CONVOCATIONS Student interest in University convocations has been somewhat lacking during the last few months. At the general convocation last week, Prof. O. W. Warmingham, head of the department of biblical history and literature, Boston university, gave an interesting and worthwhile discussion of the spiritual and social problems confronting the people of our day.

HOME OF THE BRAVE America is looked upon with profound respect by all other nations of the world, and continues, as she always has done, to set a pace for the others to follow; surely, there must be some reason for the esteem in which she is held.

KEEP TRADITIONS ALIVE A celebrated man, who recently visited our campus to speak before the student body, made the statement that keeping alive glorious traditions was an important factor in the success of any organization.

LOOKING BACK John V. O'Nan, Sturgis, and Eugene W. Keshimer, Lexington, sensors in the College of Engineering, perfect a device for the reproduction of music.

JEST AMONG US

Radio announcers can get away with anything; last Saturday one of them made Bazaar with the Derby, when we all know that Cavaleade came in first.

SCANDAL SNICKERINGS By CAMERON COFFMAN Here 'tis... That often promised, such expected and highly anticipated pin list.

ARTISTIC UPTURN A definite upturn in things commercial during the last year has been evidenced throughout the United States, and in connection with this a definite upturn in things artistic has been noted on the University campus.

LITERARY

Moody, uncertain, mingled tears and smiles. When I'm away, my heart keeps faithful trust With my far, fragrant, thrice-enchanted isles.

Following is the poem from which the title is taken... "LOOK TO THE LIGHTNING" I cannot die! I shall come back.

INFINITY I am afraid of endlessness. I know A mortal terror and a coward weep When in the leagues awake of night I find Infinity set against my mind.

WHAT IS HAWAII? Shadows of trade-clouds racing on the sand. Nights lit by webs of moonlight spun with song.

Our Communitic Frat Life

By BILL FRANZ Living in a fraternity house has many and sundry advantages. For instance, there is never any necessity of buying any new neckties or towels. Just use those of your roommate.

Communitic frat life is the most important fraternity offer, ranking even above the chapter president.

Yes, a fraternity house is a desirable place to live if you can readily lose your own identity and individuality; if you have an easy-going, philosophical attitude toward your fellow-man.

Deserving a whole paragraph is the fact that there is often a communism of sweethearts.

He speaks rather unfavorably of Fascism in Italy and in Germany, compares it with Russia under communism, and then states that a third champion, America, has entered the lists to capture the imagination of the world.

Lewis Gannett seems to be quite impressed by the author of "The Bewildered World" and considers him as the external American—especially so when Hunt quotes Henry Ford as saying: "Remember that change is the one sure thing in this world."

### LAST DAY

Let's pretend we're happy,  
Let's pretend today  
Will not bring the twilight  
Taking you away.

Let's go running wildward,  
Kiss me quickly then,  
Cape of youth for courage,  
Laughier for disguise.

Dust will bring the cross roads,  
Kiss me quickly then,  
Say three little lost words,  
Hold me close again.

But today let's frolic,  
Let's pretend it's spring...  
There will be forever  
For remembering!

### Grubbs-Maxwell

Mr. and Mrs. George J. Grubbs, Coral Gables, Fla., announce the engagement of their daughter, Evelyn Fay, to Mr. Richard DeNyse Maxwell, Jr., also of Coral Gables. The wedding will be solemnized June 30 at St. Stephens Episcopal church, Coral Gables.

## Phi Epsilon Phi Inducts 6 Members

Four students were initiated into Phi Epsilon Phi, recently organized honorary botanical fraternity, at 8:30 o'clock Friday, at the Tea Cup Inn. The initiation was followed by a banquet in honor of the new members.

Those initiated were Martha Jones, Utica; Celeste Thompson, Lexington; William Willoughby, East Union, and Prof. W. A. Price, head of the entomology department of the College of Agriculture.

Talks were given at the banquet by Prof. B. B. McIntyre and Prof. Frank McFarland, both of the College of Agriculture, Hans Shacklette, Sue Irvine, and James Cooper. Mary Wharton arranged the program and introduced the speakers.

