

SECURITY TRUST COMPANY

LEXINGTON, KY.

October 1st

Dear Friend:--

In the fall of the year the navies of the world overhaul their fleets. Complete preparations are made to meet the rigors of winter.

What have you done to provide against the cold, bitter winter of life? Look over your past and correct the errors as far as possible. Open a bank account today while you are earning money. Persistent saving will provide you with a modern fighting equipment. Don't let your enemies—Adversity—Sickness—Old Age—find you with armament obsolete and broken. Let us help you save.

We allow compound interest.

Yours very truly,

C. Manning & Co. Secy. & Treas.
