/annual sessions at the University of Kentucky as established by the Council on Higher Education on April 12, 1978. His motion was seconded by Mr. Gorman. In the discussion that followed, Professor Adelstein indicated his intent to cast a symbolic vote of "nay" explaining that the University Senate had adopted a resolution opposing such an increase in non-resident fees, that he personally felt out-of-state students made a very definite contribution to the University, that the children of University alumni living outside Kentucky deserved some consideration, and that the out-of-state dollars which these students and their families bring into the community is good for the economy. In answer to a question by Mr. Palmer, President Singletary said that the University was approximately \$400 below the fee median of the benchmark institutions and explained that the Council on Higher Education acts on these fees under Kentucky law, considering, among other things, what Kentucky students are paying in other states. There being no other discussion, Mr. Sturgill called for the vote on Mr. Clay's motion which passed with Professor Adelstein casting the only nay vote. (See FCR 4(1) at the end of the Minutes.)

The second part of the recommendation in FCR 4 related to a proposed increase in the student activity fee of \$6 per semester over a two year period. After noting that the fee had not been increased since 1950, Mr. Clay moved that the Board of Trustees increase the Student Activity Fee by \$6 per semester over a two-year period by establishing a semester fee of \$9.25 effective in the fall of 1978 and \$12.25 effective in the fall of 1979. The motion was seconded by Mr. Homer Ramsey. At this point, President Singletary explained that on July 1, 1978, the University of Kentucky must bring the Women's Athletics Program into compliance with Title IX of the Education Amendments of 1972. Funds had been requested for this purpose in the Biennial Budget Request but had not been granted. The Athletics Association will make the largest contribution and the University will provide from General Funds approximately one-third of the cost involved. The only other source of income available is from the Student Activity Fee.

There being no further discussion, Mr. Sturgill called for a vote on Mr. Clay's motion which passed with no dissenting votes. (See FCR 4(2) at the end of the Minutes.)

The third part of FCR 4 recommended that the Board of Trustees establish corresponding part-time and summer school charges under the guidelines of the Council on Higher Education and Mr. Clay so moved. His motion was seconded by Mr. Palmer and passed without dissent. (See FCR 4(3) at the end of the Minutes.)

Q. Report of Investments (ICR 1)

Mr. Griffin, Chairman of the Investment Committee, moved that the changes made in investments for the University of Kentucky and its Affiliated Corporations for the quarter ending March 31, 1978, be accepted. His motion was seconded by Mr. Gorman and passed without dissent. (See ICR 1 at the end of the Minutes.)

R. Hearing Committee Report on Arnold Appeal

Mr. Black said that the Hearing Committee of the Board of Trustees had convened at 9:30 a.m. on Tuesday morning, May 9, 1978, in the Board Room in the Administration Building on the University campus. It heard testimony from Mr. Danny L. Arnold, Dr. Harriet Rose, and Mrs. Sharon Arnold. During the course of Dr. Rose's testimony, Mr. Arnold left the meeting stating that he did not wish to proceed.

The Committee regrets that Mr. Arnold did not request and was not informed of the opportunity of a hearing in connection with his discharge. However, the Committee of the Board did provide such a hearing this morning, which was terminated by Mr. Arnold's withdrawal from the meeting. Consequently, the Committee recommends that the Board of Trustees approve the University's decision to discharge Mr. Arnold.

Further the Committee recommends that the Board not afford Mr. Arnold a further hearing before the full Board.

Following the completion of his report, Mr. Black moved that the report be accepted and that the recommendation that the Board not afford Mr. Arnold a further hearing before the full Board be approved. Mr. Homer Ramsey seconded Mr. Black's motion. Governor Chandler expressed his feelings that the door should not be closed. When the vote was taken on Mr. Black's motion Governor Chandler cast the only dissenting vote. Mr. Black's motion passed.

