## ABOUT THE LIBRARIES

### Professional Meeting August 26:

The all-day professional staff meeting has been set for August 26. Because of our tight budget, we will not be able to have lunch catered unless individuals are willing to pay for it themselves. Therefore, I am taking a poll and will do what the majority wants: please let me know by Wednesday whether you prefer 1) a catered lunch (approx. \$3.15 per person), 2) brown bag lunch or 3) a long lunch hour to go away from the Carnahan House to nearby restaurants. Thank you.

Faith Harders

### Faculty Procedures Document:

According to our Procedures Document, notice of revisions must be circulated among the Library faculty ten days before the meeting at which the voting will take place. The proposed amendments are to be given to the Director of Libraries who will present them to the Library Faculty. To date, three suggestions have been submitted for consideration. Please give copies of your proposals to the Faculty Secretary in the next week or two so that sufficient time may be allowed to consider the revisions before our August 26th meeting.

### Anyone for Purdue?

Are there any librarians who would welcome the chance to visit the Purdue University Libraries, and observe the operations and collections of their counterparts? Rhoda Channing would like to visit their Business in the Fall and hopes other librarians at UK will consider going, sharing expenses and driving. Call Rhoda if interested.

## PERSONNEL

### Assistant Director for Public Services:

Because we could not find an acceptable candidate within our salary range, it has been decided to close out the position for this fiscal year. The job will be re-advertised in early Fall. We will use ALA midwinter to do some initial screening, then bring in candidates again in Spring 1978.

### Job Openings:
