

WASHINGTON'S
APPEAL

TO
THE NATION

WASHINGTON

And all our American Patriots
Who Fought and Suffered and Died
To Give us Our Country and Flag:
Now Suffer Far Greater
When Looking Down From on High
Upon Our American Cities
and see

Only a Lone Flag Here and There
On Every National Holiday!

WASHINGTON

And all our American Patriots
Have a Right to Appeal
To Every American Home
in This City
To Fly the American Flag
They Gave You,
On Every American Home
On Every National Holiday!
