Tom Perkins of Ky
If you don't need your
suit case I would like
to get it to take some
thing in to Glasgow
I will get one over there
and send yours back
Please let me know at once
if I can get it
and you send out my
laundry Friday or Saturday
if it has got in
If not you send me
one collar no 15 laying
I am aiming to start
Sunday; be sure and
send these things out
