Dear Rowland:-

Now nearly 8-o'clock  
time to go home, but  
I'll pen you a few  
lines first, seems  
so many little duties  
take my time.

I'm always so glad to  
have your letters.

I'm always thinking  
of you and wishing you  
success. Have confidence  
in your ability to suc-  
ceed in your undertak-  
ings. so if you take your  
seat among the Kentucky  
Soldats. I feel you will  
be on the side of justice
