AMERICAN LIBERTY LEAGUE BULLETIN

OCTOBER 15, 1936

NUMBER 3

DO YOUR PART

For the past two years the American Liberty League has been engaged in an intensive educational campaign to bring home to American citizens the truth about constitutional issues. The League has published many pamphlets and leaflets, including addresses by some of the nation's ablest public men, jurists, publicists and economists.

Millions of pieces of literature have been distributed. Many thousands are still available. The League calls upon its members to cooperate in bringing about the widest possible distribution of this literature within the coming few weeks. On page 4 of this Bulletin there is a list showing publications available. Ask National Headquarters for the number you are willing to distribute.

"THE WAY WE DO THINGS"

"THE WAY WE DO THINGS IS NEARLY ALWAYS THE MEASURE OF OUR SINCERITY."

-- Franklin D. Roosevelt, Butte, Montana,
September 19, 1932.

"Where there is vision, there is tolerance; and where there is tolerance, there is peace. And I beg you to think of tolerance and peace not as indifferent and neutral virtues but as active and positive principles.

"* * * it is the peculiar task of Harvard and every other university and college in this country to foster and maintain not only freedom within its own walls but also tolerance, self-restraint, fair-dealing and devotion to the truth throughout America."

-- Franklin D. Roosevelt, Harvard University,
September 18, 1936.

"I can realize that gentlemen in well-warmed and well-stocked clubs will discourse on the expenses of government and the suffering that they are going through because the government is spending money for work relief. I wish I could take some of these men out on the battle line of human necessity and show them the facts that we in the Government are facing."

-- Franklin D. Roosevelt, Atlanta, Georgia,
November 29, 1935.
