WILDCATS' BASE BALL SCHEDULE COMPLETE

Men in Good Trim for First Game Saturday; Probable Lineup.

The addition of games with the Universities of Cumberland, Southern Presbyterian, Hawaii and DePauw to the Wildcat schedule completes the list for this year and gives the Wildcats a total of sixteen games for the season, which are so arranged that they ought to get by with a good percentage of them.

The first game will be staged Wednesday on Stoll Field with Ohio University and the fans will have an opportunity to see the '15 Wildcats in a real game. Nothing is known of the strength of the Ohioans, but they are not expected to prove easy picking.

The Wildcats have been working out in fine shape and with a week of practice on the new ground will, no doubt, be in their best form for the battle.

The recruit pitchers are showing to such advantage that the loss of Jim Park from the hurlers may not be so serious as it at first seemed. "Big Jim" Server and Ad Thomas, a right hander and a southpaw, respectively, seem to have the edge on the rest of the squad of pitchers, at present, and will have first call for the game next.

GIRLS' ISSUE WILL APPEAR MAY 6th

The Girls' Issue of The IDEA, which was scheduled to appear next week, has been postponed to May 6th, at which time it will positively appear.

During the month of May The IDEA will be gotten up as a six-page paper and this feature issue has been postponed until then in order to give the co-eds as much space as possible to devote to the shortcomings and "long-goings" of the boys. The addition of the extra sheet to the paper will give them ten more columns of reading matter in which they can rant and cant to their hearts' delight.

Miss Florence Hughes, the editor-in-chief for that issue, will select her staff of assistants in time for it to be announced in next week's IDEA.

WM. F. SHINNICK ON HERALD STAFF

Wm. F. Shinnick, a Sophomore Journalist, who has been handling the University news for The Leader in a most efficient way, has secured a position as reporter on The Herald staff to fill a vacancy caused by the resignation of Sherman H. Stivers.

"Billy" comes by his newspaper talent naturally, his father, Col. Ed. D. Shinnick, being owner and editor of the Shelbyville Sentinel, and a former president of the Kentucky Press Association.

SENIOR "MECHS." TO DESIGN POWER PLANT

Class to Take Combined Thesis for Their Third Term's Work.

A central plant to furnish heat, light, power and refrigeration to the University buildings will be designed by the Senior Mechanicals as a combined thesis this spring. The idea of such a design originated last year when the class of '14 designed a central power plant of 15,000 kilowatts capacity and capable of furnishing light and power to all of Eastern and Central Kentucky.

The immense design was completed in every detail and was favorably commented on by the engineering public. Several of the technical magazines printed articles on the subject and commented on such an improved educational method.

Nearly all of the Seniors have returned from their inspection trip and work was started on the thesis this morning. The regular working hours are from 8:00 a. m. to 12:00 m. and from 1:30 p. m. to 4:30 p. m. Each man's time will be recorded by a modern time clock loaned for the purpose by the Calenigraph Company of New York.

Two plants will be designed, located at different points on the campus and differing in details of design. The class will be divided in halves, each working on one plant, and when completed, the better design will be decided upon and adopted. A healthy rivalry will follow as to which half of the class will design the better plant. Practically all of the preliminary calculations have been completed, so that the actual design of the plants will start at once. The steam radiations and the maximum amount of steam required has been found. The light load and power load have been studied and the maximum, minimum and average requirements determined.

Whether such a station is actually built will have no effect on the value of the design to the graduating class. They will know that such a plant could be built from their plans and specifications and if the plant is ever built the class of '15 will have left a monument at their alma mater unique in American universities.

W. J. SANDFORD, '14, HERE FOR Y. M. C. A.

W. J. Sandford, Jr., '14, a graduate of the College of Law, is here in the interest of the Community Y. M. C. A. work of Greenwood, Miss. He is Community Boys' Secretary, which work he took up last year after his graduation. Sandford was prominent in Y. M. C. A. work while in the University and was one of the best all-around men that State can boast of.

KARL ZERFOSS

ZERFOSS TO LEAD NEXT WILDCAT FIVE

Karl P. Zerfoss, of Ashland, was elected captain of the 1916 basketball quintet at a meeting of the 1915 squad held last week.

Zerfoss is taking an A. B. course in the Arts and Science Department and is in his Junior year. He has made a good record in athletics, having won his "K" in three branches of the sport, football, basketball and baseball, and was the logical man for the position.

"NO BREAKS" FOR PROM ANNOUNCED

It is announced that of the twenty dances at the Junior Prom, April 16, Nos. 1, 4, 7, 10, 11, 14, 17 and 20 are to be "no-breaks." The dances will include ten one-steps, eight waltzes and two fox trots. Announcements concerning the Senior Invitations will be made by the committee at an early date.