Officers of the organization are Hazel Nollan, president; Hans Shacklette, vice-president; Sue Irvine, secretary, and Alma Carpenter, treasurer. In order to be eligible for membership in this fraternity, students must have a standing of two in all botanical subjects, and a 1.7 University standing.

# Luckies are always in All-Ways kind to your throat

so round, so firm, so fully packed—no loose ends that's why you'll find Luckies do not dry out

We like to tell about the finer tobaccos in Luckies—the choicest Turkish and domestic, and only the mild, clean center leaves—they taste better—than "It's toasted"—for throat protection. But we're just as proud of the way Luckies are made. They're so round and firm, so free from loose ends. That's why Luckies "keep in condition"—that's why you'll find that Luckies do not dry out—an important point to every smoker. Luckies are always—in all-ways—kind to your throat.

Due to a lack of publicity it appears that the general student body was unaware of the tennis match held Friday afternoon with Tulane. Tulane brought one of the finest tennis combinations in the country and defeated the University team in straight sets. Sutter, brother to the national ranking star, gave an unusual exhibition of match play that was a treat to witness. His younger brother, reputed to be his equal, is on the Tulane freshman team, and next year these two should be a sensation in inter-collegiate tennis.

The next match is against Xavier university here and tennis fans shouldn't miss this number one contest Wednesday afternoon.

The Derby is over, but memory lingers on (titter) along with most of the other members of the Fourth Estate, Pressbox picked Cavaleade to win but only gave Disney fifth place. The unpublished selection we were secretly watching was Spill Hill, who came in sixth. He ran the Derby distance last week in 2:04 which was the time of the winner. With Coucel up, Spill Hill looked like a good contender, but it seemed that track congestion and its attendant competition spoiled the hopes of more than one Derby combination.

Next Friday and Saturday is the Kentucky High School Interscholastic tennis tournament. This is the fourth year that the tournament is being held and interest has increased tremendously. Coach H. H. Downing has done a laudable bit of work conducting the tournaments and this year should be the best so far. A high brand of tennis is in evidence at these tournaments and several of the top-notchers are sure to matriculate at the University.

On Saturday will be held the fifteenth annual Interscholastic track meet at the University of Stoll field. Coach Bertie Bively is in charge of the meet, and with 30 or more high schools entered he will have no simple job to keep things running smoothly. However, with the University track season over, "Bernie" can be depended upon to do a smooth job as he has done in previous meets.

Pat Devereaux's baseball team ran into tough luck last week and lost three games in a row, including six runs. The strong teams of Marshall college, Morehead, and the University of Cincinnati, however, be their Nemesis and although the Wildcats scored 17 runs, they were unable to get on the winning side of the ledger. Better luck next week.

Rambling Here and There: The University of Indiana football team has the edge on Notre Dame when it comes to traveling. By the end of the season the Hoosiers will have traveled to three different coasts, the Pacific, Atlantic and the Gulf.

on the local courts this season. He experienced little difficulty in defeating Jenkins, No. 1 man for Kentucky, 6-1, 6-0.

In the double play Sutter and Cram defeated Jenkins and Weed, 6-1, 6-2; and Hume and Haspel defeated Moore and Stahr, 6-4, 6-1.

In watching the play of Sutter the local tennis fans were given the treat of seeing a member of one of this country's finest tennis families in the various sports he has reached. With two weeks remaining in which to complete this year's competition there is yet much to be completed.

To Jimmie Irvine, SAE, goes the honor of being the first to enter the semi-final bracket in horseshoes. He did so by beating Bennett in the third round and Nichols in the quarter-finals. Other results in this sport found Endicot defeating Mansfield, and Bringardner defeating Franz.

Hunt moved up to take a place beside Boland in the semi-finals in golf when he defeated Jackes in the quarter-finals.

