Dear Nephew Cousin

I received
your note of enquiry in due
course of mail and gave it
to my older brother saying he
would write to you as I have
been very busy this fall and
winter and not having time to
write but the river the
Monongahela being frozen our
gives me leisure so asking him
I find he did not write so I attempt
it I will send you a book the old
and New Monongahela written by Dr.
J. S. Burvoort's of Bellevue
which will give you a pretty good
