was substituting other  
fibres. I am not surprised  
at this judging quality  
Brown of mechanical  
is now shipping them for #1  
They have had business  
with almost all dealers.  
Then again in the  
market believe they will  
give us chance -  
From Bentley's review  
learned there was fine  
style. No flower to  
their finishing who would  
keep - a cedar to see  
them but was not much  
impressed - I just flew