S. Mr. Newberry Recognized

Mr. Sturgill noted that this meeting was the last one which Mr. Newberry would attend as a student member of the Board and asked if he had anything to say. Mr. Newberry responded that he deeply appreciated the genuine concern which the administration of the University has for the students and thanked the Board for an informative, exciting, and interesting year. He said that it had been a rewarding year and he was proud that he would be a graduate of such a good institution, but he felt there were a few areas which needed improvement and mentioned the following: 1) Women's Athletics Programs, 2) the quality of undergraduate education, and 3) the need for more direct student input from the Community College System. In closing he introduced the new Student Government president who will become the next student member of the Board, Mr. Gene Tichenor. Governor Chandler complimented Mr. Newberry on his distinguished service and Mr. Sturgill, speaking on behalf of the entire Board, expressed thanks to Mr. Newberry for his many contributions and wished him well in his future endeavors.

T. Possible Change in June Meeting Date

President Singletary announced that the College of Medicine, which is presently engaged in revising the Physician Service Plan, might be ready to bring the plan to the Board sometime in June. If so, it would be necessary to have a special called meeting of the Board to act on the proposed revision and he wished to alert the members to this possibility.

U. Meeting Adjourned

After determining there was no further business to come before the meeting, on motion duly made, seconded and carried, the Chairman declared the meeting adjourned at 3:25 p.m.

Respectfully submitted,

Paul G. Sears, Secretary
Board of Trustees

(Schedule of Meetings, PR's 2, 3, 4, 5, 6, 7, 8, and 9; FCR's 1, 2, 3, and 4; and ICR 1 which follow are official parts of the Minutes of the Meeting.)

Members, Board of Trustees:

RECOMMENDATIONS OF THE PRESIDENT

I. Departmental Name Change

Recommendation: that the Board of Trustees approve the recommendation that the official name of the Department of Human Communication be changed to the Department of Communication.

Background: It is felt that using the term "human" as part of the departmental name adds nothing by way of clarification or explanation of the nature of the program and/or mission of the department. Further, it is believed that changing the name will be more consistent with the departmental course prefix designations as they now appear in the University Catalog and class schedule booklets.

II. Appointments to the Board of Directors of UKRF

Recommendation: (1) that Mr. William B. Sturgill, Mr. Edward Dabney, and Dr. Roger Eichhorn be reappointed to the Board of Directors of the University of Kentucky Research Foundation for three year terms ending in 1981; and (2) that Mr. Homer W. Ramsey be appointed to the Board of Directors to serve through 1979 to complete Mr. Richard E. Cooper's term.

Background: The terms of Mr. Sturgill, Mr. Dabney, and Dr. Eichhorn expire this year. All three men have been valuable members of the Board of Directors of UKRF and their reappointment is recommended.

Because Mr. Richard E. Cooper, who was appointed to the UKRF Board of Directors as a Trustee member through 1979, is no longer a member of the Board of Trustees, his seat on the UKRF Board is vacant. It is the recommendation of the Nominating Committee that Mr. Homer W. Ramsey be appointed through 1979 to complete Mr. Cooper's term.

III. Appointments and/or Other Staff Changes

Recommendations: (1) that approval be given to the appointments and/or other changes which require Board action; and (2) that the report relative to appointments and/or changes already approved by the administration be accepted.

Background: The following recommended appointments and/or other staff changes require approval by the Board of Trustees in accordance with Part VIII-B of the Governing Regulations of the University. These recommendations are transmitted to the Board by the appropriate vice president through the President and have his concurrence.

Under the Governing Regulations the authority to make certain appointments and/or other staff changes is delegated to the President or other administrators who are required to report their actions to the Board. This report follows the recommendations requiring Board approval.

Members, Board of Trustees:

SUPPLEMENTAL RECOMMENDATIONS OF THE PRESIDENT

I. Establishment of Alumni Professorships

Recommendation: that the Board of Trustees authorize the President to establish additional Alumni Professorships as resources become available from Annual Giving Funds.

