Gentlemen:-

Some time ago we had the pleasure of quoting you on engine and boiler, also our representative, Mr. Weaver, has called on you several times. He advises that you have changed your specifications somewhat, and we would like very much to have a copy of same, also would like to be advised as to about the date you expect to close the contract. All outstanding quotations made by the Atlas Engine Works have been withdrawn.

Trusting to hear from you at your earliest convenience, we remain.

The Miller Supply Co.

Yours truly,

J. E. Thomas