COMPANY B WINS SHOOTING MATCH

In a shooting match at the Armory Saturday afternoon, the team representing Company B won first place with a score of 118 points.

Companies C and D tied for second place with 106 and it will be necessary to hold a second match to decide the tie. Company A scored 105 points.

The winning team from Company B was composed of George H. Hill, of Bluefield, W. Va.; K. C. Frye, of Waddy, and Frank Y. Hutchison, of Nicholasville. The distances were fifty feet standing and seventy-five feet prone.

These were preliminary contests and a final championship match will be held probably in May, about the time of the annual inspection, to decide the championship of the school. Rifle practice will be continued in the Armory preparatory to the match.

BRUMAGE RESIGNS; ANDERSON CHOSEN

To Take Up New Duties Next Year With Able Corps of Assistants

Announcement was made last week that Coach Alpha Brumage had tendered his resignation as director of athletics to take effect at the end of the present baseball season.

Dr. W. L. Anderson will become director of athletics next year to fill the vacancy and he will have active supervision over the track and tennis teams and will control all gymnasium work. He will have an able corps of assistants to help him.

The football, basketball and baseball teams will be under the charge of Dr. J. J. Tigert and the news will be received with much interest by the many fans who know something of Dr. Tigert's athletic prowess and coaching ability. Dr. Tigert is a Vanderbilt graduate, where he established an unequalled record as an all-around athlete in football, baseball, basketball and track. He was captain of the '02 football team which won the Southern championship and was picked as All-Southern half back and captain. He was one year captain of the famous Vanderbilt basketball team that was defeated but once in three years. As a Rhodes scholar at Oxford, he was one of the rowing crew and played sensational ball at first base with the championship nine of England. At Central College of Missouri and Wesleyan he turned out some good teams and during his coaching period here has had great success, having coached the boys' football and basketball teams and the girls' basketball teams.

Coach Brumage has been eminently successful in coaching football, basketball and base ball here and will leave behind him a host of friends who wish him well wherever he goes. Coach Brumage came to Kentucky State from Virginia Military Institute and since here he has put out two of the best teams State has ever had. He has been coaching football for ten years and of the ten teams five were never defeated, one team was defeated once, two were defeated twice and two were defeated three times during the season. This is certainly an enviable record and "Hurry Up" Yost is probably the only other coach in the country who can equal it. "Coach" has had several good offers but has not yet decided where he will go.

PROFESSOR MILLER BEFORE "AG" SOCIETY

Professor A. M. Miller, Dean of the College of Arts and Sciences, made an address before the Agricultural Society Monday night in the lecture room of the Agriculture Building, illustrating his talk with lantern slides. The address was instructive and entertaining.

JULIUS WOLF WINS INTER-SOCIETY CONTEST

Meets L. P. Jones, Union Literary Society Representative in Chapel.

Julius Wolf won the intersociety debating contest which was held in chapel yesterday morning at chapel hour. Having won this contest he will represent the University in the Kentucky Intercollegiate contest, which will be held at Berea sometime during the month of April.

Mr. Wolf had previously won on last Friday night the annual oratorical contest of the Patterson Society and was given the "Patterson" medal, which is given annually by President Emeritus James K. Patterson. The subject of his speech was "Edison," and he told the life story of the great inventor and explained how the wizard achieved such accomplishments.

The other contestant was Mr. L. P. Jones, of Sedalia, Ky. Mr. Jones won the annual Union oratorical contest, which was held in chapel on last Saturday night. The subject of his speech was, "America in the Lighthouse," and he received the gold medal given annually by President H. S. Barker, known as the "Barker" medal.

The judges in yesterday's contest were Dean Anna J. Hamilton, Dean Lafferty, Doctor Maxson and Professors Dantzler and Baker.

Y. M. C. A. CABINET AND OFFICERS NAMED

The Y. M. C. A. Cabinet and officers for the year 1915-16 were announced by Secretary E. L. Hall last week. They are:

Officers—President, Joseph E. Torrence; vice president, Bart N. Peak; recorder, Louis Reusch; general secretary, Edward L. Hall; officer and employment secretary, I. M. Nickell.

Directors—College of Mechanical Engineering, Henry Worsham; College of Agriculture, Benjamin H. Mitchell; College of Arts, Bart N. Peak; College of Science, Henry Cromwell; College of Civil and Mining Engineering, G. H. Hill; College of Law, Paul H. Gossage; Community Service, Karl P. Zerfoss.