Four men entered the quarter-finals in the tennis division. These were Acosta, White, Gottshall, and Bringardner. Bringardner, who is probably the most versatile man in the intramurals, pulled a surprise when he disposed of Stokely, last year's doubles finalist, in two sets. White managed to come from behind to defeat Lucian who won the first five games in the first set. Acosta and Gottshall had little trouble in beating King and Stephenson, respectively.

W. A. A. Will Elect Four New Officers

Election of W.A.A. officers will be held today from 9:30 a.m. to 3 p.m. in Miss Averill's office in the Women's gym. All active members are asked to vote. Nominations are: president, Margaret Warren; vice-president, Mary Lou Hume and Rebekah Van Meter; secretary, Dorothy Whitworth and Betty Earle; treasurer, Eleanor Stredcker and Helen Frances Jones.

All entries in the singles tennis tournament are asked to watch the bulletin board in the Women's gym for rankings and rules of the ladder tournament. Challenging should begin immediately in order that the tournament can be finished by May 22. Each entrant will be required to play at least four matches in order to hold her position. Any girl failing to make a challenge or accept one for seven consecutive days will automatically be dropped from competition.

The following games have been seeded in the doubles tourney and must be played before Thursday: Chi Omega vs. Alpha Gamma Delta; Kappa Delta vs. Delta Delta Delta; Alpha Xi Delta vs. Delta Zeta. Two independent teams also will play. Scores of the matches must be turned in to Miss Averill's office immediately after the game and must be signed by both players.

Honor Awards Made At W.A.C. Banquet

FRATERNITY ENTERTAINS

The annual banquet of the Block and Bridle club, honorary organization for the promotion of animal husbandry, was held at 8:30 o'clock yesterday at the Tea Cup Inn. Prof. E. S. Good of the College of Agriculture spoke on "The Beef Cattle Situation." Cups, ribbons, and other awards were presented to the winners in various classes of the recent stock judging contest conducted by the club.

FRATERNITY TO INITIATE

Phi Epsilon Phi, national honorary botanical fraternity, will have initiation, followed by a banquet at 6:30 o'clock tonight at the Tea Cup Inn. Three new members will be initiated into the local chapter, Gamma Rho. They are: Celeste Thompson, Martha Jones, and Willie Willoughby. A two-day trip to Cumberland Falls will be taken by the entire chapter in the near future.

Peak, Steitler Win Sullivan Medallions

Those pledged to Lamp and Cross were J. B. Croft, Crofton; James Bernot, Shelbyville; Buster Hubbard, Bardstown; Jack Paunce, New Cross; William Arnold, Shelby; W. T. Bishop, Paducah; William Franz, Ashland; William Cundiff, Somerset; Holton Ribble, Paducah; William Conley, Carlisle; Hunt Thomas, Louisville; Donald McCorkle, Lexington; Louis Clingbe, Bayou; George Campbell, Middletown; Phil Ardery, Paris; Henry McCown, Miami Beach, Florida; and the University's new athletic director, as an honorary member.

U.K. TENNIS TEAM DIVIDES TWO MATCHES

The University of Kentucky netmen defeated Indiana university 7-0 yesterday afternoon on the home courts in easy fashion. The singles matches were interesting and exciting in that most of them went to three sets, with the Kentucky men playing a steady game, covering the net in better style than they have done this year.

In the doubles matches the teams finally showed some team work and cooperation, defeating their opponents 3-6, 6-4, 6-2 against Chicago, Ill. Please be sure to enclose a stamped self-addressed envelope.

—and they do something like that to mellow good tobaccos
WHERE THE RARE WINES come from they know that the two most important things in wine-making are the selection of the grapes and the long years of ageing in the wine cellars.
IT'S VERY MUCH THE SAME in the making of a cigarette. You have to get the right tobaccos, then put them away to age and mellow in wooden casks.
You can't make a good cigarette like Chesterfield in a day. It takes over two years to age the tobaccos for your Chesterfields—but it adds something to the taste and makes them milder.
Everything that modern Science really knows about is used to make Chesterfield the cigarette that's milder, the cigarette that tastes better.
