Dear Mr. Raily -

the two girls I was aiming
to they went back to
Glasgow Sunday Evening
while we were enjoying
life in Tenn. ha ha they
will be home again before
long damn sure

I saw my Girl in
Town to day and she said
she would go with us
Sunday. and I am
writing now to the
Country for that date
for Sunday nite.

Would have wrote you sooner
if the other two hadn't gone
back to Glasgow. every
thing running sweet
hope to see you Sunday.

your Pal.

& Grandpa. ha ha
for it will be a long
time to wait to see you

bad now. I will try
and be ready by 6 o'clock

Mr. Ollie Bailey,

Darling Sweetheart:

Well now try to write
you a few lines. How is my
dear by now? fine I hope.
I am just fine, only blue
but I'm that way all the
time only when I am with
you.

What are you doing to pass
off time?

I am not waiting to day, we
have company, I wish you
were here; but I guess you
~~and~~ and Luea have gone
to Glasgow, K., that still makes
me mad to think about that

if you hadn't lied to me I
wouldn't care half so bad.
I went to Church yesterday
morning; didn't go any
place in the afternoon,
and how I did wish for you.
I could have cried my eyes
out if it had done any good.
I can't C why you want to
have so many girl friends
I used to have several boy
friends, I never go with any
one but you ~~now~~, for C
I love you only. I saw Opal
at Church, she said had had
you to see his mother but
I suppose you saw ~~him~~
him, I know they was a
plenty said about $\frac{1}{2}$ Sunday
for my ears burn so much

but I Can't worry about that
 for I'm always tried to be
 some body, so what else
 Can I do? listen Ollie
 I am going to the land
 Friday afternoon and will
 stay till Sunday, so you
 meet me at the river about
 2 O'clock and if I'm not there
 you wait till I get there,
 you come I where you & Freddie
 & Delpha did that Sunday but
 I guess I be^{re} by the time
 you are so I will close
 From the one that
 loves you best.

Bina

P. S. Ollie I suppose Opal &
 Hobe would come with you
 to the river Sunday that/over

is if you want them to.

I guess Hode would be glad
to come down with you
and you all will find Opal
at Sun School I guess

don't guess you can read what
I have written but I'm
in such a hurry, I
hope to see you Sunday.
