The Committee to whom was referred the accounts of the Treasurer made through B. J. Peters, Chairman, a written report which was adopted and which reads as follows.

To our Committee to whom was referred the account of R. S. Bullock, Treasurer of the A. & M. College to investigate and ascertain the state thereof, have discharged that duty and would respectfully report - That we find the accounts correctly and neatly kept the Treasurer affording every facility for our Committee to forward the business. We find the resources of the College fully and fairly well stated - setting forth the various amounts received, the sources from whom derived and the dates and receipts of the several amounts aggregating the sum  
 of - - - - - \$79,932.87

On the credit side we find the account, clearly and distinctly stated the disbursement arranged and the proper head of the vouchers numbered and filed which we find to consist of order or drafts drawn by the Chairman of the Executive Committee and countersigned by the secretary of the Board which seems to be a necessary and proper precaution to prevent any improper payments.

We find the amount paid out by the Treasurer as per vouchers - - - - - \$44,327.22  
\$35,605.65

All of which is respectfully reported.

B. J. Peters )