Background: At the present time there are four Alumni Professorships which are held by Professor Charles P. Roland, Professor William L. Matthews, Professor Stephen Diachun, and Professor Jacqueline Noonan. Professor Diachun retires this year and his professorship will be filled. There are, however, sufficient funds available at this time to permit the establishment of a fifth Alumni Professorship and approval of the Board is requested for this as well as for the authority to establish future Alumni Professorships when funds are available.

The establishment of professorships of this calibre strengthen the academic program of an institution and are beneficial in both the recruitment and retention of personnel.

An Ad Hoc Committee was appointed to make nominations to the President of persons to be named Alumni Professors and the persons to be so named will be announced at the Alumni Banquet on Friday evening, May 12, and at the Commencement Exercises on Saturday afternoon, May 13.

II. Report on Gifts and/or Grants (See Attachment)

Recommendation: that the report on gifts and/or grants covering the period from January 1, 1978 through March 31, 1978, be accepted and made a matter of record.

Background: The attached report represents the gifts and/or grants accepted by the President on behalf of the Board of Trustees for the three-months period ending March 31, 1978, in accordance with the policy adopted by the Board of Trustees on November 19, 1965. Members, Board of Trustees:

CANDIDATES FOR DEGREES - UNIVERSITY SYSTEM

Recommendation: that the President be authorized to confer upon each individual whose name appears on the list the degree to which he or she is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate.

Background: Since the Commencement Exercises are held immediately following completion of examinations, it is not possible for the Office of the Dean of Admissions and Registrar to certify satisfactory completion of requirements prior to Commencement Exercises, for those candidates who completed their requirements in May. The candidates who completed their requirements in August 1977 and December 1977 were approved by the Board of Trustees at earlier meetings.

3. Comments - The budget increase for the Agricultural Experiment Station will be supported by CEM testing service income. Income generated by the Livestock Diagnostic Laboratory and additional state appropriations will support expenditures for the laboratory. An increase in federal appropriations will fund additional expenditures for the Agricultural Cooperative Extension. The proposed expenditure increase for the Margaret I. King Library will be supported by an increase in copy service income. Income generated by the dental hygiene clinic and testing services will support a budget increase for Lexington Technical Institute. Additional student fees generated by continuing education and off-campus instruction programs will support expenditure increases for Paducah Community College and the Community College Off-campus Program, respectively. Additional state appropriations will support the Program Improvement Fund budget increase as reimbursement of expenses already incurred for Neonatal Care and Livestock Disease Diagnostic Laboratory.

Transfer of Division of Auxiliary Personnel from
the Department of Restorative Dentistry to the
Department of Community Dentistry, College of
Dentistry.

Recommendation: that the Division of Auxiliary Personnel, Department of Restorative Dentistry be transferred from the Department of Restorative Dentistry to the Department of Community Dentistry.

Background: During an in-depth study of the Division of Auxiliary Personnel in the College of Dentistry, it became apparent that the functions of the Division of Auxiliary Personnel were closely aligned with those of the Department of Community Dentistry. After discussions with the division director, the chairmen of the involved departments, and the Administrative Council, it was the consensus that the administrative transfer of the Division and of the academic appointments of the faculty involved would have no effect on the productivity of the Department of Restorative Dentistry nor on its ability to function in an efficient manner due to the nature of the responsibilities of the faculty assigned to the Division of Auxiliary Personnel.

With the agreement of the parties involved and upon the recommendation of the dean of the College of Dentistry and the Vice President for the Medical Center, after consultation with the chairman of the University Senate Committee on Academic Organization and Structure, the University Senate Council, on April 5, 1978, recommended approval of this transfer.

OPERATING BUDGET FOR 1978-79

Recommendation: that the 1978-79 Operating Budget as submitted, including the authorization set forth in the letter of transmittal be approved and ordered recorded as an integral part of the University's financial system with the necessary fiscal control being exercised for the collection and appropriation of income and for the expenditure of departmental appropriations in accordance with authorized fiscal policies and procedures and accepted as a basis of maximum expenditures for the year 1978-79. The Board of Trustees or the Executive Committee is empowered to make such changes in the budget as may from time to time be deemed necessary upon recommendation of the President.