Board of Management—President H. S. Barker, C. M. Mathews, J. J. Tigert, Alpha Brumage, T. R. Bryant, W. E. Freeman, Lyman Chalkley, E. D. Veach, Frank Battelle, Hywel Davies, Dr. E. Cronley Elliott, Henry Duncan, Joseph Torrence, Clifford Dotson, Bart N. Peak, Karl P. Zerfoss, Marcus Redwine and David D. Donahue.

For lack of space the list of chairmen is not given.

The resignation of Prof. C. R. Melcher as president of the Lexington Board of Education, has been accepted and he will issue the formal announcement of candidacy for State Superintendent of Public Instruction April 8.

SIGNS OF SPRING.

During the last few days, though the mercury has been rather depressed, several signs of Spring have appeared on the campus. Spring would come without such omens, yet prognostic performances pervade the atmosphere before the trees or flowers bloom forth in their regal glory.

The fever known as laziness may attack some with great force and can only be overcome by the determined effort of its victim. Others are amazed and often mystified by some fair one who causes him to forget the existence of many things that once brought supreme content.

In our college life the most important symbol of springtime is the appearance of ball players on the diamond. This may not hold such importance with all, yet the opening of the national game brings joy to the many lovers of the sport. The opening will be witnessed on our new athletic field next Wednesday, which occasion will prove to the many that Spring really has come to our "Kentuckee" land.

REGISTRARS TO MEET; GILLIS SECY-TREAS.

The annual meeting of the American Association of Collegiate Registrars will be held at the University of Michigan, Ann Arbor, Michigan, on April 20, 21 and 22. The sessions of the three days will be devoted largely to open conference and round table work on the problems of the registrar's office. The speakers will include a representative of the Bureau of Education in Washington.

The officers of the Association are: President, George O. Foster, of the University of Kansas; First Vice President, Walter Humphreys, of the Massachusetts Institute of Technology; Second Vice President, Frank A. Dickey, of Columbia University; Secretary-Treasurer, Ezra L. Gillis, of the University of Kentucky.

Dr. Bradford Knapp, of the Department of Agriculture, Washington, was in Lexington this week to confer with Dr. J. H. Kastle, director of the Experiment Station, Dr. Fred Mutchler and others of the Extension Department and President H. S. Barker, regarding extension work plans for the year. The Department of Home Economics gave a luncheon in the Education Building to Doctor Knapp and the two members of the official staff who accompanied him.

Louisville University has been admitted to the K. I. A. A. and a Thanksgiving game with Transylvania is now a possible annual feature.

ANNUAL DANCE GIVEN BY ALPHA ZETA FRAT

The annual dance of the Alpha Zeta Fraternity of Kentucky State University was given Friday evening in the ball room of the Phoenix Hotel. The members of the Scovell Chapter, Messrs. J. W. McDonald, H. F. Bryant, W. P. Tuttle, W. K. Clore, Herschel Scott, W. T. Davis, Wayland Rhoads, A. Carman, R. W. Searce, P. E. Richards, S. J. Lowry, Harry Galbraith, A. X. Pfeffer, D. P. Campbell, B. W. Mitchell, C. S. Adams, L. R. Nelson, M. L. McCracken, were the hosts, assisted by the faculty members.

The new men, Messrs. Frank Street, R. B. Hayes and Joseph McMurtry, stood in line under the light of the fraternity emblem and had their badges pinned on.

The grand march was led by Mr. John W. McDonald and Miss Virginia Crenshaw, of Versailles.

RHOADS APPOINTED KENTON CO. AGENT

News of the appointment of Wayland Rhoads, of this year's graduating class of the College of Agriculture, to the position of County Agent of Kenton County, will be received with pleasure by his many friends. Wayland is the son of McHenry Rhoads, State Superintendent of High Schools, and has made a splendid record while at the University, being one of the honor men and a member of the Alpha Zeta Fraternity.

Mr. Rhoads' headquarters are at Independence and he has been in active duty for the past two weeks.

MRS. LAWRENCE AT BEN ALI APRIL 7th

Mrs. Patrick Lawrence, the famous Woman's Suffrage lecturer, will speak at the Ben Ali Theatre April 7, at eight o'clock. Her subject, "Women and War," will be of interest to every one in the community. It is hoped that every college student will attend. The lecture will be free.

So much has been written of Mrs. Lawrence, both through the magazines and newspapers, that it will not be necessary to call to mind the many interesting events in the life of this speaker.

SERIES OF ADDRESSES IN "EC" DEPARTMENT

Miss Laura Clay, of this city, addressed the Home Economics Club and faculty of the Home Economics Department Monday afternoon, at 3:30, in the lecture room of the Educational Building, on the subject "Women and the War."

