## — Backing the Wildcats —

**GOVERNOR BERT COMBS**, graduate of the University of Kentucky and long-time supporter of education in the Commonwealth, is well acquainted with athletics on all levels. He received education at Clay County High and Cumberland College before finishing up at UK with a law degree in 1937. He served four and one-half years on the Kentucky Court of Appeals and has been a practicing attorney for more than 20 years.

**PRESIDENT FRANK DICKEY**, who became the University of Kentucky's seventh chief executive in 1956, is an outstanding educator and avid follower of UK sports. With an interest dating back to days as a director of intramurals for a junior high school, Dr. Dickey strongly favors the continuance of University athletics on their present high level and in balance with the institution's academic program.

**ATHLETIC DIRECTOR BERNIE SHIVELY**, a former All-America footballer at Illinois, is the guiding hand behind the development of UK as a nationally-respected power in the field of inter-collegiate athletics. Serving in a variety of posts at the University since 1927, including terms as coach of football, track and baseball, "Shive" has been Director of Athletics since 1938.

## ADOLPH RUPP

'Coach of the Year'

For nearly three decades, the sports world has watched an amazing record being forged with near perfection out of meager raw material by a colorful figure in the Bluegrass country of Kentucky known familiarly to hundreds of thousands as the "Man in the Brown Suit."

He is Adolph Rupp of Kentucky and when the sport of basketball is mentioned today, a direct chain of thought brings out the name of this maker of champions who holds undisputed rank as the "Nation's Winningest Basketball Coach." The name of Rupp, feared and respected in opponents' hearts and beloved by the millions who have witnessed the remarkable success of his Wildcat cage teams, has become synonymous with the game of basketball.

Such unprecedented recognition for the fabulous mentor is only natural since his success in the past 29 years as head man of the fabled Kentucky cage thoroughbreds

has been nothing short of phenomenal. It would take a book longer than his own technical best-seller, "Championship Basketball," to recite the record completely. Briefly, however, that record includes:

- An amazing 608 victories out of 714 starts for an unparalleled winning percentage of better than 85 percent against major competition.
- Selection as the national "Coach of the Year" in 1959 for the second time in his career as he guided an inexperienced group of sophomores to a 24-3 record. The honor was bestowed by United Press International and the Knute Rockne Clubs of America.
- An unprecedented honor roll of four NCAA Tournament championships picked up by his Wildcats who hold the all-time record of 11 appearances in the national classic and can claim more victories in NCAA play (21) than any other team.
- A nominal world's championship as co-coach of the successful USA entry in the 1948 Olympic Games which included members of Kentucky's NCAA champions.
- A total of 19 Southeastern Conference titles since the league was organized in 1933.
- Election to the Naismith Memorial Basketball Hall of Fame in 1959 and previous selection (in 1946) by Helms Athletic Foundation as a member of their exclusive cage Hall of Fame.
- Election to the Kentucky Hall of Fame (1945), outstanding citizen of Lexington (1949) and twice honorary citizen of the City of New Orleans.
- Development of more All-Americans (21) and more material for the pro ranks (17) than any other coach.
- Four Sugar Bowl Tournament championships, a National Invitation Tournament title and four trophies from the first six UK Invitational Tournaments.

**HARRY C. LANCASTER**  
Assistant Coach

When Harry Lancaster finds a spare moment to reflect on his days as an all-around star athlete at Georgetown (Ky.) College back in the early thirties, he can recall with a degree of dismay how close he came to never pursuing the "round ball" sport that in the days since has earned him a respected position in the basketball world.

An All-Conference halfback for three straight years and captain during his last two seasons, Lancaster's football career almost overshadowed his play on the basketball court. In the cage sport, he was equally successful—with three All-Conference nominations and two team captaincies to his credit—but considered himself a better football player than cager. Experience, however, proved him a good student and teacher of the sport of basketball as he began his coaching career.

Lancaster bosses a promising group of yearling cagers and holds down the position of assistant varsity basketball coach and general right hand man to Adolph Rupp. He was made a full-time assistant by Coach Rupp in 1948. Born in Paris, Ky., Lancaster attended Paris High School, participating for four years in all sports. The UK freshmen, under his guidance, have lost only 13 contests during the past ten seasons. His overall record stands at 91 wins, 13 losses.

## Sportsmanship Is Everybody's Job

The visiting team and the officials tonight are our guests and we as host desire that these visitors shall leave our campus fully inspired with the desire to return, and fully impressed that we have rendered a genuine spirit of true southern hospitality. In order to accomplish this objective it is recommended that we all strive to:

- Make our guests feel at home and wish to return.
- Keep in mind that your team plays away from home and desires good treatment.
- The officials assigned here are gentlemen of good character and standing in their community. Respect their opinions and decisions. They have been given thorough and competent training and have had more experience through the years. Basketball officiating is considered the most difficult of all arbitering.
- All teams have been well coached and have practiced diligently. Each is entitled to reflect this training and to show that their success is not luck nor a gift from the officials. Give credit and recognize ability when due.
- Booning is a sign of a poor sport. It is the source of all poor conduct and lack of good manners. Eliminate it.

The impression your visitors gain depends on you. Let's prove that we can be courteous and hospitable.

# Meet A Wildcat —

**DICK PARSONS—Junior—Guard**

**Yancey, Ky.**

A diminutive player who can dash in for the crisp shot or hit from outside when the defense is tightened up, Parsons is the smallest of the Wildcats at 5-9 and 155. True to the tradition of small and elusive Kentucky guards of the past, he is fast and quick-thinking in the heat of action. When he gained a starting job in 18 of Kentucky's games last season, he became the smallest Wildcat regular in more than 10 years.

Makes up in hustle, determination and pestering defensive play what he lacks in size. Parsons also has a knack of showing up well when least expected or in clutch situations. Serious in his attitude on the court and rarely ruffled in the

roughest going. His best shots are the two hand long one or a jumper in close.

Collected 216 points to rank fifth in Kentucky scoring last season during 740:58 action time in all 27 contests. High point night of career came against Mississippi last season when he bagged 21.

Shortstop and leading hitter (.345) on the Wildcat baseball team last spring. Dick was a four-sport star at Harlan High. Quarterbacked his high school grid squad, ran 880 in track and hit .450 his final season in baseball as well as starring at guard on the cage outfit. Also third in graduating class scholastically.