Background: the 1978-79 Operating Budget of the University of Kentucky is presented for approval by the Board of Trustees. Copies of the budget document have been made available to members of the Board.

NOTE: The Operating Budget is not included in the Minutes but is in the official files of the meeting.

SUPPLEMENTARY STATE APPROPRIATION FOR
PREVIOUSLY RETIRED EMPLOYEES

Recommendation: that the University administration be authorized, notwithstanding the provisions of the University of Kentucky Retirement Plan, to pay the sum of \$263,100 in each year of the 1978-80 biennium and in subsequent years provided State funding for this purpose is continued as additional retirement benefits to 463 retired University employees in accord with the schedule of payments received by letter dated March 13, 1978, from the Commonwealth's Office for Policy and Management.

Background: The University has received a supplementary State appropriation of \$263,100 for the purpose of increasing retirement benefits for certain previously retired employees. The Office for Policy and Management has advised that the payments should be made according to the following schedule:

<u>Number of Years Retired</u>	<u>Amount to be Added to Present Benefits</u>
20 and over	\$1,500
19 - 15	\$1,200
14 - 10	\$ 900
9 - 5	\$ 600
4 - 0	\$ 300

Specific action by the Board is required since the amounts will exceed those authorized in the regular University Retirement Plan.

LAND RESERVED FOR KET EXPANSION

Recommendation: That the area of land shown on the attached Site Plan of the Kentucky Education Television facility on Cooper Drive be reserved and dedicated by the Board of Trustees to accommodate future growth and expansion of KET's network center.