Other addresses have been made by Dr. Bradford Knapp, of the Department of Agriculture at Washington, Miss Mary Criswell, who is interested with Doctor Knapp in the extension work, and Mrs. Helen Woolcott, of Shelbyville, head of the Kentucky Canning Club, during the last week.

A delightful luncheon was served by the Seniors of the Domestic Science Department, under the direction of Miss Mary E. Sweeney, after Dr. Knapp's talk at which President H. S. Parker and Dr. Fred Mutchler were present.

Miss Sweeney presided at all the meetings in her usual delightful manner.

Miss Julia Lowry, who won the swimming contest at the Ada Meade, is a pupil of Miss Florence Hughes, who has made a great success as instructor in swimming in Lincoln School.

CUPID BUSY; TWO WEDDINGS SOON

Announcement of the engagement of Miss Anna Louise Rhorer to Prof. John Hurst Adams has been sent out. The wedding will take place in the early summer.

Miss Rhorer is a member of the faculty of the London, Ky., city schools, and Professor Adams, now assistant principal of the London high school, was a student at State last year and has many friends who wish him well.

Galen B. Dixon, of Marion, Ky., a student in the "Ag." department two years ago, will be married on April 7 at Marion, to Miss Clara B. Hammack, daughter of H. F. Hammack, of that place. Dixon is well remembered by many of the students.

The Tennessee Sulphur, Copper and Iron Company, of Isabella, Tenn., has asked the Department of Chemistry for two graduates to enter their laboratories, but as all the '14 class are already employed, the department is unable to supply the men.

UNIVERSITY WILL HAVE HEADQUARTERS AT LOUISVILLE

It was announced a few days ago that the University will have headquarters at Louisville during the meeting of the Kentucky Educational Association, which will be held in that city April 21-24.

The headquarters will be at the Henry Watterson Hotel and visiting teachers and students are invited to make this their stopping place while at the meeting.

UNIVERSITY SENIOR WILL TEACH AT NICHOLASVILLE

Clyde P. Taylor, a Senior in the College of Arts at State University, has been elected instructor in the High School at Nicholasville, the appointment to take effect the first of next September. Mr. Taylor, whose home is at Whitesville, Daviess County, is editor of The IDEA, the University publication, and one of the best-known students in the University.—Lexington Herald.

STATE'S ATHLETICS PRAISED BY YALE MAN

"Kentucky State University is the pioneer in the athletics-for-all movement in the South, and is in a position to exercise a great influence among Southern Universities in remodeling their athletic policies," said Dr. William G. Anderson, director of physical education at Yale for the past twenty-five years, who is in the city on a short visit to his son, Dr. W. L. Anderson, director of physical education at State University.

Doctor Anderson said that he felt a peculiar interest in State University because Mrs. Robert L. Stout, director of physical education for women, and former physical director W. W. H. Mustaine were once pupils of his.

BOOK OF ESTHER TO BE PRODUCED SOON

"The Call of the Blood," a poetic dramatization of the Biblical book of Esther, by Professor J. T. C. Noe, will be produced early in April by the Canterbury Club, the honorary literary club of State University.

The play will be costumed in the correct historical dress and will be under the stage direction of Leo J. Sandmann, stage manager of the "Strollers" in 1914, and leading man in "Charley's Aunt." The female parts will be taken by Miss Katherine Mitchell and Miss Ina Darnall, who have had leading parts in the "Stroller" productions in the past two years, and Miss Martha Willis and Miss Cecilia Cregor. Leo Sandmann, Herbert Graham, Julius Wolf and Franklin Corn, all of whom are members of the "Strollers," will take the leading male roles.

The place and date of the production have not been announced definitely, but it will probably be given in Woodland Park Auditorium the second week in April.

Ensign Parker, who was on the ill-fated F-4 that went down near Honolulu, was a former State student and is well remembered by several people here.

L. P. A. CONTEST IN CHAPEL APRIL 7th

The Prohibition Club of State University will hold its first annual declamatory contest in chapel, Wednesday, April 7, at chapel hour. The club is rapidly gaining recognition and promises to be one of the foremost clubs in the University.

This contest is held to choose a speaker to represent the club in the State contest. Three members will compete next Wednesday, and although their names are withheld for the present, we are assured that the contest will be a close one and well worth while.

Need Lumber? Good Lumber?

It is not alone necessary that lumber shall be good in the first place, but good lumber to retain its goodness must have proper care and attention.

Every stick of lumber that enters our yards is carefully handled. Some is stacked on sticks, some piled in open sheds and some put in enclosed buildings, according to the individual needs. So, each piece will reach you in the best possible condition.

You will find, here, lumber for any purpose from the smallest operation to any ordinary undertaking.