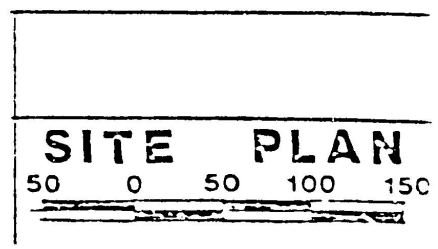

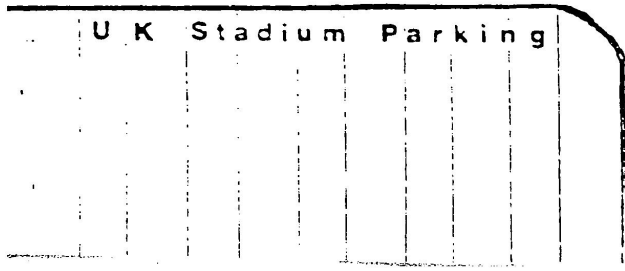

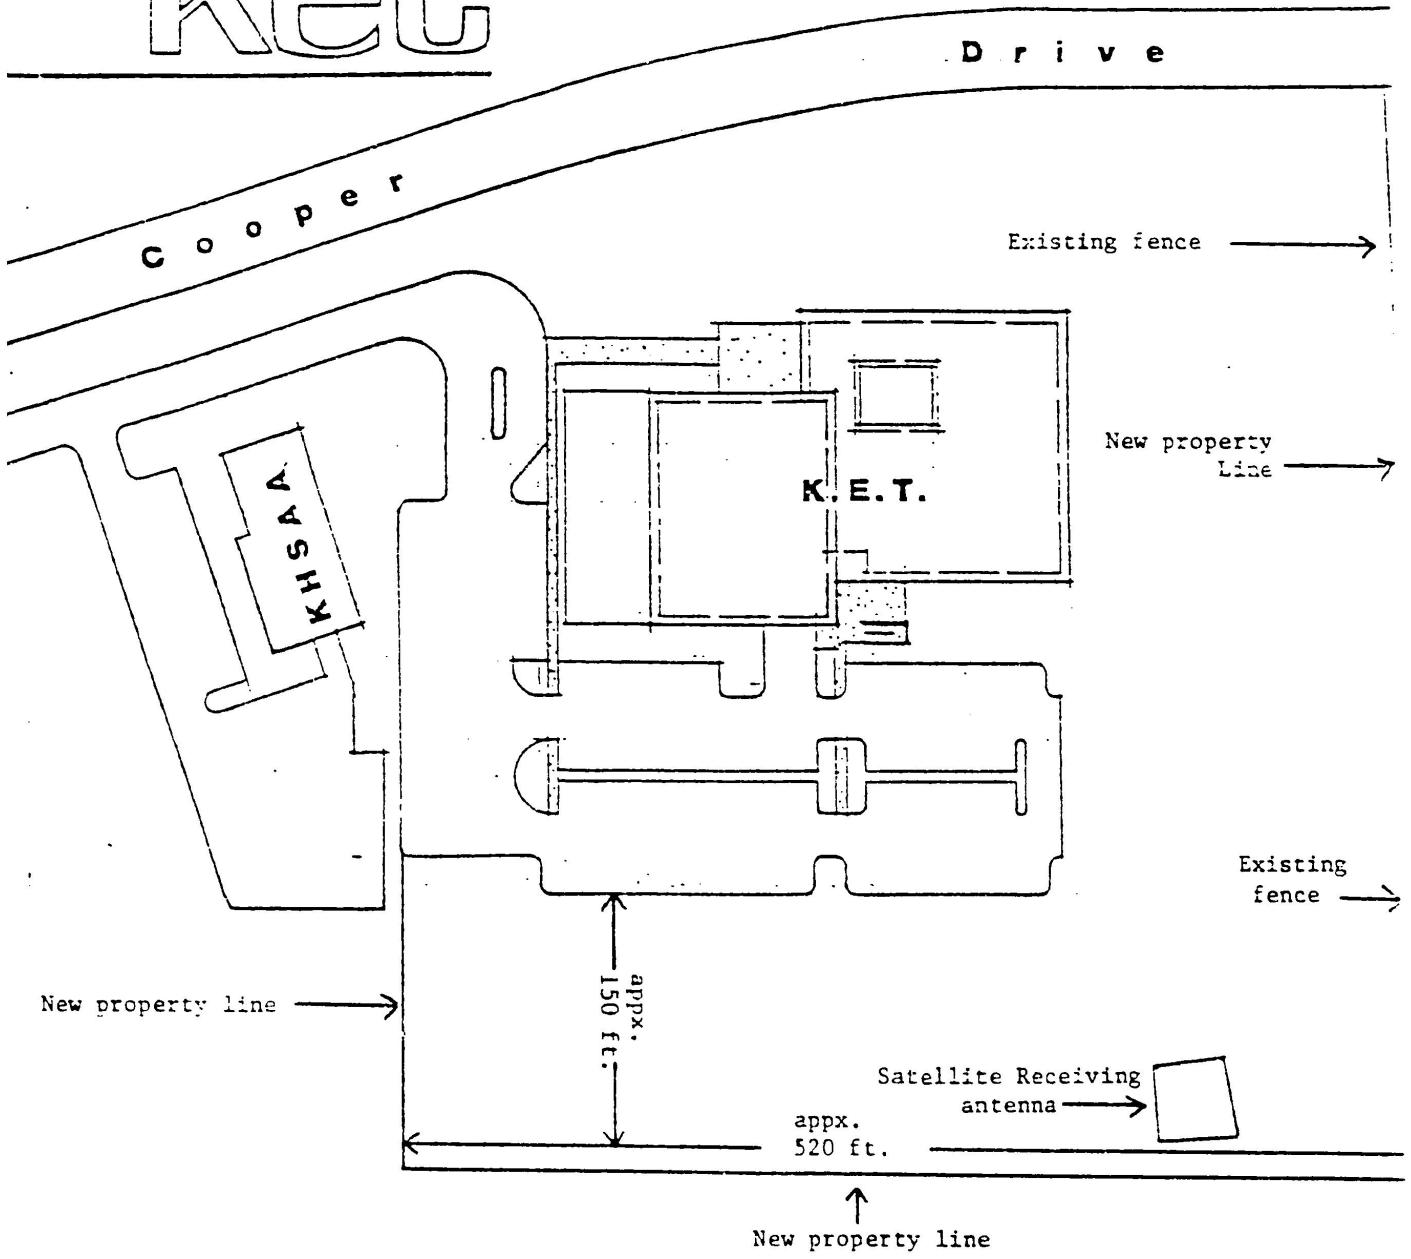

More specifically, the area to be reserved lies adjacent to, and south and east of, the existing KET facility and within the boundaries of the new property lines as shown on the Site Plan.

Background: This recommendation is made at this time to assure that, when needed, additional land will be available for expansion of the KET facility, thereby enabling future construction in the area to be planned accordingly.

LICENSES FOR THE PERFORMANCE
OF COPYRIGHTED MUSIC

Recommendation: That the Board authorize the Vice President for Business Affairs and Treasurer* to enter into license agreements with the various performing rights societies for the right to publicly perform and transmit non-dramatic musical compositions.

Background: Prior to the passage of the Copyright Revision Act of 1976, the University had, pursuant to the "not for profit" exemption of the Copyright Law, paid no royalties on the public performance of non-dramatic musical compositions. The Copyright Revision Act of 1976 removed the blanket exemption and accordingly has made the University responsible for royalty payments to the copyright owners for musical compositions performed or transmitted on premises owned or leased by the University. Representatives of the American Council on Education, National Association of College and University Business Officers, National Entertainment and Campus Activities Association, Association of College, University Community Arts Administrators, National Association of Schools of Music, and Association of College Unions International negotiated model license agreements with the three performing rights societies: ASCAP (American Society of Composers, Authors and Publishers), BMI (Broadcast Music, Inc.) and SESAC. The three societies represent copyright owners in the licensing of performances and the collection and distribution of royalties.

The basic "blanket" license fees will be paid from general fund monies, and any additional concert license fees will be paid from revenues generated by the concert involved.

Members, Board of Trustees:

Confirmation Non-Resident Fees/Establishing Activity Fee

Recommendation: that the Board of Trustees 1) confirm the changes in the fee schedule for non-resident students for semester/annual sessions at the University of Kentucky as established by the Council on Higher Education on April 12, 1978; 2) increase the Activity Fee by \$6.00 per semester over a two-year period by establishing a semester fee of \$9.25 effective in Fall, 1978, and \$12.25 effective in Fall, 1979; and 3) establish corresponding part-time and Summer School charges under the guidelines of the Council on Higher Education.

Background: Under KRS 164.020, the Council on Higher Education is charged with the duty of determining the amount of entrance and/or registration fees for admission to Kentucky public institutions of higher education. Current fees were established by the Council on March 30, 1977, and confirmed by this Board on May 3, 1977. This year the Council staff originally proposed an increase for non-resident students double that which the Board is asked to confirm, but at its meeting on April 12, the Council agreed to halve the proposed increase for Fall, 1978, and to postpone further increase until Fall, 1979.

At its meeting on January 11, 1978, the Council granted to the boards of the individual institutions authority to increase the student activity and/or service fee by up to \$20.00 per full-time student per semester and to designate revenues generated by such fees for student and/or service use. The proposed increase of \$3.00 in 1978-79 and an additional \$3.00 in 1979-80 is requested under this authorization. The University Activity Fee, currently at \$6.25 per semester, has not been increased since 1950. While this increase represents nearly a doubling of the 1950 fee, it should be noted that ticket prices to non-students have increased by more than one and a half times during this period. The total fee proposed for 1979-80 would also be in line with those at a number of other schools in the Southeastern Conference.

In the May 3, 1977 action the Council directed that each institution derive its charges for part-time and Summer School students from the semester rate using institutional definitions of what constitutes a full-time load for each level or program area. The complete fee schedule recommended for adoption follows that guideline.
